Bid Opportunity

Description

Orthopedic Services at the Iowa Veterans Home (IVH)

Background

Iowa Veterans Home is a large long-term care facility that provides medical, rehabilitation, nursing, and specialty services to an average daily census of 400 residents.

The Iowa Veterans Home provides a continuum of care to Iowa's veterans and their spouses in an environment focusing on individualized services to enhance their quality of life. IVH provides both residential (domiciliary) care and nursing care.

Iowa Veterans Home campus is located at 1301 Summit Street, Marshalltown, IA 50158.

At this time, the Iowa Veterans Home is the only Iowa facility requesting these services.

There is no current orthopedic provider on site. Currently residents are referred to outside providers and transported by IVH. In the last year 43 residents had 89 appointments for these services.

IVH has a medical clinic in the Sheeler Building. This is the clinic setting for contracted medical provider to use to provide services to IVH residents. This area also houses telemedicine and x-ray equipment. IVH will provide providing staff to assist Contractor in performance of these service: secretary, nurse and runners.

IVH has a pharmacy on site. IVH medical providers will need to use the IVH pharmacy and the VA formulary. IVH staff are not able to accept or administer medications filled by an outside pharmacy Typically, IVH medical providers also utilize UnityPoint Health for diagnostic testing.

More information about the Iowa Veterans Home can be found here: https://ivh.iowa.gov/

Contract Term

The term of the contract will begin upon award and end on 06/30/2025.The Agency shall have the sole option to renew the contract upon the same or more favorable terms and conditions for up to 2, 2 year extensions. The resulting contract will be available to all State Agencies.

Objectives

The Iowa Veterans Home is seeking the services of a qualified and credentialed Respondent to provide licensed Orthopedic services at the Iowa Veterans Home (IVH).

An Iowa licensed Orthopedic provider must provide professional Orthopedic services in a large long-term care facility, based on physicians' orders. Services must include at the treatment of the musculoskeletal system to include bones, joints, ligaments, tendons, and muscles.

Respondent must be skilled with elderly, chronically ill, dependent adults, and cognitively and physically challenged patients.

All residents must be referred by the IVH primary provider or medical director.
