Description

The Iowa Department of Transportation is seeking a contractor to:

Provide and install roof coating on pole building to eliminate leaking from fastener deterioration.

Round to the next full container of materials needed to meet square footage needed.
Clean and prep roof with approved epoxy coating prior to top coat being applied.
Apply top coat within manufacturer instructions.
Test roof after application for leaks
Work to be performed during regular workdays and hours M - F 7:00 - 3:30
