1.8 [INTENTIONALLY OMITTED]

1.9 Insurance

1.9.1 Insurance Requirements

The Contractor, and any subcontractor, shall maintain in full force and effect, with insurance companies licensed by the State of Iowa, at the Contractor's expense, insurance covering its work during the entire term of this Contract and any extensions or renewals thereof. The Contractor's insurance shall, among other things, be occurrence based and shall insure against any loss or damage resulting from or related to the Contractor's performance of this Contract regardless of the date the claim is filed or expiration of the policy. The State of Iowa and the Agency shall be named as additional insureds to the extent that Contractor is required to indemnify The State of Iowa and the Agency under the Master Agreement and any participating addenda, or the Contractor shall obtain an endorsement to the same effect, as applicable.

1.9.2 Types and Amounts of Insurance Required

Unless otherwise requested by the Agency in writing, the Contractor shall cause to be issued insurance coverages insuring the Contractor and/or subcontractors against all general liabilities, product liability, personal injury, property damage, and (where applicable) professional liability in the amount specified on the Contract Declarations and Execution Page for each occurrence. In addition, the Contractor shall ensure it has any necessary workers' compensation and employer liability insurance as required by Iowa law.

1.9.3 Certificates of Coverage

Contractor shall maintain all insurance policies required by this Contract in full force and effect during the entire term of this Contract and any extensions or renewals thereof, and shall not permit such policies to be canceled or amended. The Contractor shall submit certificates of the insurance, which indicate coverage and notice provisions as required by this Contract, to the Agency upon execution of this Contract. The certificates shall be subject to approval by the Agency. The insurer shall state in the certificate that no cancellation of the insurance will be made without at least thirty (30) days' prior written notice to the Agency. Approval of the insurance

certificates by the Agency shall not relieve the Contractor of any obligation under this Contract.

1.9.4 Waiver of Subrogation Rights

The Contractor shall obtain a waiver of any subrogation rights that any of its insurance carriers might have against the State; provided that this waiver will apply only to the extent that Contractor is required to indemnify The State of Iowa and the Agency under the Master Agreement and any participating addenda. The waiver of subrogation rights shall be indicated on the certificates of insurance coverage supplied to the State.

1.10 Project Management & Reporting

1.10.1 Project Manager

At the time of execution of this Contract, each party shall designate, in writing, a Project Manager to serve until the expiration of this Contract or the designation of a substitute Project Manager. During the term of this Contract, each Project Manager shall be available to meet monthly, unless otherwise mutually agreed, to review and plan the Deliverables being provided under this Contract.

1.10.2 Review Meetings

During the review meetings the Project Managers shall discuss progress made by the Contractor in the performance of this Contract. Each party shall provide a status report, as desired by a Project Manager, listing any problem or concern encountered since the last meeting. Records of such reports and other communications issued in writing during the course of Contract performance shall be maintained by each party.

1.10.3 Reports

At the next scheduled meeting after which any party has identified in writing a problem, the party responsible for resolving the problem shall provide a report setting forth activities undertaken, or to be undertaken, to resolve the problem, together with the anticipated completion dates of such activities. Any party may recommend alternative courses of action or changes that will facilitate problem resolution. For as long as a problem remains unresolved, written reports shall identify:

1.10.3.1 Any event not within the control of the Contractor or the Agency that accounts for the problem;

1.10.3.2 Modifications to the Contract agreed to by the parties in order to remedy or solve the identified problem;

1.10.3.3 Damages incurred as a result of any party's failure to perform its obligations under this Contract; and

1.10.3.4 Any request or demand by one party that another party believes is not included within the terms of this Contract.

1.10.4 Problem Reporting Omissions

The Agency's acceptance of a problem report shall not relieve the Contractor of any obligation under this Contract or waive any other remedy under this Contract or at

law or equity that the Agency may have. The Agency's failure to identify the extent of a problem or the extent of damages incurred as a result of a problem shall not act as a waiver of performance or damages under this Contract. Where other provisions of this Contract require notification of an event in writing, the written report shall be considered a valid notice under this Contract provided the parties required to receive notice are notified.

1.10.5 Change Order Procedure

The Agency may at any time request a modification to the Scope of Work using a change order. The following procedures for a change order shall be followed:

1.10.5.1 Written Request: The Agency shall specify in writing the desired modifications to the same degree of specificity as in the original Scope of Work.

1.10.5.2 The Contractor's Response: The Contractor shall submit to the Agency a firm cost proposal for the requested change order within five (5) business days of receiving the change order request.

1.10.5.3 Acceptance of the Contractor Estimate: If the Agency accepts the cost proposal presented by the Contractor, the Contractor shall provide the modified Deliverable subject to the cost proposal included in the Contractor response. The Contractor's provision of the modified deliverables shall be governed by the terms and conditions of this Contract.

1.10.5.4 Adjustment to Compensation: The parties acknowledge that a change order for this Contract may or may not entitle the Contractor to an equitable adjustment in the Contractor's compensation or the performance deadlines under this Contract.

1.11 Legislative Changes

The Contractor expressly acknowledges that the contracted Deliverables are subject to legislative change by either the federal or state government. Should either legislative body enact measures which alter the project, the Contractor shall not hold the Agency liable in any manner for the resulting changes. The Agency shall use best efforts to provide thirty (30) days' written notice to the Contractor of any legislative change. During the thirty (30)-day period, the parties shall meet and make a good faith effort to agree upon changes to the Contract to address the legislative change. Nothing in this Subsection shall affect or impair the Agency's right to terminate the Contract pursuant to the termination provisions.

1.12 Intellectual Property

1.12.1 Ownership and Assignment of Other Deliverables

Contractor agrees that the State and Agency shall become the sole and exclusive owners of all Deliverables. Contractor hereby irrevocably assigns, transfers and conveys to the State and the Agency all right, title and interest in and to all Deliverables and grants the State of Iowa and the Agency a limited, non-exclusive license in all intellectual property rights included in the Deliverables, solely to the

extent necessary to use the Deliverables for their intended purpose. Contractor represents and warrants that the State and the Agency shall acquire good and clear title to all Deliverables, free from any claims, liens, security interests, encumbrances, intellectual property rights, proprietary rights, or other rights or interests of Contractor or of any third party, including any employee, agent, contractor, subcontractor, subsidiary or affiliate of Contractor. Other than ownership of the intellectual property rights in the Deliverables, the Contractor (and Contractor's employees, agents, contractors, subcontractors, subsidiaries and affiliates) shall not retain any property interests or other rights in and to the Deliverables and shall not use any Deliverables, in whole or in part, for any purpose.

1.12.2 Waiver

To the extent any of Contractor's rights in any Deliverables are not subject to assignment or transfer hereunder, including any moral rights and any rights of attribution and of integrity, Contractor hereby irrevocably and unconditionally waives all such rights and enforcement thereof and agrees not to challenge the State's rights in and to the Deliverables.

1.12.3 Further Assurances

At the Agency's request, Contractor will execute and deliver such instruments and take such other action as may be requested by the Agency to establish, perfect or protect the State's rights in and to the Deliverables and to carry out the assignments, transfers and conveyances set forth in this Contract.

1.13 Warranties

1.13.1 Construction of Warranties Expressed in this Contract with Warranties Implied by Law

Warranties made by the Contractor in this Contract, whether: (1) this Contract specifically denominates the Contractor's promise as a warranty; or (2) the warranty is created by the Contractor's affirmation or promise, by a description of the Deliverables to be provided, or by provision of samples to the Agency, shall not be construed as limiting or negating any warranty required by law. The warranties expressed in this Contract are intended to modify the warranties required by law only to the extent that they expand the warranties applicable to the Deliverables provided by the Contractor. The provisions of this section apply during the term of this Contract and any extensions or renewals thereof.

1.13.2 [INTENTIONALLY OMITTED]

1.13.3 [INTENTIONALLY OMITTED]

1.13.4 [INTENTIONALLY OMITTED]

In the absence of a Specification for the performance of any portion of this

Contract, the parties agree that the applicable specification shall be the generally accepted industry standard. So long as the Agency notifies Contractor of any services performed in violation of this standard, Contractor shall re-perform the services at no cost to the Agency, such that the services are rendered in the above-specified manner, or if the Contractor is unable to perform the services as warranted, Contractor shall reimburse the Agency any fees or compensation paid to Contractor for the unsatisfactory services.

1.13.6 Contractor represents and warrants that the Deliverables will comply with any applicable federal, state, foreign and local laws, rules, regulations, codes, and ordinances in effect during the term of this Contract, including applicable provisions of Section 508 of the Rehabilitation Act of 1973, as amended, and all standards and requirements established by the Architectural and Transportation Barriers Access Board, the Iowa Department of Administrative Services, and Iowa Office of the Chief Information Officer.

1.13.7 Obligations Owed to Third Parties

The Contractor represents and warrants that all obligations owed to third parties with respect to the activities contemplated to be undertaken by the Contractor pursuant to this Contract are or will be fully satisfied by the Contractor so that the Agency will not have any obligations with respect thereto.

1.14 Acceptance Testing

Except as otherwise specified in the Scope of Work, all Deliverables shall be subject to the Agency's Acceptance Testing and Acceptance, unless otherwise specified in the Statement of Work. Upon completion of all work to be performed by Contractor with respect to any Deliverable, Contractor shall deliver a written notice to the Agency certifying that the Deliverable meets and conforms to applicable Specifications and is ready for the Agency to conduct Acceptance Tests; provided, however, that Contractor shall pretest the Deliverable to determine that it meets and operates in accordance with applicable Specifications prior to delivering such notice to the Agency. At the Agency's request, Contractor shall assist the Agency in performing Acceptance Tests at no additional cost to the Agency. Within a reasonable period of time after the Agency has completed its Acceptance Testing, the Agency shall provide Contractor with written notice of Acceptance or Non-acceptance with respect to each Deliverable that was evaluated during such Acceptance Testing. If the Agency determines that a Deliverable satisfies its Acceptance Tests, the Agency shall provide Contractor with notice of Acceptance with respect to such Deliverable. If the Agency determines that a Deliverable fails to satisfy its Acceptance Tests, the Agency shall provide Contractor with notice of Non-acceptance with respect to such Deliverable. In the event the Agency provides notice of Non-acceptance to Contractor with respect to any Deliverable, Contractor shall correct and repair such Deliverable and submit it to the Agency within ten (10) days of Contractor's receipt of notice of Non-acceptance so that the Agency may re-conduct its Acceptance Tests with respect to such Deliverable. In the event the Agency determines, after re-conducting its Acceptance Tests with respect to any Deliverable that Contractor has attempted to correct or repair pursuant to this section, that such Deliverable fails to satisfy its Acceptance Tests, then the Agency shall have the continuing right, at its sole option, to:

1.14.1 Require Contractor to correct and repair such Deliverable within such period of time as the Agency may specify in a written notice to Contractor;

- 1.14.2** Refuse to accept such Deliverable without penalty and without any obligation to pay any fees or other amounts associated with such Deliverable (or receive a refund of any fees or amounts already paid with respect to such Deliverable);
- 1.14.3** Accept such Deliverable on the condition that any fees or other amounts payable with respect thereto shall be reduced or discounted to reflect, to the Agency's satisfaction, the Deficiencies present therein and any reduced value or functionality of such Deliverable or the costs likely to be incurred by the Agency to correct such Deficiencies; or
- 1.14.4** Terminate this Contract and/or seek any and all available remedies, including damages. Notwithstanding the provisions of Section 1.6.1 of this Contract, the Agency may terminate this Contract pursuant to this section without providing Contractor with any notice or opportunity to cure provided for in Section 1.6.1. The Agency's right to exercise the foregoing rights and remedies, including termination of this Contract, shall remain in effect until Acceptance Tests are successfully completed to the Agency's satisfaction and the Agency has provided Contractor with written notice of Final Acceptance. If the Agency determines that all Deliverables satisfy its Acceptance Tests, the Agency shall provide Contractor with notice of Final Acceptance with respect to such Deliverables. Contractor's receipt of any notice of Acceptance, including Final Acceptance, with respect to any Deliverable(s) shall not be construed as a waiver of any of the Agency's rights to enforce the terms of this Contract or require performance in the event Contractor breaches this Contract or any Deficiency is later discovered with respect to such Deliverable(s).

1.15 Contract Administration

1.15.1 Independent Contractor

The status of the Contractor shall be that of an independent contractor. The Contractor, its employees, agents and any subcontractors performing under this Contract are not employees or agents of the State or any agency, division or department of the State simply by virtue of work performed pursuant to this Contract. Neither the Contractor nor its employees shall be considered employees of the Agency or the State for federal or state tax purposes simply by virtue of work performed pursuant to this Contract. The Agency will not withhold taxes on behalf of the Contractor (unless required by law).

1.15.2 Incorporation of Documents

To the extent this Contract arises out of an RFP, the parties acknowledge that the Contract consists of these contract terms and conditions as well as the RFP and the Bid Proposal. The RFP and the Bid Proposal are incorporated into the Contract by reference, except that no objection or amendment by the Contractor to the provisions of the RFP shall be incorporated by reference into the Contract unless the Agency has explicitly accepted the Contractor's objection or amendment in writing. If there is a conflict between the Contract, the RFP and the Bid Proposal, the conflict shall be resolved according to the following priority, ranked in descending order: (1) the Contract; (2) the RFP; (3) the Bid Proposal.

1.15.3 Intent of References to Bid Documents

The references to the parties' obligations, which are contained in this Contract, are intended to supplement or clarify the obligations as stated in the RFP and the Bid Proposal. The failure of the parties to make reference to the terms of the RFP or the Bid Proposal in this Contract shall not be construed as creating a conflict and will not relieve the Contractor of the contractual obligations imposed by the terms of the RFP and the Contractor's Bid Proposal. The contractual obligations of the Agency cannot be implied from the Bid Proposal.

1.15.4 Compliance with the Law; Nondiscrimination in Employment.

The Contractor, its employees, agents, and subcontractors shall not engage in discriminatory employment practices which are forbidden by federal or state law, executive orders, and rules of the Iowa Department of Administrative Services. The Contractor, its employees, agents, and subcontractors shall comply with all applicable federal, state, and local laws, rules, ordinances, regulations, orders when performing under the Contract, including without limitation, all laws applicable to the prevention of discrimination in employment (e.g., Iowa Code chapter 216 and section 19B.7) and the use of targeted small businesses as subcontractors and suppliers. Upon the State's written request, the Contractor shall submit to the State a copy of its affirmative action plan, containing goals and time specifications, and accessibility plans and policies as required under Iowa Administrative Code chapter 11—121.

The Contractor, its employees, agents and subcontractors shall also comply with all federal, state, and local laws, including any permitting and licensure requirements, in carrying out the work performed under this Contract.

In the event Contractor contracts with third parties for the performance of any of the Contractor obligations under this Contract as set forth in section 1.15.11, Contractor shall take such steps as necessary to ensure such third parties are bound by the terms and conditions contained in this section.

Notwithstanding anything in this Contract to the contrary, Contractor's failure to fulfill any requirement set forth in this section shall be regarded as a material breach of this Contract and the State may cancel, terminate, or suspend, in whole or in part, this Contract. The State may further declare Contractor ineligible for future state contracts in accordance with authorized procedures or the Contractor may be subject to other sanctions as provided by law or rule.

If all or a portion of the funding used to pay for the Deliverables is being provided through a grant from the Federal Government, Contractor acknowledges and agrees that pursuant to applicable federal laws, regulations, circulars and bulletins, the awarding agency of the Federal Government reserves certain rights including, without limitation a royalty-free, non-exclusive and irrevocable license to reproduce, publish or otherwise use, and to authorize others to use, for Federal Government purposes, the Deliverables developed under this Contract and the copyright in and to such Deliverables.

1.15.5 Procurement

Contractor shall use procurement procedures that comply with all applicable federal, state, and local laws and regulations.

1.15.6 Non-Exclusive Rights

This Contract is not exclusive. The Agency reserves the right to select other contractors to provide Deliverables similar or identical to those described in the Scope of Work during the term of this Contract.

1.15.7 Non-Supplanting Requirement

To the extent required by state or federal law, federal and state funds made available under this Contract shall be used to supplement and increase the level of state, local and other non-federal funds that would in the absence of such federal and state funds be made available for the programs and activities for which funds are provided and will in no event take the place of state, local and other non-federal funds.

1.15.8 Compliance with Iowa Code chapter 8F

If the Contract is subject to the provisions of Iowa Code chapter 8F, the Contractor shall comply with Iowa Code chapter 8F with respect to any subcontracts it enters into pursuant to this Contract. Any compliance documentation, including but not limited to certifications, received from subcontractors by the Contractor shall be forwarded to the Agency.

1.15.9 Amendments

This Contract may be amended in writing from time to time by mutual consent of the parties. Amendments to the General Terms for Services Contracts may appear in the Special Terms.

1.15.10 Third Party Beneficiaries

There are no third party beneficiaries to this Contract. This Contract is intended only to benefit the State and the Contractor.

1.15.11 Use of Third Parties

The Agency acknowledges that the Contractor may contract with third parties for the performance of any of the Contractor's obligations under this Contract. The Contractor shall notify the Agency in writing of all subcontracts relating to Deliverables to be provided under this Contract prior to the time the subcontract(s) become effective. The Agency reserves the right to review and approve all subcontracts. The Contractor may enter into these contracts to complete the project provided that the Contractor remains responsible for all Deliverables provided under this Contract. All restrictions, obligations and responsibilities of the Contractor under this Contract shall also apply to the subcontractors and the Contractor shall include in all of its subcontracts a clause that so states. The Agency shall have the right to request the removal of a subcontractor from the Contract for good cause.

1.15.12 Choice of Law and Forum

The laws of the State of Iowa shall govern and determine all matters arising out of or in connection with this Contract without regard to the conflict of law provisions of Iowa law. Any and all litigation commenced in connection with this Contract shall be

brought and maintained solely in Polk County District Court for the State of Iowa, Des Moines, Iowa, or in the United States District Court for the Southern District of Iowa, Central Division, Des Moines, Iowa, wherever jurisdiction is appropriate. This provision shall not be construed as waiving any immunity to suit or liability including without limitation sovereign immunity in State or Federal court, which may be available to the Agency or the State of Iowa.

1.15.13 Assignment and Delegation

Contractor may not assign, transfer or convey in whole or in part this Contract without the prior written consent of the Agency. For the purpose of construing this clause, a transfer of a controlling interest in the Contractor shall be considered an assignment. The Contractor may not delegate any of its obligations or duties under this Contract without the prior written consent of the Agency. The Contractor may not assign, pledge as collateral, grant a security interest in, create a lien against, or otherwise encumber any payments that may or will be made to the Contractor under this Contract. Contractor's use of Independent Dealers is not an assignment in violation of this Section 1.15.13.

1.15.14 Integration

This Contract represents the entire Contract between the parties. The parties shall not rely on any representation that may have been made which is not included in this Contract.

1.15.15 Headings or Captions

The paragraph headings or captions used in this Contract are for identification purposes only and do not limit or construe the contents of the paragraphs.

1.15.16 Not a Joint Venture

Nothing in this Contract shall be construed as creating or constituting the relationship of a partnership, joint venture, (or other association of any kind or agent and principal relationship) between the parties hereto. Each party shall be deemed to be an independent contractor contracting for services and acting toward the mutual benefits expected to be derived herefrom. No party, unless otherwise specifically provided for herein, has the authority to enter into any contract or create an obligation or liability on behalf of, in the name of, or binding upon another party to this Contract.

1.15.17 [RESERVED]

1.15.18 Supersedes Former Contracts or Agreements

This Contract supersedes all prior contracts or agreements between the Agency and the Contractor for the Deliverables to be provided in connection with this Contract.

1.15.19 Waiver

Except as specifically provided for in a waiver signed by duly authorized representatives of the Agency and the Contractor, failure by either party at any time to require performance by the other party or to claim a breach of any provision of the Contract shall not be construed as affecting any subsequent right to require performance or to claim a breach.

1.15.20 Notice

Any and all notices, designations, consents, offers, acceptances or any other communication provided for herein shall be given in writing by a reliable carrier which shall be addressed to the person who signed the Contract on behalf of the party at the address identified in the Contract Declarations & Execution Page(s) at the address specified on the forms. Each such notice shall be deemed to have been provided:

1.15.20.1 At the time it is actually received; or,

1.15.20.2 Within one day in the case of overnight hand delivery, courier or services such as Federal Express with guaranteed next day delivery; or,

1.15.20.3 Within five (5) days after it is deposited in the U.S. Mail in the case of registered U.S. Mail. From time to time, the parties may change the name and address of a party designated to receive notice. Such change of the designated person shall be in writing to the other party and as provided herein.

1.15.21 Cumulative Rights

The various rights, powers, options, elections and remedies of any party provided in this Contract, shall be construed as cumulative and not one of them is exclusive of the others or exclusive of any rights, remedies or priorities allowed either party by law, and shall in no way affect or impair the right of any party to pursue any other equitable or legal remedy to which any party may be entitled.

1.15.22 Severability

If any provision of this Contract is determined by a court of competent jurisdiction to be invalid or unenforceable, such determination shall not affect the validity or enforceability of any other part or provision of this Contract.

1.15.23 Time is of the Essence

Time is of the essence with respect to the Contractor's performance of the terms of this Contract. Contractor shall ensure that all personnel providing Deliverables to the Agency are responsive to the Agency's requirements and requests in all respects.

1.15.24 Authorization

Contractor represents and warrants that:

1.15.24.1 It has the right, power and authority to enter into and perform its obligations under this Contract.

1.15.24.2 It has taken all requisite action (corporate, statutory or otherwise) to approve execution, delivery and performance of this Contract, and this Contract constitutes a legal, valid and binding obligation upon itself in accordance with its terms.

1.15.25 Successors in Interest

All the terms, provisions, and conditions of the Contract shall be binding upon and inure to the benefit of the parties hereto and their respective successors, assigns and legal representatives.

1.15.26 Records Retention and Access

The Contractor shall maintain accurate, current, and complete records of the financial activity of this Contract which sufficiently and properly document and calculate all charges billed to the Agency throughout the term of this Contract and for a period of at least five (5) years following the date of final payment or completion of any required audit (whichever is later). If any litigation, claim, negotiation, audit or other action involving the records has been started before the expiration of the five (5) year period, the records must be retained until completion of the action and resolution of all issues which arise from it, or until the end of the regular five (5) year period, whichever is later. The Contractor shall permit the Agency, the Auditor of the State or any other authorized representative of the State and where federal funds are involved, the Comptroller General of the United States or any other authorized representative of the United States government, to access and examine, audit, excerpt and transcribe any directly pertinent books, documents, papers, electronic or optically stored and created records or other records of the Contractor relating to orders, invoices or payments or any other documentation or materials pertaining to this Contract, wherever such records may be located. The Contractor shall not impose a charge for audit or examination of the Contractor's books and records. Based on the audit findings, the Agency reserves the right to address the Contractor's board or other managing entity regarding performance and expenditures.

1.15.26.1 Records of financial activity shall include records that adequately identify the source and application of funds. When the terms of this Contract require matching funds, cash contributions made by the Contractor and third party in-kind (property or service) contributions must be verifiable from the Contractor's records. These records must contain information pertaining to contract amount, obligations, unobligated balances, assets, liabilities, expenditures, income, and third-party reimbursements.

1.15.26.2 The Contractor shall maintain accounting records supported by source documentation that may include but are not limited to cancelled checks, paid bills, payroll, time and attendance records, and contract award documents.

1.15.26.3 The Contractor, in maintaining project expenditure accounts, records and reports, shall make any necessary adjustments to reflect refunds, credits, underpayments or overpayments, as well as any adjustments resulting from administrative or compliance reviews and audits. Such adjustments shall be set forth in the financial reports filed with the Agency.

1.15.26.4 The Contractor shall maintain a sufficient record keeping system to provide the necessary data for the purposes of planning, monitoring and evaluating its program.

1.15.26.5 The Contractor shall retain all medical records for a period of six (6) years from the last date of service for each patient; or in the case of a minor patient or client, for a period consistent with that established by Iowa Code section 614.1(9). Client records, which are non-medical, must be maintained for a period of five (5) years.

1.15.27 Audits or Examination of Records

1.15.27.1 To the extent applicable, Contractor will comply with the audit requirements as set forth under 2 C.F.R. part 200.500 if the State expends \$750,000 or more in a fiscal year in federal awards (from all sources) with Contractor. The scope of such audit will be those financial statements regarding directly pertinent records involving transactions related to this contract or a subcontract hereunder.

1.15.27.2 The Contractor shall submit one (1) copy of the audit report to the Agency within thirty (30) days of its issuance, unless specific exemption is granted in writing by the Agency. The Contractor shall submit with the audit report a copy of the separate letter to management addressing non-material findings, if provided by the auditor. The Contractor may be required to comply with other prescribed compliance and review procedures.

1.15.27.3 The Contractor shall be solely responsible for the cost of any required audit unless otherwise agreed in writing by the Agency.

1.15.28 Qualifications of Staff

The Contractor shall be responsible for assuring that all persons, whether they are employees, agents, subcontractors or anyone acting for or on behalf of the Contractor, are properly licensed, certified or accredited as required under applicable state law and the Iowa Administrative Code. The Contractor shall provide standards for service providers who are not otherwise licensed, certified or accredited under state law or the Iowa Administrative Code.

1.15.29 Solicitation

The Contractor represents and warrants that no person or selling agency has been employed or retained to solicit and secure this Contract upon an agreement or understanding for commission, percentage, brokerage or contingency excepting bona fide employees or selling agents maintained for the purpose of securing business.

1.15.30 Obligations Beyond Contract Term

This Contract shall remain in full force and effect to the end of the specified term or until terminated pursuant to this Contract. All obligations of the Agency and the Contractor incurred or existing under this Contract as of the date of expiration or termination will survive the termination or expiration of this Contract.

1.15.31 Counterparts

The parties agree that this Contract has been or may be executed in several counterparts, each of which shall be deemed an original and all such counterparts shall together constitute one and the same instrument.

1.15.32 Delays or Impossibility of Performance

Neither party shall be in default under the Contract if performance is prevented, delayed or made impossible to the extent that such prevention, delay, or impossibility is caused by a "force majeure." The term "force majeure" as used in this Contract includes an event that no human foresight could anticipate or which if anticipated, is incapable of being avoided. Circumstances must be abnormal and unforeseeable, so that the consequences could not have been avoided through the exercise of all due care, such as acts of God, war, civil disturbance and other similar causes. The delay or impossibility of performance must be beyond the control and without the fault or negligence of the parties. "Force majeure" does not include: financial difficulties of the Contractor or any parent, subsidiary, affiliated or associated company of Contractor; claims or court orders that restrict Contractor's ability to deliver the Deliverables contemplated by this Contract; strikes; labor unrest; or supply chain disruptions. If delay results from a subcontractor's conduct, negligence or failure to perform, the Contractor shall not be excused from compliance with the terms and obligations of the Contract unless the subcontractor or supplier is prevented from timely performance by a "force majeure" as defined in this Contract. If a "force majeure" delays or prevents the Contractor's performance, the Contractor shall immediately use its best efforts to directly provide alternate, and to the extent possible, comparable performance. Comparability of performance and the possibility of comparable performance shall be determined solely by the Agency. The party seeking to exercise this provision and not perform or delay performance pursuant to a "force majeure" shall immediately notify the other party of the occurrence and reason for the delay. The parties shall make every effort to minimize the time of nonperformance and the scope of work not being performed due to the unforeseen events. Dates by which performance obligations are scheduled to be met will be extended only for a period of time equal to the time lost due to any delay so caused.

1.15.33 Suspensions and Debarment

The Contractor certifies pursuant to 48 CFR Part 9 that neither it nor its principles are presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from participation in this Contract by any federal Agency or State Agency. The Contractor certifies that it is not presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from participation in any contracts with the State of Iowa.

1.15.34 Conflict of Interest

Contractor represents, warrants, and covenants that no relationship exists or will exist during the Contract period between the Contractor and the Agency that is a conflict of interest. No employee, officer or agent of the Contractor or subcontractor shall participate in the selection or in the award or administration of a subcontract if a conflict of interest, real or apparent, exists. The provisions of Iowa Code ch. 68B shall apply to this Contract. If a conflict of interest is proven to the Agency, the Agency may

terminate this Contract, and the Contractor shall be liable for any excess costs to the Agency as a result of the conflict of interest. The Contractor shall establish safeguards to prevent employees, consultants, or members of governing bodies from using their positions for purposes that are, or give the appearance of being, motivated by the desire for private gain for themselves or others with whom they have family, business, or other ties. The Contractor shall report any potential, real, or apparent conflict of interest to the Agency.

1.15.35 Certification Regarding Sales and Use Tax

By executing this Contract, the Contractor certifies it is either (a) registered with the Iowa Department of Revenue, collects, and remits Iowa sales and use taxes as required by Iowa Code chapter 423; or (b) not a “retailer” or a “retailer maintaining a place of business in this state” as those terms are defined in Iowa Code subsections 423.1(47) & (48). The Contractor also acknowledges that the Agency may declare the Contract void if the above certification is false. The Contractor also understands that fraudulent certification may result in the Agency or its representative filing for damages for breach of contract.

1.15.36 Right to Address the Board of Directors or Other Managing Entity

The Agency reserves the right to address the Contractor’s board of directors or other managing entity of the Contractor regarding performance, expenditures and any other issue as appropriate. The Agency determines appropriateness.

1.15.37 Repayment Obligation

In the event that any State and/or federal funds are deferred and/or disallowed as a result of any audits or expended in violation of the laws applicable to the expenditure of such funds, the Contractor shall be liable to the Agency for the full amount of any claim disallowed and for all related penalties incurred. The requirements of this paragraph shall apply to the Contractor as well as any subcontractors.

1.15.38 Further Assurances and Corrective Instruments

The parties agree that they will, from time to time, execute, acknowledge and deliver, or cause to be executed, acknowledged and delivered, such amendments hereto and such further instruments as may reasonably be required for carrying out the expressed intention of this Contract.

1.15.39 Reporting Requirements

If this Contract permits other State agencies and political subdivisions to make purchases off of the Contract, the Contractor shall keep a record of the purchases made pursuant to the Contract and shall submit a report to the Agency on a quarterly basis. The report shall identify all of the State agencies and political subdivisions making purchases off of this Contract and the quantities purchased pursuant to the Contract during the reporting period.

1.15.40 Immunity from Liability

Every person who is a party to the Contract is hereby notified and agrees that the State, the Agency, and all of their employees, agents, successors, and assigns are immune from liability and suit for or from Contractor’s and/or subcontractors’ activities involving third parties and arising from the Contract.

1.15.41 Public Records

The laws of the State require procurement records to be made public unless otherwise provided by law.

1.15.42 Use of Name or Intellectual Property

Contractor agrees it will not use the Agency and/or State's name or any of their intellectual property, including but not limited to, any State, state agency, board or commission trademarks or logos in any manner, including commercial advertising or as a business reference, without the expressed prior written consent of the Agency and/or the State.

1.15.43 Taxes

The State is exempt from Federal excise taxes, and no payment will be made for any taxes levied on Contractor's employee's wages. The State is exempt from State and local sales and use taxes on the Deliverables. [State of Iowa Tax Exempt Letter](#)

1.15.44 No Minimums Guaranteed

The contract does not guarantee any minimum level of purchases or any minimum amount of compensation.
