1.1 Purpose

The purpose of this Request for Bids (RFB) is to solicit bids from qualified providers to provide the goods and/or services described further in this RFB to the Lead Agency and any Participating Agencies. The Lead Agency intends to award a contract(s) beginning and ending on the dates listed in the IMPACS solicitation, and the Lead Agency may extend the contract(s) for up to the number of annual extensions identified in the IMPACS solicitation at the sole discretion of the Lead Agency. Any contract(s) resulting from the RFB shall not be an exclusive contract.

“Participating Agency” means the agency utilizing the established contract.

“Political Subdivisions” means cities, counties, and educational institutions.

This RFB is designed to provide Bidders with the information necessary for the preparation of competitive Bids. The RFB process is for the Lead Agency’s and Participating Agencies’ benefit and is intended to provide the Lead Agency with competitive information to assist in the selection process. It is not intended to be comprehensive. Each Bidder is responsible for determining all factors necessary for submission of a comprehensive Bid.

The State of Iowa is seeking bidders to provide electrician services at State owned and leased locations throughout Iowa.

The resulting contract(s) is an Indefinite Delivery/Indefinite Quantity (IDIQ) contract for electrician services. The Bidder must furnish labor, materials, equipment, supervision, testing, and incidentals for task orders issued under this Contract. Individual task orders will define specific work locations, drawings (if any), quantities, schedules, and deliverables.

In the event the Agency waives or permits cure of nonmaterial variances, such waiver or cure will not modify the RFB requirements or excuse the Bidder from full compliance with RFB specifications or other contract requirements if the Bidder is awarded the contract.
