Description

The purpose of this Request for Bids (RFB) is to solicit bids from qualified providers to provide the goods and/or services described further in this RFB to the Lead Agency and any Participating Agencies. The Lead Agency intends to award a contract(s) beginning and ending on the dates listed in the solicitation, and the Lead Agency may extend the contract(s) for up to the number of annual extensions identified in the solicitation at the sole discretion of the Lead Agency. Any contract(s) resulting from the RFB shall not be an exclusive contract.

This RFB is designed to provide Bidders with the information necessary for the preparation of competitive Bids. The RFB process is for the Lead Agency's and Participating Agencies' benefit and is intended to provide the Lead Agency with competitive information to assist in the selection process. It is not intended to be comprehensive. Each Bidder is responsible for determining all factors necessary for the submission of a comprehensive Bid.

It is advised to "Save Progress" often and especially after uploading documents.

NOTE: Anytime the Bidder opens their bid after the initial submission, they MUST certify and resubmit. No information will be lost from the initial submission.

NOTE: Bidder must approve and resubmit their bid after an amendment has been posted by the Issuing Officer. If the bid was submitted before the amendment, all information will be saved. The Bidder only needs to read and acknowledge the amendment.

Instructions for Amendments: Answer the newly posted question in the Questions Section, and CERTIFY and SUBMIT your bid again (if previously submitted).

Since the repeal of prohibition in 1933, Iowa is one of 18 states that directly controls the sale and distribution of alcoholic beverages. The Iowa Department of Revenue (IDR) Alcohol & Tax Operations Division governs state and federal laws and regulations related to the sale and use of alcohol and tobacco products. On March 8, 1934, Iowa was established as a "control state," assuming direct control over the wholesaling of all alcoholic liquor and wine. Currently, IDR wholesales alcoholic liquor only. IDR also regulates and licenses establishments that sell alcoholic beverages in Iowa.

The IDR is seeking eligible bidders to provide a Contract for Vehicle and Trailer Wrap Services. These services include sizing the artwork, creating the wraps, installation/adhering wraps to vehicles and trailers and removing wraps from trailers. IDR estimates 5-20 trailers requiring these services in the next 12 months. All trailers will be at the government provided location on the date specified by the Bidder. No Agency facilities, equipment, or personnel will be provided. There are no guaranteed volumes of wrap services purchased.

Contract Term

The term of the contract will begin **11/01/2024** and end on **10/31/2027**. The Agency shall have the sole option to renew the contract upon the same or more favorable terms and conditions for up to one three year extension. The resulting contract will be available to all State Agencies and Political Subdivisions.
