1. The Bid has been developed independently, without consultation, communication or agreement with any employee or consultant to the Agency or with any person serving as a member of the evaluation committee.
2. The Bid has been developed independently, without consultation, communication or agreement with any other Bidder or parties for the purpose of restricting competition.

This certification is a material representation of fact upon which the Agency has relied upon when this transaction was entered into. If it is later determined that Bidder knowingly rendered an erroneous certification, in addition to other remedies available, the Agency may pursue available remedies including suspension, debarment, or termination of the contract.

#### **Certification Regarding Registration, Collection, and Remission of Sales and Use Tax**

Pursuant to *Iowa Code sections 423.2(10) and 423.5(8) (2013)* a retailer in Iowa or a retailer maintaining a business in Iowa that enters into a contract with a state agency must register, collect, and remit Iowa sales tax and Iowa use tax levied under *Iowa Code chapter 423* on all sales of tangible personal property and enumerated services. The Act also requires Bidders to certify their compliance with sales tax registration, collection, and remission requirements and provides potential consequences if the certification is false or fraudulent.

By submitting a Bid in response to the (RFB), the Bidder certifies the following:

- Bidder is registered with the Iowa Department of Revenue, collects, and remits Iowa sales and use taxes as required by *Iowa Code chapter 423*; **OR**
- Bidder is not a "retailer" or a "retailer maintaining a place of business in this state" as those terms are defined in *Iowa Code subsections 423.1(47) and (48)*.

Bidder also acknowledges that the Agency may declare the Bidder's Bid or resulting contract void if the above certification is false. The Bidder also understands that fraudulent certification may result in the Agency or its representative filing for damages for breach of contract in addition to other remedies available to Agency.

**Certification**

Bidder certifies that they have read and agree to the Authorization to Release Information.

**Vendor Must Also Upload a File:**

**Bidder** hereby authorizes the Iowa Department of Administrative Services ("Agency") or a member of the Evaluation Committee to obtain information regarding its performance on other contracts, agreements or other business arrangements, its business reputation, and any other matter pertinent to evaluation and the selection of a successful Bidder in response to this Request for Bids (RFB).

The Bidder acknowledges that it may not agree with the information and opinions given by such person or entity in response to a reference request. The Bidder acknowledges that the information and opinions given by such person or entity may hurt its chances to receive contract awards from the State or may otherwise hurt its reputation or operations. The Bidder is willing to take that risk.

The Bidder hereby releases, acquits and forever discharges the State of Iowa, the Agency, their officers, directors, employees and agents from any and all liability whatsoever, including all claims, demands and causes of action of every nature and kind affecting the undersigned that it may have or ever claim to have relating to information, data, opinions, and references obtained by the Agency or the Evaluation Committee in the evaluation and selection of a successful Bidder in response to the RFB.

The Bidder further authorizes any and all persons, and entities to provide information, data, and opinions with regard to its performance under any contract, agreement, or other business arrangement, its ability to perform, business reputation, and any other matter pertinent to the evaluation of the Bidder's Bid. The Bidder hereby releases, acquits and forever discharges any such person or entity and their officers, directors, employees and agents from any and all liability whatsoever, including all claims, demands and causes of action of every nature and kind affecting the Bidder that it may have or ever claim to have relating to information, data, opinions, and references supplied to the Agency in the evaluation and selection of a successful Bidder in response to RFB.

3 ★ **Instructions To Vendor :**

Bidder shall read the contractual terms and conditions that are non-negotiable.

**Certification**

I certify that I have read and agree to the terms above.

**Vendor Must Also Upload a File:**

No

**Prerequisite Content:**

### **Contractual Terms and Conditions – No Material Changes/Non-Negotiable**

Notwithstanding anything in this RFB to the contrary, Bidders may not take exception to or propose including language in any resulting contract that conflicts with or is otherwise inconsistent with the following:

#### **Indemnification**

Without specific authority to do so, the State, or agencies, cannot enter into agreements indemnifying Bidders, or any other entity, against third-party claims. A clause that intends to seek indemnification from the State, whether or not the clause contains the words “indemnity” or “indemnify,” are not clauses to which the State may agree. The State will not agree to clause that includes the language “to the extent permitted by law” because, as explained, the State cannot indemnify Bidders to any extent.

#### **Limitation of Liability**

Iowa Code section 8A.311(22) and 11 Iowa Admin. Code Chapter 120 establish the rules to allow for the State to agree to a contractual limitation of vendor liability clause in limited circumstances. Any request by Respondent for the State to limit damages not in accordance with Iowa law or administrative rules is a request with which the State cannot agree.

#### **Jurisdiction and Venue**

Iowa Code chapter 13 establishes that the Iowa Attorney General is the State’s attorney for all purposes, including management of litigation and claims against the state. The State may not preempt the Attorney General’s authority by agreeing in advance to control the way litigation may be managed in the event of a dispute. Likewise, the State cannot agree to the jurisdiction or laws of another state or its courts, cannot agree to venue in another state, and cannot agree to participate in any form of alternative dispute resolution.

#### **Confidentiality**

All Iowa state agencies are subject to Iowa public records laws. The State cannot agree to contractual terms that attempt to prevent it from disclosing or disseminating records that constitute public records under Iowa Code chapter 22.

#### **Unliquidated Expenses (i.e., Attorney Fees, Add-ons, or Cost Increases)**

The State may not agree to clauses which may obligate it to pay for claims that might exceed its current funding appropriation. The State may only obligate those funds that have been appropriated to it by the Iowa Legislative Assembly and may only obligate those funds for the purposes for which the funds were appropriated.
