SECTION 4: EVALUATION AND SELECTION

4.1 Introduction. This section describes the evaluation process that will be used to determine which Proposal(s) provide(s) the greatest benefit to the State. IEDA will not necessarily award the Contract(s) to the Contractor(s) offering the lowest cost to the IEDA. Instead, the IEDA will award the Contract(s) whose Responsive Proposal(s) the IEDA believes will provide the best value to the State. IEDA will either chose to award one contract for all scope of work & deliverables described in Section 2 or choose to award multiple contracts, whichever IEDA determines is in the best interests of IEDA. IEDA reserves the right to reject all proposals and choose not to issue an award(s).

4.2 Evaluation Committee. The IEDA intends to conduct a comprehensive, fair, and impartial evaluation of Proposals received in response to this RFP. The IEDA will use an evaluation committee to review and evaluate the Proposals.

The evaluation committee will make a recommendation to Economic Development Authority Board, which must approve the recommendation if the total cost is equal to or greater than \$50,000. In such case, the Board will select the Contractor to receive the award. The Board is not bound by the evaluation committee's recommendation, and either the Board or the IEDA may opt not to award a contract to any vendor.

4.3 Overview of Evaluation. All Technical Proposals will be first evaluated to determine if they comply with the requirements provided in Section 2. The evaluation committee will fully evaluate and score all Responsive Proposals submitted by Responsible Contractors in accordance with this Section.

4.4 Evaluation Criteria. Evaluation of Proposals will be based on the following criteria, which are not listed in any particular order of importance.

4.4.1 Demonstrated ability to enhance and/or expand the effectiveness of the IEDA, as described in this RFP.

5.2 Restriction on Communication. From the issue date of this RFP until a Notice of Intent to Award the Contract is issued, Contractors will contact only the Issuing Officer. The Issuing Officer will respond only to written questions regarding the procurement process. Questions related to the interpretation of this RFP must be submitted as provided in Section 5. Oral questions related to the interpretation of this RFP will not be accepted. Contractors may be disqualified if they contact any State employee other than the Issuing Officer about the RFP except that Contractors may contact Kym Stevenson at 515.348.6193 or tsbcert@iowaeda.com on issues related to the preference for Targeted Small Businesses.

5.3 Downloading the RFP from the Internet. The RFP and any addenda to the RFP will be posted at <https://bidopportunities.iowa.gov/>. The Contractor is advised to check the website periodically for Addenda to this RFP, particularly if the Contractor downloaded the RFP from the Internet as the Contractor may not automatically receive addenda. It is the Contractor's sole responsibility to check as frequently as the Contractor deems prudent for addenda to posted documents.

5.4 Procurement Timetable. The dates provided in the procurement timetable on the RFP cover sheet are provided for informational and planning purposes. The IEDA reserves the right to change the dates. If the IEDA changes any of the deadlines for Contractor submissions, the IEDA will issue an addendum to the RFP.

5.5 Questions, Requests for Clarification, and Suggested Changes. Contractors are invited to submit written questions and requests for clarifications regarding the RFP. Contractors may also submit suggestions for changes to the requirements of this RFP. The questions, requests for clarifications, or suggestions must be in writing and received by the Issuing Officer before the date and time listed on the RFP cover sheet. Oral questions will not be permitted. If the questions, requests for clarifications, or suggestions pertain to a specific section of the RFP, Contractor shall reference the page and section number(s). The IEDA will send written responses to questions, requests for clarifications, or suggestions will be received from Contractors on or before the date listed on the RFP cover sheet. The IEDA's written responses will become an addendum to the RFP. If the IEDA decides to adopt a suggestion that modifies the RFP, the IEDA will issue an addendum to the RFP.

The IEDA assumes no responsibility for oral representations made by its officers or employees unless such representations are confirmed in writing and incorporated into the RFP through an addendum.

5.6 Amendment to the RFP. The IEDA reserves the right to amend the RFP at any time using an addendum. The Contractor shall acknowledge receipt of all addenda in its Proposal. If the IEDA issues an addendum after the due date for receipt of Proposals, the IEDA may, in its sole discretion, allow Contractors to amend their Proposals in response to the addendum.

5.7 Amendment and Withdrawal of Proposal. The Contractor may amend or withdraw and resubmit its Proposal at any time before the Proposals are due. The amendment must be in writing, signed by the Contractor and received by the time set for the receipt of Proposals. Electronic mail and faxed amendments will not be accepted. Contractors must notify the Issuing Officer in writing prior to the due date for Proposals if they wish to completely withdraw their Proposals.

5.8 Submission of Proposals. The IEDA must receive the Proposal as identified on the RFP cover sheet before the "Proposals Due" date listed on the RFP cover sheet. **This is a mandatory requirement and will not be waived by the IEDA. Any Proposal received after this deadline will be rejected.** It is the Contractor's responsibility to ensure that the Proposal is received prior to the deadline. IEDA has no obligation to confirm receipt.

Contractors must furnish all information necessary to enable the IEDA to evaluate the Proposal. Proposals that fail to meet the mandatory requirements of the RFP will be rejected. Oral information provided by the Contractor shall not be considered part of the Contractor's Proposal unless it is reduced to writing.

5.9 Proposal Opening. The IEDA will open Proposals after the deadline for submission of Proposals has passed. The Proposals will remain confidential until the Evaluation Committee has reviewed all the Proposals submitted in response to this RFP and the IEDA has issued a Notice of Intent to Award a Contract. See Iowa Code Section 72.3. However, the names of Contractors who submitted timely Proposals will be publicly available after the Proposal opening. The announcement of Contractors who timely submitted Proposals does not mean that an individual Proposal has been deemed technically compliant or accepted for evaluation.

5.10 Costs of Preparing the Proposal. The costs of preparation and delivery of the Proposal are solely the responsibility of the Contractor.

5.11 No commitment to Contract. The IEDA reserves the right to reject any or all Proposals received in response to this RFP at any time prior to the execution of the Contract. Issuance of this RFP in no way constitutes a commitment by the IEDA to award a contract.

5.12 Rejection of Proposals. The IEDA may reject outright and not evaluate a Proposal for reasons including without limitation:

5.12.1 The IEDA determines there is no longer a need to procure the services.

5.12.2 The Contractor fails to deliver the cost proposal as a separate document.

5.12.3 The Contractor acknowledges that a mandatory requirement of the RFP cannot be met.

5.12.4 The Contractor's Proposal changes a material requirement of the RFP or the Proposal is not compliant with the mandatory requirements of the RFP.

5.12.5 The Contractor's Proposal limits the rights of the IEDA.

5.12.6 The Contractor fails to include information necessary to substantiate that it will be able to meet a requirement of the RFP as provided in Section 3 of this RFP.

5.12.7 The Contractor fails to timely respond to the IEDA's request for information, documents, or references.

5.12.8 The Contractor fails to include any signature, certification, authorization, stipulation, disclosure or guarantee as provided in Section 3 of this RFP.

5.12.9 The Contractor presents the information requested by this RFP in a format inconsistent with the instructions of the RFP or otherwise fails to comply with the requirements of this RFP.

5.12.10 The Contractor initiates unauthorized contact regarding the RFP with state employees.

5.12.11 The Contractor provides misleading or inaccurate responses.

5.12.12 The Contractor's Proposal is materially unbalanced.

5.12.13 There is insufficient evidence (including evidence submitted by the Contractor and evidence obtained by the IEDA from other sources) to satisfy the IEDA that the Contractor is a Responsive Contractor.

5.12.14 The Contractor alters the language in Attachment 1, Certification Letter or Attachment 2, Authorization to Release Information letter.

5.13 Nonmaterial Variances. The IEDA reserves the right to waive or permit cure of nonmaterial variances in the Proposal if, in the judgment of the IEDA, it is in the State's best interest to do so. Nonmaterial variances include but are not limited to: minor failures to comply that do not affect overall responsiveness, that are merely a matter of form or format, that do not change the relative standing or otherwise prejudice other Contractors, that do not change the meaning or scope of

the RFP, or that do not reflect a material change in the requirements of the RFP. In the event the IEDA waives or permits cure of nonmaterial variances, such waiver or cure will not modify the RFP requirements or excuse the Contractor from full compliance with RFP specifications or other Contract requirements if the Contractor is awarded the Contract. The determination of materiality is in the sole discretion of the IEDA.

5.14 Reference Checks. The IEDA reserves the right to contact any reference to assist in the evaluation of the Proposal, to verify information contained in the Proposal and to discuss the Contractor's qualifications and the qualifications of any subcontractor identified in the Proposal.

5.15 Information from Other Sources. The IEDA reserves the right to obtain and consider information from other sources concerning a Contractor, such as the Contractor's capability and performance under other contracts, the qualifications of any subcontractor identified in the Proposal, the Contractor's financial stability, past or pending litigation, and other publicly available information.

5.16 Verification of Proposal Contents. The content of a Proposal submitted by a Contractor is subject to verification. If the IEDA determines in its sole discretion that the content is in any way misleading or inaccurate, the IEDA may reject the Proposal.

5.17 Proposal Clarification Process. The IEDA reserves the right to contact a Contractor after the submission of Proposals to obtain clarification of a Proposal. This contact may include written questions, interviews, site visits, a review of past performance if the Contractor has provided services to the State or any other political subdivision wherever located, or requests for corrective pages in the Contractor's Proposal. The IEDA will not consider information received from or through Contractor if the information materially alters the content of the Proposal or the type of services the Contractor is offering to the IEDA. An individual authorized to legally bind the Contractor shall sign responses to any request for clarification. Responses shall be submitted to the IEDA within the time specified in the IEDA's request. Failure to comply with requests for additional information may result in rejection of the Proposal.

5.18 Disposition of Proposals. All Proposals become the property of the State and shall not be returned to the Contractor. Once the IEDA issues a Notice of Intent to Award the Contract, the contents of all Proposals will be in the public domain and be available for inspection by interested parties, except for information for which Contractor properly requests confidential treatment or according to exceptions provided in Iowa Code Chapter 22 or other applicable law.

5.19 Public Records and Requests for Confidential Treatment. The IEDA will treat all information submitted by a Contractor as public records unless the Contractor properly requests that specific parts of the Proposal be treated as confidential at the time of submitting the Proposal AND the information is confidential under Iowa or other applicable law. The IEDA's release of public records is governed by Iowa Code Chapter 22. Contractors are encouraged to familiarize themselves with Chapter 22 before submitting a Proposal. The IEDA will copy and produce public records as required to comply with Chapter 22 or other applicable law.

Any request for confidential treatment of specific information must be included in the transmittal letter with the Contractor's Proposal. For **each** confidentiality request, the Contractor must (1) enumerate the specific grounds in Iowa Code chapter 22 or other applicable law that supports treatment of the material as confidential, (2) provides adequate justification as to why the material should be maintained in confidence, (3) explains why disclosure of the material would not be in the best interest of the public, and (4) sets forth the name, address, telephone, and e-mail for the

person authorized by applicant to respond to inquiries by the Authority concerning the confidential status of such material. An applicant's request for confidentiality that does not comply with this section or an applicant's request for confidentiality on information or material that cannot be held in confidence as set forth herein are grounds for rejecting a Proposal as non-responsive.

Any Proposal submitted which contains information for which Contractor is requesting Confidential treatment must be conspicuously marked by the Contractor as containing confidential information, and each page upon which confidential information appears must be conspicuously marked as containing confidential information. Failure to properly identify specific information as confidential shall relieve IEDA or State personnel from any responsibility if confidential information is viewed by the public or a competitor, or is in any way released. If Contractor identifies its entire Proposal as confidential, the IEDA will reject the Proposal as non-responsive.

If the Contractor designates any portion of its Proposal as confidential, the Contractor must submit a copy labeled as "Public Copy" from which the confidential information has been excised. This excised copy is in addition to the number of copies requested in Section 3 of this RFP. The confidential material must be excised in such a way as to allow the public to determine the general nature of the material removed and to retain as much of the Proposal as possible.

If IEDA receives a request for information that includes information Contractor has marked as confidential and IEDA intends to release such information, IEDA will give written notice to the Contractor at least seven calendar days prior to the release of the information to allow the Contractor to seek injunctive relief pursuant to Iowa Code Section 22.8. After seven calendar days, the IEDA will release the information marked confidential unless a court of competent jurisdiction determines the information is confidential under Iowa Code Chapter 22 or other applicable law.

If Contractor fails to comply with the request process set forth herein, if Contractor's request for confidentiality is unreasonable, or if Contractor rescinds its request for confidential treatment, IEDA may release such information or material with or without providing advance notice to Contractor and with or without affording Contractor the opportunity to obtain an order restraining its release from a court possessing competent jurisdiction.

The Contractor's failure to request confidential treatment of material will be deemed a waiver of any right to confidentiality the Contractor may have had.

5.20 Copyright Permission. By submitting a Proposal, the Contractor agrees that the IEDA can copy the Proposal for purposes of facilitating the evaluation of the Proposal or to respond to requests for public records. By submitting a Proposal, the Contractor consents to such copying and warrants that such copying will not violate the rights of any third party. The IEDA shall have the right to use ideas or adaptations of ideas that are presented in Proposals.

5.21 Release of Claims. By submitting a Proposal, the Contractor agrees that it will not bring any claim or cause of action against the IEDA based on any misunderstanding concerning the information provided in the RFP or concerning the IEDA's failure, negligent or otherwise, to provide the Contractor with pertinent information in this RFP.

5.22 Evaluation of Proposals Submitted. Proposals that are timely submitted and are not rejected will be reviewed in accordance with Section 4 of the RFP. The IEDA will not necessarily award a contract resulting from this RFP to the Contractor offering the lowest cost. Instead, the

IEDA will award the Contract(s) to the Responsible Contractor(s) whose Responsive Proposal the IEDA believes will provide the best value to the IEDA and the State.

5.23 Award Notice and Acceptance Period. Notice of Intent to Award the Contract(s) will be sent to all Contractors submitting a timely Proposal and may be posted at the website shown on the RFP cover sheet. Negotiation and execution of the Contract(s) shall be completed no later than thirty (30) days from the date of the Notice of Intent to Award or such other time as designated by IEDA. If the successful Contractor fails to negotiate and deliver an executed Contract by that date, the IEDA, in its sole discretion, may cancel the award and award the Contract to the remaining Contractor the IEDA believes will provide the best value to the State.

5.24 No Contract Rights until Execution. No Contractor shall acquire any legal or equitable rights regarding the Contract unless and until the Contract has been fully executed by the successful Contractor and the IEDA.

5.25 Choice of Law and Forum. This RFP and the Contract shall be governed by the laws of the State of Iowa. Changes in applicable laws and rules may affect the award process or the Contract. Contractors are responsible for ascertaining pertinent legal requirements and restrictions. Any and all litigation or actions commenced in connection with this RFP shall be brought in the appropriate Iowa forum.

5.26 Restrictions on Gifts and Activities. Iowa Code Chapter 68B restricts gifts which may be given or received by State employees and requires certain individuals to disclose information concerning their activities with State government. Contractors are responsible to determine the applicability of this Chapter 68B to their activities and to comply with its requirements. In addition, pursuant to Iowa Code section 722.1, it is a felony offense to bribe or attempt to bribe a public official.

5.27 No Minimum Guaranteed. The IEDA does not guarantee any minimum level of purchases under the Contract.

SECTION 6: CONTRACTUAL TERMS AND CONDITIONS

6.1 Contract Terms and Conditions. The Contract that the IEDA expects to award as a result of this RFP shall comprise the specifications, terms and conditions of the RFP, written clarifications or changes made in accordance with the provisions of the RFP, the contract terms and conditions contained in the standard state of Iowa contract for services, the offer of the successful Contractor contained in its Proposal, and any other terms deemed necessary by the IEDA. No objection or amendment by a Contractor to the provisions or terms and conditions of the RFP shall be incorporated into the Contract unless the IEDA has explicitly accepted the Contractor's objection or amendment in writing. All costs associated with complying with these requirements shall be included in any pricing quoted by the Contractor.

By submitting a Proposal, each Contractor acknowledges its acceptance of the RFP specifications and the contract terms and conditions without change except as otherwise expressly stated in its Proposal. If a Contractor takes exception to a provision, it must state the reason for the exception and set forth in its Proposal the specific RFP or contract language it proposes to include in place of the provision. Exceptions that materially change the contract terms and conditions or the

requirements of the RFP may be deemed non-responsive by the IEDA, in its sole discretion, resulting in possible rejection of the Proposal. The IEDA reserves the right to either award a Contract(s) without further negotiation with the successful Contractor or to negotiate Contract terms with the successful Contractor if the best interests of the State would be served.

6.2 Contract Length. The term of the Contract will begin and end on the dates indicated on the RFP cover sheet. The IEDA shall have the sole option to renew the Contract upon the same or more favorable terms and conditions for up to the number of extensions identified on the RFP cover sheet. The IEDA reserves the right to adjust begin and end dates if, in the judgment of the IEDA, it is in the State's best interest to do so.

6.3 Insurance: IEDA reserves the right to require the winning Contractor(s) to secure professional liability coverage, general liability, standard liability business rider, personal injury, property damage coverage and any necessary workers' compensation and employer liability insurance, as required by Iowa law with no additional cost to the state beyond Contractor's original bid. The State of Iowa and IEDA shall be named as additional insureds or loss payees, or the Contractor shall obtain an endorsement to the same effect, as applicable. IEDA may require the winning vendor to provide a copy of the insurance certificate to IEDA.

6.4 Terms. The IEDA shall use a services contract for services procured under this RFP. The Contractor shall be expected to execute that contract upon award of the contract. A template of a services contract is available upon request. IEDA reserves the right to diverge from the template as it deems appropriate.

6.5 Funding. All federal and state terms and conditions as applicable to the source of funds shall apply.

Re: Iowa Tourism Office Travel Guides

Dear Jessica O'Riley:

I certify that the contents of the Proposal submitted on behalf of [Name of Contractor] _____ (Contractor) in response to the Iowa Economic Development Authority (IEDA) for Request for Proposal for Iowa Tourism Office Travel Guides are true and accurate. I also certify that Contractor has not knowingly made any false statements in its Proposal.

Certification of Independence

I certify that I am a representative of Contractor expressly authorized to make the following certifications in behalf of Contractor. By submitting a Proposal in response to the RFP, I certify in behalf of the Contractor the following:

1. The Proposal has been developed independently, without consultation, communication or agreement with any employee or consultant to the IEDA or with any person serving as a member of the evaluation committee.
2. The Proposal has been developed independently, without consultation, communication or agreement with any other contractor or parties for the purpose of restricting competition.
3. Unless otherwise required by law, the information found in the Proposal has not been and will not be knowingly disclosed, directly or indirectly prior to IEDA's issuance of the Notice of Intent to Award the contract.
4. No attempt has been made or will be made by Contractor to induce any other contractor to submit or not to submit a Proposal for the purpose of restricting competition.
5. No relationship exists or will exist during the contract period between Contractor and the IEDA or any other State agency that interferes with fair competition or constitutes a conflict of interest.

Certification Regarding Debarment

6. I certify that, to the best of my knowledge, neither Contractor nor any of its principals: (a) are presently or have been debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from covered transactions by a Federal Agency or State Agency; (b) have within a three year period preceding this Proposal been convicted of, or

had a civil judgment rendered against them for commission of fraud, a criminal offense in connection with obtaining, attempting to obtain, or performing a public (federal, state, or local) transaction or contract under a public transaction, violation of antitrust statutes; commission of embezzlement, theft, forgery, falsification or destruction of records, making false statements, or receiving stolen property; (c) are presently indicted for or criminally or civilly charged by a government entity (federal, state, or local) with the commission of any of the offenses enumerated in (b) of this certification; and (d) have not within a three year period preceding this Proposal had one or more public transactions (federal, state, or local) terminated for cause.

This certification is a material representation of fact upon which the IEDA has relied upon when this transaction was entered. If it is later determined that Contractor knowingly rendered an erroneous certification, in addition to other remedies available, the IEDA can pursue available remedies including suspension, debarment, or termination of the contract.

Certification Regarding Registration, Collection, and Remission of Sales and Use Tax

7. Pursuant to Iowa Code sections 423.2(10) and 423.5(8), a retailer in Iowa or a retailer maintaining a business in Iowa that enters a contract with a state agency must register, collect, and remit Iowa sales tax and Iowa use tax levied under Iowa Code chapter 423 on all sales of tangible personal property and enumerated services. The Act also requires Contractors to certify their compliance with sales tax registration, collection, and remission requirements and provides potential consequences if the certification is false or fraudulent.

By submitting a Proposal in response to the (RFP), the Contractor certifies the following: (check the applicable box)

- ☐ Contractor is registered with the Iowa Department of Revenue, collects, and remits Iowa sales and use taxes as required by Iowa Code Chapter 432; or
- ☐ Contractor is not a “retailer” or a “retailer maintaining a place of business in this state” as those terms are defined in Iowa Code subsections 423.1(42) and (43).

Contractor also acknowledges that the IEDA **can** declare the Contractor’s Proposal or resulting contract void if the above certification is false. The Contractor also understands that fraudulent certification may result in the IEDA or its representative filing for damages for breach of contract in addition to other remedies available to IEDA.

Sincerely,
