

ITB 24-047

**Dark Fiber Leased Telecommunications Service or Ethernet Service
at Selected Locations Throughout the State of Iowa**

Questions & Answers

Question 1) Is this Invitation to Bid for new fiber or for existing locations looking to renew?

Answer 1) These locations are not new – they are existing locations that ICN has had and the current agreements are expiring and need to be bid out.

Question 2) Respectfully requests an extension to the deadline, bringing the due date past the holidays.

Answer 2) ICN will extend the due date to Wednesday, January 8th time due will stay the same 3:00pm

Question 3) Not really a question but need to address validation on Dark Fiber Location Sheet. Cascade HS Connection Point.

Listed – Peosta Address indicates “10250 Sundown Road, Peosta:

Google shows Peosta address is “8342 NICC Drive, Peosta, IA 52068 - Please confirm.

Answer 3) Correct address is 8342 NICC Drive, Peosta, Iowa.

Question 4) The requested meet points per the spreadsheet are where ICN Connection Points are located, but if a Vendor can get to another alternative location can that be submitted?

Answer 4) Per the spreadsheet if a Vendor has another alternative location than what is listed, please use the spreadsheet and put your alternative connection place in the Alternate Connection Point (B) column.
