The Authority will either choose to award one contract for all scope of work & deliverables described in Section 2 or choose to award multiple contracts, whichever the Authority determines is in the best interests of the Authority. 5.3 Downloading the RFP from the Internet. The RFP and any addenda to the RFP will be posted in IMPACS. The Contractor is advised to check periodically for Addenda to this RFP, particularly if the Contractor downloaded the RFP from the Internet as the Contractor may not automatically receive addenda. It is the Contractor's sole responsibility to check as frequently as the Contractor deems prudent for addenda to posted documents.

5.4 Procurement Timetable. The dates provided in the procurement timetable on the RFP cover sheet are provided for informational and planning purposes. The Authority reserves the right to change the dates. If the Authority changes any of the deadlines for Contractor submissions, the Authority will issue an addendum to the RFP.

5.5 Questions, Requests for Clarification, and Suggested Changes. Contractors are invited to submit written questions and requests for clarifications regarding the RFP in IMPACS. The questions, requests for clarifications, or suggestions must be in writing and received by the Issuing Officer before the date and time listed on the RFP cover sheet. The Authority will provide written responses in IMPACS to questions, requests for clarifications, or suggestions will be received from Contractors on or before the date listed on the RFP cover sheet. The Authority's written responses will become an addendum to the RFP. If the Authority decides to adopt a suggestion that modifies the RFP, the Authority will issue an addendum to the RFP.

The Authority assumes no responsibility for oral representations made by its officers or employees unless such representations are confirmed in writing and incorporated into the RFP through an addendum.

5.6 Amendment to the RFP. The Authority reserves the right to amend the RFP at any time using an addendum. The Contractor shall acknowledge receipt of all addenda in its Proposal. If the Authority issues an addendum after the due date for receipt of Proposals, the Authority may, in its sole discretion, allow Contractors to amend their Proposals in response to the addendum.

The Authority must receive the Proposal as identified on the RFP cover sheet before the "Proposals Due" date listed on the RFP cover sheet. **This is a mandatory requirement and will not be waived by the Authority. Any Proposal received after this deadline will be rejected.** It is the Contractor's responsibility to ensure that the Proposal is received prior to the deadline. The Authority has no obligation to confirm receipt.

Contractors must furnish all information necessary to enable the Authority to evaluate the Proposal. Proposals that fail to meet the mandatory requirements of the RFP will be rejected. Oral information provided by the Contractor shall not be considered part of the Contractor's Proposal unless it is reduced to writing.

5.9 Proposal Opening. The Authority will open Proposals after the deadline for submission of Proposals has passed. The Proposals will remain confidential until the Evaluation Committee has reviewed all the Proposals submitted in response to this RFP and the Authority has issued a Notice of Intent to Award a Contract. See Iowa Code Section 72.3. However, the names of Contractors who submitted timely Proposals will be publicly available after the Proposal opening. The announcement of Contractors who timely submitted Proposals does not mean that an individual Proposal has been deemed technically compliant or accepted for evaluation.

5.10 Costs of Preparing the Proposal. The costs of preparation and delivery of the Proposal are solely the responsibility of the Contractor.

5.11 No commitment to Contract. The Authority reserves the right to reject any or all Proposals received in response to this RFP at any time prior to the execution of the Contract. Issuance of this RFP in no way constitutes a commitment by the Authority to award a contract.

5.12 Rejection of Proposals. The Authority may reject outright and not evaluate a Proposal for reasons including without limitation:

5.12.1 The Authority determines there is no longer a need to procure the services.

5.12.2 The Contractor fails to deliver the cost proposal as a separate document.

5.12.3 The Contractor acknowledges that a mandatory requirement of the RFP cannot be met.

5.12.4 The Contractor's Proposal changes a material requirement of the RFP or the Proposal is not compliant with the mandatory requirements of the RFP.

5.12.6 The Contractor fails to include information necessary to substantiate that it will be able to meet a requirement of the RFP.

5.12.7 The Contractor fails to timely respond to the Authority's request for information, documents, or references.

5.12.8 The Contractor fails to include any signature, certification, authorization, stipulation, disclosure or guarantee as described in Section 3 of this RFP.

5.12.9 The Contractor presents the information requested by this RFP in a format inconsistent with the instructions of the RFP or otherwise fails to comply with the requirements of this RFP.

5.12.10 The Contractor initiates unauthorized contact regarding the RFP with state employees.

5.12.11 The Contractor provides misleading or inaccurate responses.

5.12.12 The Contractor's Proposal is materially unbalanced.

5.12.13 There is insufficient evidence (including evidence submitted by the Contractor and evidence obtained by the Authority from other sources) to satisfy the Authority that the Contractor is a Responsive Contractor.

5.12.14 The Contractor alters the language in Attachment 1, Certification Letter or Attachment 2, Authorization to Release Information letter.

5.13 Nonmaterial Variances. The Authority reserves the right to waive or permit cure of nonmaterial variances in the Proposal if, in the judgment of the Authority, it is in the State's best interest to do so. Nonmaterial variances include but are not limited to: minor failures to comply that do not affect overall responsiveness, that are merely a matter of form or format, that do not change the relative standing or otherwise prejudice other Contractors, that do not change the meaning or scope of the RFP, or that do not reflect a material change in the requirements of the RFP. In the event the Authority waives or permits cure of nonmaterial variances, such waiver or cure will not modify the RFP requirements or excuse the Contractor from full compliance with RFP specifications or other Contract requirements if the Contractor is awarded the Contract. The determination of materiality is in the sole discretion of the Authority.

5.14 Reference Checks. The Authority reserves the right to contact any reference to assist in the evaluation of the Proposal, to verify information contained in the Proposal and to discuss the Contractor's qualifications and the qualifications of any subcontractor identified in the Proposal.

5.15 Information from Other Sources. The Authority reserves the right to obtain and consider information from other sources concerning a Contractor, such as the Contractor's capability and performance under other contracts, the qualifications of any subcontractor identified in the Proposal, the Contractor's financial stability, past or pending litigation, and other publicly available information.

5.16 Verification of Proposal Contents. The content of a Proposal submitted by a Contractor is subject to verification. If the Authority determines in its sole discretion that the content is in any way misleading or inaccurate, the Authority may reject the Proposal.

5.17 Proposal Clarification Process. The Authority reserves the right to contact a Contractor after the submission of Proposals to obtain clarification of a Proposal. This contact may include written questions, interviews, site visits, a review of past performance if the Contractor has provided services to the State or any other political subdivision wherever located, or requests for corrective pages in the Contractor's Proposal. The Authority will not consider information received from or through Contractor if the information materially alters the content of the Proposal or the type of services the Contractor is offering to the Authority. An individual authorized to legally bind the Contractor shall sign responses to any request for clarification. Responses shall be submitted

to the Authority within the time specified in the Authority's request. Failure to comply with requests for additional information may result in rejection of the Proposal.

5.18 Disposition of Proposals. All Proposals become the property of the State and shall not be returned to the Contractor. Once the Authority issues a Notice of Intent to Award the Contract, the contents of all Proposals will be in the public domain and be available for inspection by interested parties, except for information for which Contractor properly requests confidential treatment or according to exceptions provided in Iowa Code Chapter 22 or other applicable law.

5.19 Public Records and Requests for Confidential Treatment. The Authority will treat all information submitted by a Contractor as public records unless the Contractor properly requests that specific parts of the Proposal be treated as confidential at the time of submitting the Proposal AND the information is confidential under Iowa or other applicable law. The Authority's release of public records is governed by Iowa Code Chapter 22. Contractors are encouraged to familiarize themselves with Chapter 22 before submitting a Proposal. The Authority will copy and produce public records as required to comply with Chapter 22 or other applicable law.

Any request for confidential treatment of specific information must be included in the transmittal letter with the Contractor's Proposal. For **each** confidentiality request, the Contractor must (1) enumerate the specific grounds in Iowa Code chapter 22 or other applicable law that supports treatment of the material as confidential, (2) provides adequate justification as to why the material should be maintained in confidence, (3) explains why disclosure of the material would not be in the best interest of the public, and (4) sets forth the name, address, telephone, and e-mail for the person authorized by applicant to respond to inquiries by the Authority concerning the confidential status of such material. An applicant's request for confidentiality that does not comply with this section or an applicant's request for confidentiality on information or material that cannot be held in confidence as set forth herein are grounds for rejecting a Proposal as non-responsive.

Any Proposal submitted which contains information for which Contractor is requesting Confidential treatment must be conspicuously marked by the Contractor as containing confidential information, and each page upon which confidential information appears must be conspicuously marked as containing confidential information. Failure to properly identify specific information as confidential shall relieve the Authority or State personnel from any responsibility if confidential information is viewed by the public or a competitor, or is in any way released. If Contractor identifies its entire Proposal as confidential, the Authority will reject the Proposal as non-responsive.

If the Contractor designates any portion of its Proposal as confidential, the Contractor must submit a copy labeled as "Public Copy" from which the confidential information has been excised. This excised copy is in addition to the number of copies requested in Section 3 of this RFP. The confidential material must be excised in such a way as to allow the public to determine the general nature of the material removed and to retain as much of the Proposal as possible.

If the Authority receives a request for information that includes information Contractor has marked as confidential and the Authority intends to release such information, the Authority will give written notice to the Contractor at least seven calendar days prior to the release of the information to allow the Contractor to seek injunctive relief pursuant to Iowa Code Section 22.8. After seven calendar days, the Authority will release the information marked confidential unless a court of competent jurisdiction determines the information is confidential under Iowa Code Chapter 22 or other applicable law.

If Contractor fails to comply with the request process set forth herein, if Contractor's request for confidentiality is unreasonable, or if Contractor rescinds its request for confidential treatment, the Authority may release such information or material with or without providing advance notice to Contractor and with or without affording Contractor the opportunity to obtain an order restraining its release from a court possessing competent jurisdiction.

The Contractor's failure to request confidential treatment of material will be deemed a waiver of any right to confidentiality the Contractor may have had.

5.20 Copyright Permission. By submitting a Proposal, the Contractor agrees that the Authority can copy the Proposal for purposes of facilitating the evaluation of the Proposal or to respond to requests for public records. By submitting a Proposal, the Contractor consents to such copying and warrants that such copying will not violate the rights of any third party. The Authority shall have the right to use ideas or adaptations of ideas that are presented in Proposals.

5.21 Release of Claims. By submitting a Proposal, the Contractor agrees that it will not bring any claim or cause of action against the Authority based on any misunderstanding concerning the information provided in the RFP or concerning the IEDA's failure, negligent or otherwise, to provide the Contractor with pertinent information in this RFP.

5.22 Evaluation of Proposals Submitted. Proposals that are timely submitted and are not rejected will be reviewed in accordance with Section 4 of the RFP. The Authority will not necessarily award a contract resulting from this RFP to the Contractor offering the lowest cost. Instead, the Authority will award the Contract(s) to the Responsible Contractor(s) whose Responsive Proposal the Authority believes will provide the best value to the Authority and the State.

5.23 Award Notice and Acceptance Period. Notice of Intent to Award the Contract(s) will be sent to all Contractors submitting a timely Proposal and may be posted at the website shown on the RFP cover sheet. Negotiation and execution of the Contract(s) shall be completed no later than thirty (30) days from the date of the Notice of Intent to Award or such other time as designated by the Authority. If the successful Contractor fails to negotiate and deliver an executed Contract by that date, the Authority, in its sole discretion, may cancel the award and award the Contract to the remaining Contractor the Authority believes will provide the best value to the State.

5.24 No Contract Rights until Execution. No Contractor shall acquire any legal or equitable rights regarding the Contract unless and until the Contract has been fully executed by the successful Contractor and the Authority.

5.25 Choice of Law and Forum. This RFP and the Contract shall be governed by the laws of the State of Iowa. Changes in applicable laws and rules may affect the award process or the Contract. Contractors are responsible for ascertaining pertinent legal requirements and restrictions. Any and all litigation or actions commenced in connection with this RFP shall be brought in the appropriate Iowa forum.

5.26 Restrictions on Gifts and Activities. Iowa Code Chapter 68B restricts gifts which may be given or received by State employees and requires certain individuals to disclose information concerning their activities with State government. Contractors are responsible to determine the applicability of this Chapter 68B to their activities and to comply with its requirements. In addition, pursuant to Iowa Code section 722.1, it is a felony offense to bribe or attempt to bribe a public official.

5.27 Restrictions on Use of Moneys. Pursuant to Iowa Code section 19.2, as enacted by 2025 Iowa Acts, House File 856, the Authority shall not expend any moneys appropriated by the general assembly or any other moneys derived from bequests, charges, deposits, donations, endowments, fees, grants, gifts, income, receipts, tuition, or any other source to establish, sustain, support, or staff a diversity, equity, and inclusion office, or to contract, employ, engage, or hire an individual to serve as a diversity, equity, and inclusion officer. Contractor may be required to certify compliance with this restriction.

5.28 No Minimum Guaranteed. The Authority does not guarantee any minimum level of purchases under the Contract.

SECTION 6: CONTRACTUAL TERMS AND CONDITIONS

6.1 Contract Terms and Conditions. The Contract that the Authority expects to award as a result of this RFP shall comprise the specifications, terms and conditions of the RFP, written clarifications or changes made in accordance with the provisions of the RFP, the contract terms and conditions contained in the standard state of Iowa contract for services, the offer of the successful Contractor contained in its Proposal, and any other terms deemed necessary by the Authority. No objection or amendment by a Contractor to the provisions or terms and conditions of the RFP shall be incorporated into the Contract unless the Authority has explicitly accepted the Contractor's objection or amendment in writing. All costs associated with complying with these requirements shall be included in any pricing quoted by the Contractor.

By submitting a Proposal, each Contractor acknowledges its acceptance of the RFP specifications and the contract terms and conditions without change except as otherwise expressly stated in its Proposal. If a Contractor takes exception to a provision, it must state the reason for the exception and set forth in its Proposal the specific RFP or contract language it proposes to include in place of the provision. Exceptions that materially change the contract terms and conditions or the requirements of the RFP may be deemed non-responsive by the Authority, in its sole discretion, resulting in possible rejection of the Proposal. The Authority reserves the right to either award a Contract(s) without further negotiation with the successful Contractor or to negotiate Contract terms with the successful Contractor if the best interests of the State would be served.

6.2 Contract Length. The term of the Contract will begin and end on the dates indicated on the RFP cover sheet or as otherwise negotiated by the Authority and the selected contractor. The Authority shall have the sole option to renew the Contract upon the same or more favorable terms and conditions for up to the number of extensions identified on the RFP cover sheet. The Authority reserves the right to adjust begin and end dates if, in the judgment of the Authority, it is in the State's best interest to do so.

6.3 Insurance: The Authority reserves the right to require the winning Contractor(s) to secure professional liability coverage, general liability, standard liability business rider, personal injury, property damage coverage and any necessary workers' compensation and employer liability insurance, as required by Iowa law with no additional cost to the state beyond Contractor's original bid. The State of Iowa and the Authority shall be named as additional insureds or loss payees, or the Contractor shall obtain an endorsement to the same effect, as applicable. The Authority may require the winning vendor to provide a copy of the insurance certificate to the Authority.

6.4 Terms. The Authority shall use a services contract for services procured under this RFP. The Contractor shall be expected to execute that contract upon award of the contract. A template of a services contract is available upon request. The Authority reserves the right to diverge from the template as it deems appropriate.

6.5 Funding. All federal and state terms and conditions as applicable to the source of funds shall apply.

Re: Short-Form Video Content Creation and Creator Management Services

Dear Lisa Connell:

I certify that the contents of the Proposal submitted on behalf of [Name of Contractor] _____ (Contractor) in response to the Iowa Economic Development Authority (Authority) for Request for Proposal for Short-Form Video Content Creation and Creator Management Services are true and accurate. I also certify that Contractor has not knowingly made any false statements in its Proposal.

Certification of Independence

I certify that I am a representative of Contractor expressly authorized to make the following certifications on behalf of Contractor. By submitting a Proposal in response to the RFP, I certify in behalf of the Contractor the following:

1. The Proposal has been developed independently, without consultation, communication or agreement with any employee or consultant to the Authority or with any person serving as a member of the evaluation committee.
2. The Proposal has been developed independently, without consultation, communication or agreement with any other contractor or parties for the purpose of restricting competition.
3. Unless otherwise required by law, the information found in the Proposal has not been and will not be knowingly disclosed, directly or indirectly prior to IEDA's issuance of the Notice of Intent to Award the contract.
4. No attempt has been made or will be made by Contractor to induce any other contractor to submit or not to submit a Proposal for the purpose of restricting competition.
5. No relationship exists or will exist during the contract period between Contractor and the Authority or any other State agency that interferes with fair competition or constitutes a conflict of interest.

Certification Regarding Debarment

6. I certify that, to the best of my knowledge, neither Contractor nor any of its principals: (a) are presently or have been debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from covered transactions by a Federal Agency or State

Agency; (b) have within a three year period preceding this Proposal been convicted of, or had a civil judgment rendered against them for commission of fraud, a criminal offense in connection with obtaining, attempting to obtain, or performing a public (federal, state, or local) transaction or contract under a public transaction, violation of antitrust statutes; commission of embezzlement, theft, forgery, falsification or destruction of records, making false statements, or receiving stolen property; (c) are presently indicted for or criminally or civilly charged by a government entity (federal, state, or local) with the commission of any of the offenses enumerated in (b) of this certification; and (d) have not within a three year period preceding this Proposal had one or more public transactions (federal, state, or local) terminated for cause.

This certification is a material representation of fact upon which the Authority has relied upon when this transaction was entered. If it is later determined that Contractor knowingly rendered an erroneous certification, in addition to other remedies available, the Authority can pursue available remedies including suspension, debarment, or termination of the contract.

Certification Regarding Registration, Collection, and Remission of Sales and Use Tax

7. A retailer in Iowa or a retailer maintaining a business in Iowa that enters a contract with a state agency must register, collect, and remit Iowa sales tax and Iowa use tax levied under Iowa Code chapter 423 on all sales of tangible personal property and enumerated services, unless an exemption applies. The Act also requires Contractors to certify their compliance with sales tax registration, collection, and remission requirements and provides potential consequences if the certification is false or fraudulent.

By submitting a Proposal in response to the (RFP), the Contractor certifies the following: (check the applicable box)

- ☐ Contractor is registered with the Iowa Department of Revenue, collects, and remits Iowa sales and use taxes as required by Iowa Code Chapter 432; or
- ☐ Contractor is not a “retailer” or a “retailer maintaining a place of business in this state” as those terms are defined in Iowa Code subsections 423.1(47) and (48) or Contractor is exempt from collection of Iowa sales and use and can provide documentation of such exemption on request.

Contractor also acknowledges that the Authority **can** declare the Contractor’s Proposal or resulting contract void if the above certification is false. The Contractor also understands that fraudulent certification may result in the Authority or its representative filing for damages for breach of contract in addition to other remedies available to the Authority.

Sincerely,
