Any Contract(s) resulting from the RFB shall not be an exclusive Contract.

1.3 Request for Bid (RFB) Definitions

“DNR” means the Iowa Department of Natural Resources Agency identified in this solicitation that is issuing the RFB.

“Alternative Bid” means a response to a bid that does not meet the exact requirements of the specification but offers an alternative for consideration. An alternative bid is submitted with an intentional variation to a provision, specification, term or condition of the solicitation. This alternative, in the opinion of the bidder, achieves the same end result. Alternative bids may be rejected as non-responsive.

“Bid” means the Bidder’s bid submitted in response to the RFB.

“Bidder” means a Contractor or Vendor submitting a bid in response to this RFB.

“Contract” means the Contract(s) entered into with the successful Bidder(s).

“Responsible Bidder” means a Bidder that has the capability in all respects to perform the requirements of the Contract. In determining whether a Bidder is a Responsible Bidder, the DNR may consider various factors including, but not limited to, the Bidder’s competence and qualifications to provide the goods or services requested, the Bidder’s integrity and reliability, the past performance of the Bidder relative to the quality of the goods or services offered by the Bidder and the best interest of the DNR and the State.

“Responsive Bid” means a Bid that complies with each of the provisions of this RFB, or is either an alternative bid or a bid with an exception, if accepted by the DNR.

1.4 Contract Term

Contract Term The term of the Contract will begin upon approval by the Natural Resource Commission and a fully executed Contract. It’s anticipated that the DNR will submit recommendations to award the Contract(s) on April 12, 2018 to the Natural Resource Commission for approval.

1.5 Background Information

This RFB is designed to provide Bidders with the information necessary for the preparation of competitive Bids. The RFB process is for the DNR’s benefit and is intended to provide the DNR with competitive information to assist in the selection process. It is not intended to be comprehensive. Each Bidder is responsible for determining all factors necessary for submission of a comprehensive Bid.

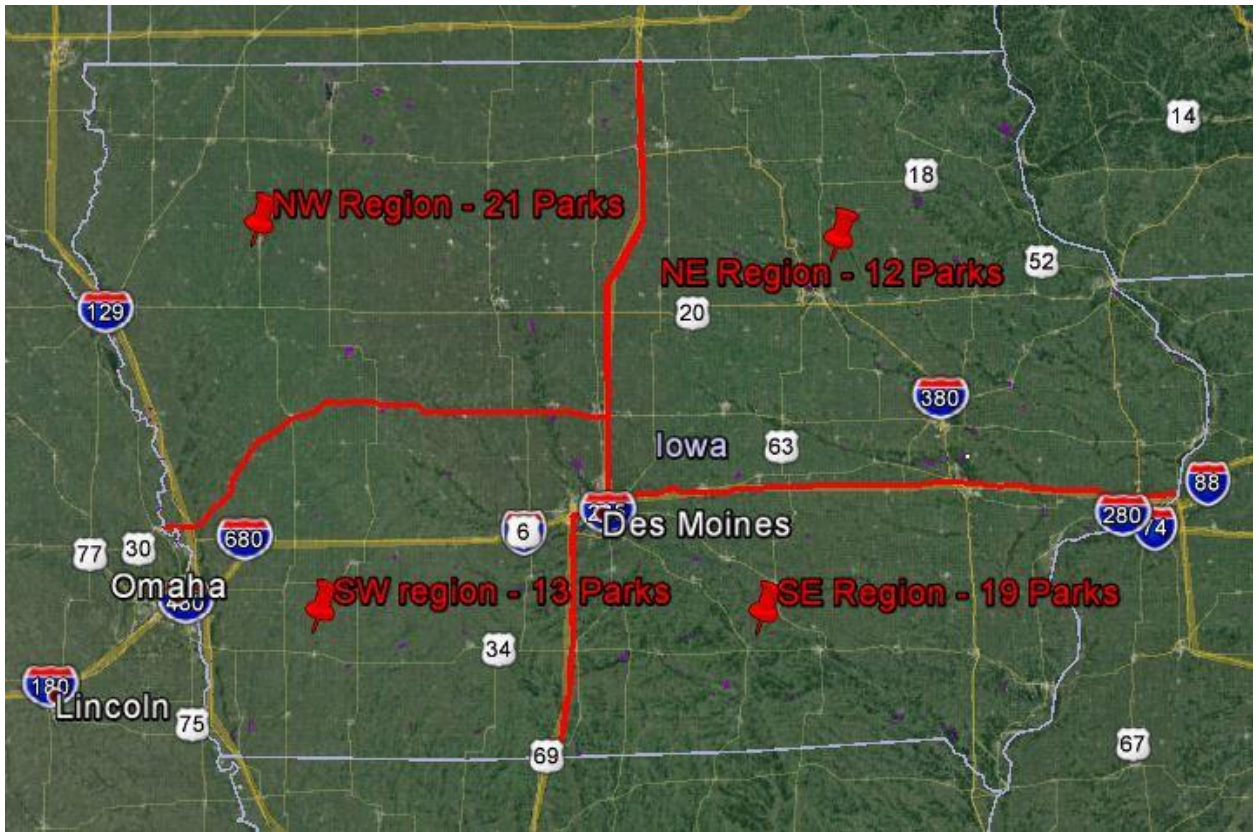

The DNR is seeking qualified Bidders to successfully repair asphalt and concrete roadways in state parks. On an annual basis the DNR plans to repair roadways at state parks depending on available funding. The DNR intends to award four (4) regional Contracts based on the Interstate 35 and Highway 30 intersects.

The DNR will issue a work order based on the regional contract for a specific state park that will include the scope of work, estimated cost, and a tentative time frame, including non-working days and times, to complete the work. The successful Bidder for the region with that specific state park will work with the DNR to finalize the work order including but not limited to the

timeline for completion. The successful Bidder will provide the DNR with a performance bond in the amount of the work order estimated cost prior to beginning work and no more than 15 days after the initial work order is released by the DNR.

The four (4) regions are divided up as follows including the estimated year for completion and estimated cost for completion of work orders. Qualified Bidders may bid on one (1) region or any combination up to all four (4) regions. All mobilization cost shall be included in the regions Contract cost. 2.8 Rejection of Bids

The DNR reserves the right to reject any or all Bids, in whole and in part, received in response to this RFB at any time prior to the execution of a written Contract. Issuance of this RFB in no way constitutes a commitment by the DNR to award a Contract. This RFB is designed to provide Bidders with the information necessary to prepare a competitive Bid. This RFB process is for the DNR's benefit and is intended to provide the DNR with competitive information to assist in the selection of a Bidder to provide goods and/or services. 2.10 Nonmaterial Variances

The DNR reserves the right to waive or permit cure of nonmaterial variances in the Bid if, in the judgment of the DNR, it is in the DNR's best interest to do so. Nonmaterial variances include minor informalities that do not affect responsiveness, that are merely a matter of form or format, that do not change the relative standing or otherwise prejudice other Bidders, that do not change the meaning or scope of the RFB, or that do not reflect a material change in the requirements of the RFB. In the event the DNR waives or permits cure of nonmaterial variances, such waiver or cure will not modify the RFB requirements or excuse the Bidder from full

compliance with RFB specifications or other Contract requirements if the Bidder is awarded the Contract. The determination of materiality is in the sole discretion of the DNR.

2.11 Reference Checks

The DNR reserves the right to contact any reference to assist in the evaluation of the Bid, to verify information contained in the Bid and to discuss the Bidder's qualifications and the qualifications of any subcontractor identified in the Bid.

The DNR will not consider information received if the information materially alters the content of the Bid or alters the type of goods and/or services the Bidder is offering to the DNR. An individual authorized to legally bind the Bidder shall sign responses to any request for clarification. Responses shall be submitted to the DNR within the time specified in the DNR's request. Failure to comply with requests for additional information may result in rejection of the Bid as non-compliant.

2.15 Disposition of Bids

All Bids become the property of the DNR and shall not be returned to the Bidder at the conclusion of the selection process, the contents of all Bids will be part of the public record and be available for inspection by interested parties except for information for which Bidder properly requests confidential treatment according to exceptions provided in *Iowa Code Chapter 22*, other applicable law below.

By submitting a Bid, the Bidder agrees that the DNR may copy the Bid for purposes of facilitating the evaluation of the Bid or to respond to requests for public records. The Bidder consents to such copying by submitting a Bid and warrants that such copying will not violate the rights of any third party. The DNR shall have the right to use ideas or adaptations of ideas that are presented in the Bids.

2.19 Bidder Presentations

At the sole discretion of the State, Bidders may be required to make a presentation of the Bid. The presentation may occur at the DNR's offices or at the offices of the Bidder. The determination as to need for presentations, the location, order, and schedule of the presentations is at the sole discretion of the DNR. The presentation may include slides, graphics and other media selected by the Bidder to illustrate the Bidder's Bid. The presentation shall not materially change the information contained in the Bid.

2.24 Award Notice and Acceptance Period

Notice of Intent to Award the Contract(s) will be sent to all Bidders submitting a timely Bid. 2.25 Definition of Contract

The full execution of a written Contract shall constitute the making of a Contract for services requested by the RFB and no Bidder shall acquire any legal or equitable rights relative to the Contract for services until the Contract has been fully executed by the successful Bidder and the DNR.
