## **Section 1 Background and Scope of Work**

### ***1.1 Background.***

The Department of Health and Human Services (the Agency) is seeking to procure services and programs to develop a Refugee Child Care Program in Black Hawk County, Buena Vista County, and Scott County. Iowa will be utilizing funding from the federal Child Care Development Fund (CCDF) as well as American Rescue Plan CCDF Supplemental Discretionary Funding.

This program supports Refugees in establishing self-sufficiency by establishing and operating a registered Child Development Home in the State of Iowa. Refugee families often need income from both parents for financial support and families with young children often seek child care that meets their unique cultural and language needs, creating a demand for child care services. Family child care can provide reliable income and allow Refugees to continue to provide care for their own children.

Refugees may not be familiar with rules, norms, and practices within the United States and the State of Iowa. The child care regulatory system can be complicated for Refugees seeking to create their own business, as well as understand the required rules and regulations to operating a child care business.

This program seeks an organization to provide Refugee participants with knowledge and skills in preparation for opening a child care business. Personalized guidance, professional development, and limited financial support will be necessary to build successful programs in the community.

### **2.13 Review of Bid Proposals.**

Only Bidders that meet the mandatory requirements and are not subject to disqualification will be considered for award of a contract.

#### **2.13.1 Mandatory Requirements.**

Bidders must meet these mandatory requirements or will be disqualified and not considered for award of a contract:

- The Issuing Officer must receive the Bid Proposal, and any amendments thereof, prior to or on the due date and time (See RFP Sections 2.8 and 2.9).
- The Bidder is not presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from receiving federal funding by any federal department or agency (See RFP Additional Certifications Attachment).
- The Bidder's Cost Proposal adheres to any pricing restrictions regarding the project budget or administrative costs (See RFP Section 3.3).

#### **2.13.2 Reasons Proposals May be Disqualified.**

Bidders are expected to follow the specifications set forth in this RFP. However, it is not the Agency's intent to disqualify Bid Proposals that suffer from correctible flaws. At the same time, it is important to maintain fairness to all Bidders in the procurement process. Therefore, the Agency reserves the discretion to permit cure of variances, waive variances, or disqualify Bid Proposals for reasons that include, but may not be limited to, the following:

- Bidder initiates unauthorized contact regarding this RFP with employees other than the Issuing Officer (See RFP Section 2.2);
- Bidder fails to comply with the RFP's formatting specifications so that the Bid Proposal cannot be fairly compared to other bids (See RFP Section 3.1);
- Bidder fails, in the Agency's opinion, to include the content required for the RFP;
- Bidder fails to be fully responsive in the Bidder's Approach to Meeting Deliverables Section, states an element of the Scope of Work cannot or will not be met, or does not include information necessary to substantiate that it will be able to meet the Scope of Work specifications (See RFP Section 3.2.3);
- Bidder's response materially changes Scope of Work specifications;
- Bidder fails to submit the RFP attachments containing all signatures (See RFP Section 3.2.6);
- Bidder marks entire Bid Proposal confidential, makes excessive claims for confidential treatment, or identifies pricing information in the Cost Proposal as confidential (See RFP Section 3.1);
- Bidder includes assumptions in its Bid Proposal (See RFP Section 2.7); or
- Bidder fails to respond to the Agency's request for clarifications, information, documents, or references that the Agency may make at any point in the RFP process.
- Bidder is a "scrutinized company" included on a "scrutinized company list" created by a public fund pursuant to Iowa Code §12J. This list is maintained by the Iowa Public Employees' Retirement System. The list is currently found here: <https://ipers.org/investments/restrictions>.

The determination of whether or not to disqualify a proposal and not consider it for award of a contract for any of these reasons, or to waive or permit cure of variances in Bid Proposals, is at the sole discretion of the Agency. No Bidder shall obtain any right by virtue of the Agency's election to not exercise that discretion. In the event the Agency waives or permits cure of variances, such waiver or cure will not modify the RFP specifications or excuse the Bidder from full compliance with RFP specifications or other contract requirements if the Bidder enters into a contract.

***2.14 Bid Proposal Clarification Process.***

The Agency may request clarifications from Bidders for the purpose of resolving ambiguities or questioning information presented in the Bid Proposals. Clarifications may occur throughout the Bid Proposal evaluation process. Clarification responses shall be in writing and shall address only the information requested. Responses shall be submitted to the Agency within the time stipulated at the occasion of the request.

Such other sources may include subject matter experts.

***2.18 Criminal History and Background Investigation.***

The Agency reserves the right to conduct criminal history and other background investigations of the Bidder's staff and subcontractors providing services under the resulting contract.

***2.19 Disposition of Bid Proposals.***

Opened Bid Proposals become the property of the Agency and will not be returned to the Bidder. Upon issuance of the Notice of Intent to Award, the contents of all Bid Proposals will be in the public domain and be open to inspection by interested parties subject to exceptions provided in Iowa Code chapter 22 or other applicable law.

***2.20 Public Records and Request for Confidential Treatment.***

Original information submitted by a Bidder may be treated as public information by the Agency following the conclusion of the selection process unless the Bidder properly requests that information be treated as confidential at the time of submitting the Bid Proposal. See the Bid Proposal Formatting Section for the proper method for making such requests. The Agency's release of information is governed by Iowa Code chapter 22. Bidders are encouraged to familiarize themselves with Chapter 22 before submitting a Bid Proposal. The Agency will copy public records as required to comply with public records laws.

The Bidder's failure to request confidential treatment of material pursuant to this section and the relevant law will be deemed, by the Agency and State personnel, as a waiver of any right to confidentiality that the Bidder may have had.

**2.21 Copyrights.**

By submitting a Bid Proposal, the Bidder agrees that the Agency may copy the Bid Proposal for purposes of facilitating the evaluation of the Bid Proposal or to respond to requests for public records. By submitting a Bid Proposal, the Bidder acknowledges that additional copies may be produced and distributed, and represents and warrants that such copying does not violate the rights of any third party. The Agency shall have the right to use ideas or adaptations of ideas that are presented in the Bid Proposals.

**2.22 Release of Claims.**

**2.23 Reserved. (Presentations)**

Notice of Intent to Award will be sent to all Bidders that submitted a Bid Proposal by the due date and time. The Notice of Intent to Award does not constitute the formation of a contract between the Agency and the apparent successful Bidder.

It is the Bidder's responsibility to ensure that the request for reconsideration is received prior to the deadline. Postmarking or submission to a shipping service by the due date shall not substitute for actual receipt of a request for reconsideration by the Agency.

The request for reconsideration shall clearly and fully identify all issues being contested by reference to the page and section number of the RFP. If a Bidder submitted multiple Bid Proposals and requests that the Agency reconsider a notice of disqualification or notice of intent to award decision for more than one Bid Proposal, a separate written request shall be submitted for each. At the Agency's discretion, requests for reconsideration from the same Bidder may be reviewed separately or combined into one response. The Agency will expeditiously address the request for reconsideration and issue a decision. The Bidder may choose to file an appeal with the Agency within five days of the date of the decision on reconsideration in accordance with 441 IAC 7.41 et seq.

**2.33 Bidder Continuing Disclosure Requirement.**

### ***3.2 Contents and Organization of Technical Proposal.***

This section describes the information that must be in the Technical Proposal. Bid Proposals should be organized into sections **in the same order provided here**. Hard copies of Bid Proposals should use tabs to separate each section. If a Bidder chooses to provide information in attachments to respond to any section below, please create a new tabbed attachment section immediately behind the applicable section. For example, to add attachments related to information asked for in Section 3.2.2 Information to Include Behind Tab 2: Bidder's Approach to Meeting Deliverables, the Bidder would create a new tab in the Technical Proposal that is called Tab 2 Attachments and place the attachment(s) there. The Bidder would follow suit by creating new tabbed sections for attachments created to respond to any other section below in their bid proposal.

#### **3.2.1 Information to Include Behind Tab 1: Proposal Table of Contents.**

The Bid Proposal must contain a table of contents.

#### **3.2.2 Information to Include Behind Tab 2: Bidder's Approach to Meeting Deliverables.**

The Bidder shall complete the **Technical Response Template (Attachment H)**. Completion and submission of this document, along with the rest of the Technical Proposal described in Section 3.2, is a requirement for a complete Proposal. Bidder shall address each Deliverable that the successful Contractor will perform as listed in the Technical Response Template (Attachment H), by detailing the Bidder's planned approach to meeting each Contractor Deliverable. Bid responses should provide sufficient detail so that the Agency can understand and evaluate the Bidder's approach, and should not merely repeat the Deliverable.

Bidders are given wide latitude in the degree of detail they offer or the extent to which they reveal plans, designs, examples, processes, and procedures. Bidders do not need to address any responsibilities that are specifically designated as Agency responsibilities.

#### **Note:**

- Bid Proposals shall identify any deviations from the specifications the Bidder cannot satisfy.
- Bid Proposals shall not contain promotional or display materials unless specifically required.
- Any tables or other exhibits referenced in the relevant Technical Proposal answer field should be included behind Tab 2 as a legible accurately referenced Attachment.
  - For example, the Background/Experience section of the Technical Proposal document requests 2 Tables of Organization as well as 3 Letters of Reference. Please include your 2 Tables of Organization, the 3 Letters of Reference, and any other exhibits required by the Technical Proposal as referenced Attachments in Tab 2 after your Technical Proposal.

If a Bidder proposes more than one method of meeting the RFP requirements, each method must be drafted and submitted as separate Bid Proposals. Each will be evaluated separately.

#### **3.2.3 Information to Include Behind Tab 3: RFP Forms.**

The forms listed below are attachments to this RFP. Fully complete and return these forms behind Tab 3:

- Release of Information Form
- Primary Bidder Detail & Certification Form
- Subcontractor Disclosure Form (one for each proposed subcontractor)
- Certification and Disclosure Regarding Lobbying

### ***3.3 Cost Proposal.***

#### **Pricing Restrictions.**

#### **Contract Budget.**

The Agency is limiting the funding that is available to each project county. Cost proposals for each county project may not exceed \$150,000 for the entire term of the Contract, including all contract extensions. It is intended that

the Contractor will seek community supports for continued funding of the project beyond the Contract expiration date, including any extensions.

**Content and Format.**

The Bidder shall provide the following information in the Cost Proposal:

The bidder's Cost Proposal shall be submitted using the Cost Proposal Template set forth in Attachment I of this RFP. See Attachment I for further instructions.

<b>Section 4 Evaluation Of Bid Proposals</b>
----------------------------------------------

**4.1 Introduction.**

**Important Note about Evaluation:** As described in Section 1.3 Scope of Work, Bidders may choose to bid on one or more project counties and are required to submit only one (1) Proposal. If bidding on more than one project county, Section 2 of each proposed project county will be evaluated and scored separately and independently.

**4.2 Evaluation Committee.**

The Agency intends to conduct a comprehensive, fair, and impartial evaluation of Bid Proposals received in response to this RFP. In making this determination, the Agency will be represented by an evaluation committee.

**4.3 Proposal Scoring and Evaluation Criteria.**

The evaluation committee will use the method described in this section to assist with initially determining the relative merits of each Bid Proposal.

**Scoring Guide.**

Points will be assigned to each evaluation component as follows, unless otherwise designated:

4	Bidder has agreed to comply with the requirements and provided a clear and compelling description of how each requirement would be met, with relevant supporting materials. Bidder's proposed approach frequently goes above and beyond the minimum requirements and indicates superior ability to serve the needs of the Agency.
3	Bidder has agreed to comply with the requirements and provided a good and complete description of how the requirements would be met. Response clearly demonstrates a high degree of ability to serve the needs of the Agency.
2	Bidder has agreed to comply with the requirements and provided an adequate description of how the requirements would be met. Response indicates adequate ability to serve the needs of the Agency.
1	Bidder has agreed to comply with the requirements and provided some details on how the requirements would be met. Response does not clearly indicate if all the needs of the Agency will be met.
0	Bidder has not addressed any of the requirements or has provided a response that is limited in scope, vague, or incomplete. Response did not provide a description of how the Agency's needs would be met.

**Technical Proposal Components.**

When Bid Proposals are evaluated, the total points for each component are comprised of the component's assigned weight multiplied by the score the Bid Proposal earns. Bid Proposal submissions shall be scored specifically by project county. Technical Proposal scores shall be comprised of Attachment H – Section 1 plus Attachment H – Section 2 designated project county. For each project county submission points for all

components of Attachment H, Sections 1 & 2, will be added together. The evaluation components, including maximum points that may be awarded, are as follows:

<b><u>Technical Proposal Components</u></b>	<b><u>Weight</u></b>	<b><u>Score (0-4)</u></b>	<b><u>Potential Maximum Points</u></b>
<b>ATTACHMENT H – SECTION 1</b>			
<b>Overview/Executive Summary</b> (Question 1)	10	-----	40
<b>Background/Experience</b> (Question 2)	10	-----	40
<b>ATTACHMENT H – SECTION 2 Designated Project County</b>			
<b>Professional Development Opportunities</b> (Section 1.3.1.1, Question 1)	10	-----	40
<b>Rules and Regulations</b> (Section 1.3.1.2, Question 2)	5	-----	20
<b>Technical Assistance and Support</b> (Section 1.3.1.3, Question 3)	15	-----	60
<b>Child Care Billing Assistance</b> (Section 1.3.1.4, Question 4)	10	-----	40
<b>Reporting and Data</b> (Section 1.3.1.5, Question 5)	5	-----	20
<b>Iowa Child Care Collaborative</b> (Section 1.3.1.6, Question 6)	6	-----	24
<b>Project Activities</b> (Section 1.3.1.7, Question 7)	8	-----	32

**Scoring of Cost Proposal Pricing.**

Cost Proposal pricing will be scored per project county based on a ratio of the lowest Cost Proposal versus the cost of each higher priced Bid Proposal. Under this formula, the lowest Cost Proposal receives all of the points assigned to pricing. A Cost Proposal twice as expensive as the lowest Cost Proposal would earn half of the available points. The formula is:

**Weighted Cost Score = (price of lowest Cost Proposal/price of each higher priced Cost Proposal) X (points assigned to pricing)**

**Total Points Assigned to Pricing: 50.**

**Total Points Possible for project county Technical and Cost Proposals: 366**

***4.4 Recommendation of the Evaluation Committee.***

The evaluation committee shall present a final ranking and recommendation(s) by project county to the Division Director for consideration. In making this recommendation, the committee is not bound by any scores or scoring system used to assist with initially determining the relative merits of each Bid Proposal. This recommendation may include, but is not limited to, the name of one or more Bidders recommended for selection or a recommendation that no Bidder be selected. The Division Director shall consider the committee's recommendation when making the final decision, but is not bound by the recommendation. Because the Agency intends to award one contract per project county, it is possible that Bidders submitting for multiple counties may not be awarded for all submitted project counties.

1. The Bid Proposal has been developed independently, without consultation, communication or agreement with any employee or consultant of the Agency who has worked on the development of this RFP, or with any person serving as a member of the evaluation committee;
2. The Bid Proposal has been developed independently, without consultation, communication or agreement with any other Bidder or parties for the purpose of restricting competition;
3. Unless otherwise required by law, the information in the Bid Proposal has not been knowingly disclosed by the Bidder and will not knowingly be disclosed prior to the award of the contract, directly or indirectly, to any other Bidder;
4. No attempt has been made or will be made by the Bidder to induce any other Bidder to submit or not to submit a Bid Proposal for the purpose of restricting competition;

6. The Bidder and any of the Bidder's proposed subcontractors have no other contractual relationships which would create an actual or perceived conflict of interest.

**2. CERTIFICATION REGARDING DEBARMENT, SUSPENSION, INELIGIBILITY AND VOLUNTARY EXCLUSION -- LOWER TIER COVERED TRANSACTIONS**

By signing and submitting this Bid Proposal, the Bidder is providing the certification set out below:

1. The certification in this clause is a material representation of fact upon which reliance was placed when this transaction was entered into. If it is later determined that the Bidder knowingly rendered an erroneous certification, in addition to other remedies available to the federal government the Agency or agency with which this transaction originated may pursue available remedies, including suspension and/or debarment.
2. The Bidder shall provide immediate written notice to the person to whom this Bid Proposal is submitted if at any time the Bidder learns that its certification was erroneous when submitted or had become erroneous by reason of changed circumstances.
3. The terms covered transaction, debarred, suspended, ineligible, lower tier covered transaction, participant, person, primary covered transaction, principle, proposal, and voluntarily excluded, as used in this clause, have the meaning set out in the Definitions and Coverage sections of rules implementing Executive Order 12549. You may contact the person to which this Proposal is submitted for assistance in obtaining a copy of those regulations.
4. The Bidder agrees by submitting this Proposal that, should the proposed covered transaction be entered into, it shall not knowingly enter into any lower tier covered transaction with a person who is proposed for debarment under 48 CFR part 9, subpart 9.4, debarred, suspended, declared ineligible, or voluntarily excluded from participation in this covered transaction, unless authorized by the Agency or agency with which this transaction originated.
5. The Bidder further agrees by submitting this Proposal that it will include this clause titled "Certification Regarding Debarment, Suspension, Ineligibility and Voluntary Exclusion--Lower Tier Covered Transaction," without modification, in all lower tier covered transactions and in all solicitations for lower tier covered transactions.

6. A participant in a covered transaction may rely upon a certification of a prospective participant in a lower tier covered transaction that it is not proposed for debarment under 48 CFR part 9, subpart 9.4, debarred, suspended, ineligible, or voluntarily excluded from covered transactions, unless it knows that the certification is erroneous. A participant may decide the method and frequency by which it determines the eligibility of its principals. A participant may, but is not required to, check the List of Parties Excluded from Federal Procurement and Nonprocurement Programs.
7. Nothing contained in the foregoing shall be construed to require establishment of a system of records in order to render in good faith the certification required by this clause. The knowledge and information of a participant is not required to exceed that which is normally possessed by a prudent person in the ordinary course of business dealings.
8. Except for transactions authorized under paragraph 4 of these instructions, if a participant in a covered transaction knowingly enters into a lower tier covered transaction with a person who is proposed for debarment under 48 CFR part 9, subpart 9.4, suspended, debarred, ineligible, or voluntarily excluded from participation in this transaction, in addition to other remedies available to the federal government, the Agency or agency with which this transaction originated may pursue available remedies, including suspension and/or debarment.
