1.3 OVERVIEW OF THE RFP PROCESS

The RFP process is for the IJB’s benefit and is intended to provide the IJB with competitive information to assist in the selection process. It is not intended to be comprehensive. Each Respondent is responsible for determining all factors necessary for submission of a comprehensive Proposal.

Respondent should review Attachment 3, Form 22 Request for Confidentiality, for more information if its Proposal contains confidential information. Any Proposal marked “Confidential” or “Proprietary” on every page may be disqualified.

Respondents will be required to submit their Proposals electronically via email to the Issuing Officer.

1.4 BACKGROUND INFORMATION

Early intervention and follow-up programs/graduated sanctions services are services to be provided to children adjudicated delinquent and children who have been referred to Juvenile Court Services for a delinquency violation or who have exhibited behaviors that put them at risk of a juvenile delinquency referral. The services are directed to enhance personal adjustment to help the children transition into productive adulthood and to prevent or reduce delinquent acts, out-of-home placement, and recidivism.

Juvenile Court Services (JCS) within the Eighth Judicial District is seeking one or more vendors to provide Transition to Adult and Aftercare services throughout JCS District 8. Aftercare services are for Youth that are transitioning from Qualified Residential Treatment Programs and State Training School or other out-of-home placements back into the community. The intent of this service is to reduce recidivism, help Youth maintain stable self-sufficiency, and engage families/caregivers in solution focused conversations for Youth under JCS District Eight counties of Appanoose, Davis, Des Moines, Henry, Jefferson, Keokuk, Lee (North & South), Louisa, Mahaska, Monroe, Poweshiek, Van Buren, Wapello, and Washington.

OTWH services have been provided in JCS District 8 since April 2024 through other funding sources. Slightly different than the previous years, the primary goal of the transition program is to aid two groups of Youth: those transitioning from out-of-home placement back into the community and those transitioning to adulthood.

Transition Specialists will assist youth transitioning from out-of-home placement by following the OTWH curriculum as outlined by Boys Town, which is approximately 12-14 months long. Services start 6 to 8 weeks prior to the Youth’s discharge from out of home placement. The overall goals are to help Youth sustain the gains they make, keep them at home and in school, and prevent a return to residential care. The curriculum requires approximately 55 hours of initial training of the Respondent followed by ongoing training as outlined by Boys Town. The Respondent will be expected to work closely with Boys Town on a regular basis. Approximately 10 youth will be referred to this program in its first fiscal year.

Youth transitioning to adulthood will be guided by the Transition Specialist as determined by the JCO. Services will include but not be limited to: obtaining legal identification documents, creating a resume, completing employment and housing applications, furthering educational opportunities, and identifying any available financial assistance resources. Transition to Adulthood Youth will meet with Transition Specialists no less than once every two weeks.

It is the Respondent's sole responsibility to check daily for addenda to posted documents.

2.4 PROCUREMENT TIMETABLE

The dates provided in the procurement timetable on the RFP cover sheet are provided for informational and planning purposes. The IJB reserves the right to change the dates. If the IJB changes any of the deadlines for Respondent submissions, the IJB will issue an addendum to the RFP.

2.5 QUESTIONS, REQUESTS FOR CLARIFICATION, AND SUGGESTED CHANGES

Respondents are invited to submit written questions and requests for clarifications regarding the RFP. The questions or requests for clarifications must be in writing and received by the Issuing Officer before the date and time listed on the RFP cover sheet. Oral questions will not be permitted. The IJB will post written responses to questions, requests for clarifications, or suggestions received from Respondents on or before the date listed on the RFP cover sheet to the website(s) referenced on the RFP cover sheet. The IJB's written responses will become an addendum to the RFP.

The IJB assumes no responsibility for oral representations made by its officers or employees unless such representations are confirmed in writing and incorporated into the RFP through an addendum.

2.6 AMENDMENT TO THE RFP

The IJB reserves the right to amend the RFP at any time using an addendum. The Respondent shall acknowledge receipt of all addenda in its Proposal. If the IJB issues an addendum after the due date for receipt of Proposals, the IJB may, in its sole discretion, allow Respondents to amend their Proposals in response to the addendum.

2.7 AMENDMENT AND WITHDRAWAL OF PROPOSAL

The Respondent may amend or withdraw and resubmit its Proposal at any time before the Proposals are due. The amendment must be in writing. Electronic mail is acceptable. Electronic mail is acceptable for notice of withdrawal.

2.8 SUBMISSION OF PROPOSALS

Each Respondent is responsible for submitting its Proposal at the Issuing Officer's email address identified on the RFP cover sheet before the "Proposals Due" date and time listed on the RFP cover sheet, unless such date and time is extended by the IJB, at its sole discretion, through the issuance of an addendum to this RFP. **This is a mandatory requirement and will not be waived by the Agency. Any Proposal received after this deadline will be rejected and the IJB will notify the Respondent.** It is the Respondent's responsibility to ensure that the Proposal is received by the Issuing Officer prior to the deadline. Late proposals, regardless of cause, will not be opened or considered for evaluation, and will be disqualified from further consideration. It is the Respondent's sole responsibility to ensure delivery at the stated location and time.

Respondents must furnish all information necessary to enable the IJB to evaluate the Proposal. Oral information provided by the Respondent shall not be considered part of the Respondent's Proposal unless it is reduced to writing.

2.9 PROPOSAL OPENING

The IJB will open Proposals after the deadline for submission of Proposals has passed. The Proposals will remain confidential until the Evaluation Committee has reviewed all of the Proposals submitted in response to this RFP and the IJB has issued a Notice of Intent to Award a Contract. See Iowa Code Section 72.3. However, the names of Respondents who submitted timely Proposals will be publicly available after the Proposal opening. The announcement of Respondents who timely submitted Proposals does not mean that an individual Proposal has been deemed technically compliant or accepted for evaluation.

2.10 COSTS OF PREPARING THE PROPOSAL

The costs of preparation and delivery of the Proposal are solely the responsibility of the Respondent.

2.11 NO COMMITMENT TO CONTRACT

The IJB reserves the right to reject any or all Proposals received in response to this RFP at any time prior to the execution of the Contract. Issuance of this RFP in no way constitutes a commitment by the IJB to award a Contract.

2.12 REJECTION OF PROPOSALS

The IJB may reject outright and not evaluate a Proposal for reasons including without limitation:

- A. The Respondent fails to email the cost proposal in a separate attachment.
- B. The Respondent acknowledges that a mandatory specification of the RFP cannot be met.

- D. The Respondent's Proposal limits the rights of the IJB.
- E. The Respondent fails to include information necessary to substantiate that it will be able to meet a specification of the RFP as provided in Section 3 of this RFP.
- F. The Respondent fails to timely respond to the IJB's request for information, documents, or references.
- G. The Respondent fails to include Proposal Security, if required.
- H. The Respondent fails to include any signature, certification, authorization, stipulation, disclosure or guarantee as provided in Section 3 of this RFP.
- I. The Respondent presents the information requested by this RFP in a format inconsistent with the instructions of the RFP or otherwise fails to comply with the specifications of this RFP.
- J. The Respondent initiates unauthorized contact regarding the RFP with state employees.
- K. The Respondent provides misleading or inaccurate responses.
- L. The Respondent's Proposal is materially unbalanced.
- M. There is insufficient evidence (including evidence submitted by the Respondent and evidence obtained by the IJB from other sources) to satisfy the IJB that the Respondent is a Responsive Respondent.
- N. The Respondent alters the language in Attachment 1: Certification Letter or Attachment 2: Authorization to Release Information letter.

2.13 NONMATERIAL VARIANCES

The IJB reserves the right to waive or permit cure of nonmaterial variances in the Proposal if, in the judgment of the IJB, it is in the State's best interest to do so. Nonmaterial variances include but are not limited to: minor failures to comply that do not affect overall responsiveness, that are merely a matter of form or format, that do not change the relative standing or otherwise prejudice other Respondents, that do not change the meaning or scope of the RFP, or that do not reflect a material change in the specifications of the RFP. In the event the IJB waives or permits cure of nonmaterial variances, such waiver or cure will not modify the RFP specifications or excuse the Respondent from full compliance with RFP specifications or other Contract specifications if the Respondent is awarded the Contract. The determination of materiality is in the sole discretion of the IJB.

2.14 REFERENCE CHECKS

The IJB reserves the right to contact any reference to assist in the evaluation of the Proposal, to verify information contained in the Proposal and to discuss the Respondent's qualifications and the qualifications of any subcontractor identified in the Proposal.

2.15 INFORMATION FROM OTHER SOURCES

The IJB reserves the right to obtain and consider information from other sources concerning a Respondent, such as the Respondent's capability and performance under other Contracts, the qualifications of any subcontractor identified in the Proposal, the Respondent's financial stability, past or pending litigation, and other publicly available information.

2.16 VERIFICATION OF PROPOSAL CONTENTS

The content of a Proposal submitted by a Respondent is subject to verification. If the IJB determines in its sole discretion that the content is in any way misleading or inaccurate, the IJB may reject the Proposal.

2.17 PROPOSAL CLARIFICATION PROCESS

The IJB reserves the right to contact a Respondent after the submission of Proposals for the purpose of clarifying a Proposal. This contact may include written questions, interviews, site visits, a review of past performance if the Respondent has provided goods and/or services to the State or any other political subdivision wherever located, or requests for corrective pages in the Respondent's Proposal. The IJB will not consider information received from or through Respondent if the information materially alters the content of the Proposal or the type of goods and/or services the Respondent is offering to the IJB. An individual authorized to legally bind the Respondent shall sign responses to any request for clarification. Responses shall be submitted to the IJB within the time specified in the IJB's request. Failure to comply with requests for additional information may result in rejection of the Proposal.

2.18 DISPOSITION OF PROPOSALS

All Proposals become the property of the State and shall not be returned to the Respondent. Once the IJB issues a Notice of Intent to Award the Contract, the contents of all Proposals will be in the public domain and be available for inspection by interested parties, except for information for which Respondent properly requests confidential treatment or according to exceptions provided in Iowa Code Chapter 22 or other applicable law.

2.19 PUBLIC RECORDS AND REQUESTS FOR CONFIDENTIAL TREATMENT

The IJB's release of public records is governed by Iowa Code chapter 22. Respondents are encouraged to familiarize themselves with Chapter 22 before submitting a Proposal. The IJB will produce public records upon request as required to comply with Chapter 22 and will treat all information submitted by a Respondent as non-confidential records unless Respondent requests

specific parts of the Proposal be treated as confidential at the time of the submission as set forth herein **AND the information is confidential under Iowa or other applicable law.**

2.19.1 Form 22 Request for Confidentiality

Form 22 must be completed and included with respondent's proposal. Completion and submittal of form 22 is required whether the proposal does or does not contain information for which confidential treatment will be requested. Failure to submit a completed form 22 will result in the proposal being considered non-responsive and not evaluated.

2.19.2 Confidential Treatment Is Not Requested

A Respondent not requesting confidential treatment of information contained in its Proposal shall complete Section I of Form 22 and submit Form 22 with the Proposal.

2.19.3 Confidential Treatment of Information is Requested

A Respondent requesting confidential treatment of specific information shall perform *all* the following:

- A. Complete Section II of Form 22,
- B. Include the word "CONFIDENTIAL" in file name of its Proposal containing confidential information,
- C. Mark each page upon which the Respondent believes confidential information appears and clearly identify each item for which confidential treatment is requested; *marking a page in the page margin is not sufficient identification*, and
- D. Submit a "Public Copy" from which the confidential information has been excised.

Form 22 will not be considered fully complete unless, for each confidentiality request, the Respondent:

- A. Enumerates the specific grounds in Iowa Code chapter 22 or other applicable law that supports treatment of the material as confidential,
- B. Justifies why the material should be maintained in confidence,
- C. Explains why disclosure of the material would not be in the best interest of the public, and
- D. Sets forth the name, address, telephone, and email for the person authorized by Respondent to respond to inquiries by the IJB concerning the confidential status of such material.

The confidential material in the Public Copy must be excised in such a way as to allow the public to determine the general nature of the material removed and to retain as much of the Proposal as possible.

Failure to request information be treated as confidential as specified herein shall relieve the IJB and State personnel from any responsibility for maintaining the information in confidence. Respondents may not request confidential treatment with respect to pricing information and transmittal letters. A Respondent's request for confidentiality that does not comply with this section or a Respondent's request for confidentiality on information or material that cannot be held in confidence as set forth herein are grounds for rejecting Respondent's Proposal as non-responsive. Requests to maintain an entire Proposal as confidential will be rejected as non-responsive.

If the IJB receives a request for information that Respondent has marked as confidential and if a judicial or administrative proceeding is initiated to compel the release of such material, Respondent shall, at its sole expense, appear in such action and defend its request for confidentiality. If Respondent fails to do so, the IJB may release the information or material with or without providing advance notice to Respondent and with or without affording Respondent the opportunity to obtain an order restraining its release from a court possessing competent jurisdiction. Additionally, if Respondent fails to comply with the request process set forth herein, if Respondent's request for confidentiality is unreasonable, or if Respondent rescinds its request for confidential treatment, the IJB may release such information or material with or without providing advance notice to Respondent and with or without affording Respondent the opportunity to obtain an order restraining its release from a court possessing competent jurisdiction.

2.20 COPYRIGHT PERMISSION

By submitting a Proposal, the Respondent agrees that the IJB may distribute the Proposal for purposes of facilitating the evaluation of the Proposal or to respond to requests for public records. By submitting a Proposal, the Respondent consents to such distribution and warrants that such distribution will not violate the rights of any third party. The IJB shall have the right to use ideas or adaptations of ideas that are presented in Proposals.

2.21 RELEASE OF CLAIMS

By submitting a Proposal, the Respondent agrees that: (a) the IJB and the State shall not be liable to any extent for any information, facts or data (or the completeness or accuracy thereof) provided in the RFP or for any information, facts or data that may be omitted from the RFP, regardless of whether such inaccurate, incomplete or omitted information or data would be considered material or relevant to a Respondent for purposes of making an informed decision to either submitting a proposal or entering into a Contract if awarded to a successful Respondent; and (b) it will not bring any claim or cause of action against the IJB or the State based on any misunderstanding concerning the information provided in the RFP or concerning the IJB's or the State's failure, negligent or otherwise, to provide the Respondent with complete, pertinent, or accurate information in this RFP or for any failure to provide information that any Respondent might consider relevant for purposes of making a decision to submit a proposal or to enter into any Contract resulting from this RFP.

2.22 EVALUATION OF PROPOSALS SUBMITTED

The submission of a Proposal shall be deemed a representation and warranty by the Respondent that it:

- A. is a sophisticated party possessing sufficient knowledge and expertise concerning the subject matter of this RFP;
- B. is able to fully and independently evaluate the advisability of submitting a proposal and in assuming and performing all duties, liabilities, and obligations described in or contemplated by this RFP;
- C. has conducted its own independent gathering, review, and investigation of all information, facts, and data necessary for purposes of making an informed decision whether to submit

a proposal and to assume and perform all duties, liabilities, and obligations described herein, without relying on any specific facts, information or representations of any kind made or provided by or on behalf of the IJB, including any information presented in this RFP; and

- D. has investigated all aspects of the RFP, and it is aware of the applicable facts of the RFP process and its procedures and requirements, and it has read and understands the RFP.

No request for modification of the provisions of the Proposal shall be considered after its submission on the grounds the Respondent was not fully informed as to any fact or condition. Statistical information that may be contained in the RFP or any addendum is for informational purposes only. The IJB disclaims any responsibility for any information or facts that may subsequently be determined to be incomplete or inaccurate. The IJB does not represent or warrant the accuracy or completeness of any such information, and the IJB shall not be liable for any errors or omissions, or the results of errors or omissions, which may be discovered, at any time, to exist in RFP, including any appendices, attachments or amendments thereto.

Proposals that are timely submitted and are not rejected will be reviewed in accordance with Section 5 of the RFP. The IJB will not necessarily award a Contract resulting from this RFP to the Respondent offering the lowest cost. Instead, the IJB will award the Contract(s) to the Responsible Respondent(s) whose Responsive Proposal the IJB believes will provide the best value to the IJB and the State.

2.23 AWARD NOTICE AND ACCEPTANCE PERIOD

Notice of Intent to Award the Contract(s) will be sent to all Respondents submitting a timely Proposal and may be posted at the website shown on the RFP cover sheet. Negotiation and execution of the Contract(s) shall be completed no later than thirty (30) days from the date of the Notice of Intent to Award or such other time as designated by or acceptable to the IJB. If the successful Respondent fails to negotiate and deliver an executed Contract by that date, the IJB, in its sole discretion, may cancel the award and award the Contract to the remaining Respondent the IJB believes will provide the best value to the State.

2.24 NO CONTRACT RIGHTS UNTIL EXECUTION

No Respondent shall acquire any legal or equitable rights regarding the Contract unless and until the Contract has been fully executed by the successful Respondent and the IJB.

2.25 CHOICE OF LAW AND FORUM

This RFP and the Contract shall be governed by the laws of the State of Iowa. Changes in applicable laws and rules may affect the award process or the Contract. Respondents are responsible for ascertaining pertinent legal requirements and restrictions. Any and all litigation or actions commenced by any party in connection with this RFP or any contract shall only be brought in the appropriate Iowa forum.

2.26 RESTRICTIONS ON GIFTS AND ACTIVITIES

Iowa Code Chapter 68B restricts gifts which may be given or received by State employees and requires certain individuals to disclose information concerning their activities with State government. Respondents are responsible for determining the applicability of this Chapter 68B to their activities and to comply with its requirements. In addition, pursuant to Iowa Code section 722.1, it is a felony offense to bribe or attempt to bribe a public official.

2.27 NO MINIMUM GUARANTEED

The IJB does not guarantee any minimum level of purchases under the Contract.

2.28 APPEALS

If appealed, the state court administrator shall consider the evaluation committee's recommendation when making the final decision, but the state court administrator is not bound by the recommendation. The state court administrator may either accept or reject the recommended Respondent, or accept the Proposal of another Respondent, or elect not to select any Respondent. Appeals of the Notice of Intent to Award need to be received in the office of the state court administrator within 5 calendar days following the posting of the Notice of Intent to Award a contract.

5 EVALUATION AND SELECTION

5.1 INTRODUCTION

This section describes the evaluation process that will be used to determine which Proposal(s) provides the greatest value to the IJB. The IJB will not necessarily award the Contract to the Respondent offering the lowest cost to the IJB. Instead, the IJB will award to the Respondent whose Responsive Proposal the IJB believes will provide the best value to the State.

5.2 EVALUATION COMMITTEE

The IJB will evaluate Proposals received in response to this RFP. The IJB will use an evaluation committee to review and evaluate the Proposals. The evaluation committee will recommend an award based on the results of their evaluation to the IJB or to such other person or entity who must approve the recommendation.

The IJB's Evaluation Committee, or a subset of the Evaluation Committee, will initially review and evaluate each proposal received to determine the Respondent's ability to meet the RFP requirements.

The IJB may request additional information or clarification of proposals and hereby reserves the right to select the particular response to this RFP that it believes will best serve its business and operational requirements, considering the evaluation criteria set forth below.

The IJB reserves the right to cancel this RFP at any time or reject any or all proposals received as a result of this RFP if it is in the best interest of the IJB.

5.3 TECHNICAL PROPOSAL EVALUATION AND SCORING

All Technical Proposals will be evaluated to determine if they comply with the Mandatory Specifications.

5.3.1 **Technical Proposal Specifications Scoring Guide.**

Points will be assigned to each specification as follows, unless otherwise designated:

4	Bidder has agreed to comply with the requirements and provided a clear and compelling description of how each requirement would be met, with relevant supporting materials. Bidder's proposed approach frequently goes above and beyond the minimum requirements and indicates superior ability to serve the needs of the Agency.
3	Bidder has agreed to comply with the requirements and provided a good and complete description of how the requirements would be met. Response clearly demonstrates a high degree of ability to serve the needs of the Agency.
2	Bidder has agreed to comply with the requirements and provided an adequate description of how the requirements would be met. Response indicates adequate ability to serve the needs of the Agency.

1	Bidder has agreed to comply with the requirements and provided some details on how the requirements would be met. Response does not clearly indicate if all the needs of the Agency will be met.
0	Bidder has not addressed any of the requirements or has provided a response that is limited in scope, vague, or incomplete. Response did not provide a description of how the Agency's needs would be met.

5.4 COST PROPOSAL SCORING

The Cost Proposal file(s) will remain unopened during the evaluation of the Technical Proposals and any Contractor presentations. After the Technical Proposals are evaluated and scored, the Cost Proposals will be opened and scored. Cost Proposal pricing will be scored based on a ratio of the lowest cost proposal versus the cost of each higher priced Contractor Proposal. Under this formula, the lowest Cost Proposal will receive all of the points assigned to pricing. A Cost Proposal twice as expensive as the lowest Cost Proposal will earn half of the available points. Percentages and points will be rounded to the nearest whole value. The formula is:

Weighted Cost Score = (price of lowest Cost Proposal/price of each higher priced Cost Proposal) X (points assigned to pricing)

Example:

Contractor A quotes \$35,000; Contractor B quotes \$45,000 and Contractor C quotes \$65,000.

Contractor A: \$35,000 = receives 100% of available points for cost.

\$35,000

Contractor B: \$35,000 = receives 78% of available points for cost.

\$45,000

Contractor C: \$35,000 = receives 54% of available points for cost.

\$65,000

Total Points Assigned to Cost: 500

5.5 TOTAL SCORES

Each Contractor's Technical Proposal points will be added to its Cost Proposal points to obtain the total points awarded for the Contractor's Proposal.

5.6 TIED SCORE AND PREFERENCES

- 5.6.1 An award shall be determined by a drawing when responses are received that are equal in all respects and tied in price. Whenever it is practical to do so, the drawing will be held in the presence of the Respondents who are tied in price. Otherwise the drawing will be made in front of at least three non-interested parties. All drawings shall be documented.
- 5.6.2 Notwithstanding the foregoing, if a tied score involves an Iowa-based Respondent or products produced within the State of Iowa and a Respondent based or products produced outside the State of Iowa, the Iowa Respondent will receive preference. If a tied score involves one or more Iowa Respondents and one or more Respondents outside the state of Iowa, a drawing will be held among the Iowa Respondents only.
- 5.6.3 In the event of a tied score between Iowa Respondents, the Agency shall contact the Iowa Employer Support of the Guard and Reserve (ESGR) committee for confirmation and verification as to whether the Respondents have complied with ESGR standards. Preference, in the case of a tied score, shall be given to Iowa Respondents complying with ESGR standards.
- 5.6.4 Second preference in tied scores will be given to Respondents based in the United States or products produced in the United States over Respondents based or products produced outside the United States.
- 5.6.5 Preferences required by applicable statute or rule shall also be applied, where appropriate.

6 CONTRACTUAL TERMS AND CONDITIONS

6.1 CONTRACT TERMS AND CONDITIONS

Any Contract(s) resulting from this RFP between the IJB and any Respondent(s) selected by the IJB shall be a combination of the specifications, terms and conditions referenced in this RFP, including without limitation, the General Terms for Juvenile Court Services (the "General Terms") located on the website linked on the RFP Cover Page (with such modifications thereto as the IJB determines to be necessary or desirable), the offer of the Respondent contained in the Respondent's proposal (excluding any exceptions taken by Respondent in accordance with this Section 6 that are not accepted by the IJB specifically in writing and contained in an executed Contract), written clarifications or changes made by the IJB through an amendment to the RFP in accordance with the provisions of this RFP, and any other terms deemed necessary by the IJB. The Contract terms and conditions in Section 6 and the General Terms will be incorporated into and become part of the Contract. The IJB reserves the right to supplement and modify any of the foregoing terms and conditions prior to the execution of any Contract.

The IJB reserves the right to either award a Contract without further negotiation with any successful Respondent(s) or to negotiate Contract terms with any selected Respondent(s) if the best interests of the IJB would be served. No exception or proposed amendment by a Respondent to the provisions or terms and conditions of this RFP, including the General Terms, shall be incorporated into any resulting Contract unless the IJB has explicitly accepted the Respondent's exception or amendment in writing in the resulting Contract.

All costs associated with complying with such terms and conditions should be included in any pricing quoted by Respondent.

By submitting a proposal, each Respondent acknowledges its complete acceptance of the terms, conditions, and specifications contained in this RFP, including the General Terms, without change except as otherwise expressly stated in its Proposal.

If a Respondent takes exception to any terms, conditions, specifications or other provisions of this RFP (including those set forth in the General Terms), it must state the reason for the exception and set forth in its proposal the specific Contract language it proposes to substitute in place of the excepted provision(s).

If a Respondent takes exception to any term, condition, or provisions contained in the General Terms, the Respondent must produce a redlined draft of such terms, conditions, or provisions, and such redlined draft must clearly reflect all of Respondent's exceptions thereto and all alternative language or other changes that Respondent specifically proposes to make.

Exceptions and/or proposed changes that materially change the terms, conditions, specifications, or provisions of the RFP (including those in the General Terms) may be deemed non-responsive by the IJB, as determined in its sole discretion, resulting in possible disqualification of the Respondent's proposal.

A Respondent's failure to state an exception to any term, condition, requirement or other provision of this RFP (including those contained in the General Terms) and propose alternative language in accordance with this Section 6.1 may be conclusively deemed by the IJB to constitute Respondent's acceptance thereof.

Any term, condition, provision, or requirement to which a Respondent fails to take exception and propose changes and/or alternative language in accordance with this Section 6.1 will not be subject to negotiation.

A Respondent may not take exception to any of the provisions or terms contained in this RFP or the General Terms.

A Respondent may not state that it takes exception to any of the terms, conditions, requirements, or other provisions of the RFP (including those contained in the General Terms) to the extent any of the foregoing conflict with any terms or conditions contained in the Respondent's standard form contracts. If a Respondent submits its own terms and conditions or otherwise fails to follow the process described herein, the IJB may reject the Respondent's Proposal, at its sole discretion.

The IJB reserves the right to refuse to enter into a Contract with the successful Respondent for any reason, even after delivery of notice of selection or intent to award or negotiate a contract. The IJB further reserves the right to negotiate contract terms with the successful Respondent if the best interests of the IJB or the State would be served.

The IJB will evaluate all Proposals without regard to any proposed modifications to any terms and conditions of the RFP or the General Terms. Once a Proposal has been identified as the one for which an Award recommendation has been made, but prior to notifying Respondents of the decision, the IJB, in its sole discretion, may consider any modifications to the terms and conditions of the RFP or the General Terms proposed by a Respondent in that Proposal. The IJB reserves the right to either award a Contract(s) without further negotiation with the successful Respondent or to negotiate Contract terms with the successful Respondent if the best interests of the IJB or the State would be served. As such, if any proposed modifications are not determined to be in the best interests of the IJB or the State, or appear to pose a substantial impediment to reaching agreement, the IJB may, in its sole discretion:

1. Issue a Notice of Intent to Award in favor of the successful Respondent, but decline to agree to or further negotiate any modifications to terms and conditions proposed by Respondent in its Proposal;
2. Issue a Notice of Intent to Award in favor of the successful Respondent, and may identify in the Notice any modifications to terms and conditions proposed by Respondent in its Proposal with which the IJB will or will not agree or further negotiate;
3. Enter open-ended negotiations with the successful Respondent; provided, that any such negotiations shall be limited to the modifications to terms and conditions proposed by Respondent in its Proposal;
4. Change the IJB's recommendation for Award and issue a Notice of Intent to Award to a Respondent whose proposal does not pose as great of a challenge to the IJB.

Any ambiguity, vagueness, inconsistency or conflict, either internal to such modification(s) or arising when read in conjunction with other portions of the Contract, shall be construed strictly in favor of the State. Only those proposed modifications identified in the Notice of Intent to Award

issued by the IJB as terms and conditions with which the IJB will agree, or ultimately agrees to after further negotiations, shall be part of the Contract. The State may ignore all modifications or exceptions proposed by a Respondent, accept one or more and ignore others, accept all or, through negotiations after an award, agree to compromise language concerning one or more proposed modifications to be incorporated into a final Contract between the parties. By executing and submitting its Proposal in response to this RFP, Respondent understands and agrees that the State may exercise its discretion not to consider any or all proposed modifications or exceptions Respondent may request and may accept Respondent's proposal under the terms and conditions contained in this RFP and the General Terms.

6.2 TERM LENGTH

The Contract shall have an initial term of one (1) year, beginning on the later date of Contract execution or the anticipated start date for the initial term specified on the RFP Cover Page. At the end of the Contract's initial term, the IJB shall have the option, in its sole discretion, to renew the Contract on the same terms and conditions for up to a total of five (5) additional one-year terms. The resulting Contract may be terminated in accordance with its terms. The IJB may not agree to penalties for termination in any of the above-described scenarios.
