NOTICE OF INTENT TO AWARD

The State of Iowa hereby gives Notice of Intent to Award to Amperage, LLC, LS2group, and ZLR Ignition. Evaluation scoring results are in the table below. The cost proposals of these three respondents were accepted by the evaluation committee.

This Notice of Intent to Award is subject to the successful execution of a written contract and, as a result, this Notice does NOT constitute the formation of a contract between the State and the successful respondents. The execution of a contract between the successful respondents and the State is subject to securing sufficient funds.

The three respondents listed above shall not acquire any legal or equitable rights relative to the RFP until a contract acceptable to the State of Iowa is executed. If an apparently successful vendor fails to negotiate and deliver an executed contract, the State, at their sole discretion, may cancel the Notice of Intent to Award. The State further reserves the right to cancel the Award at any time prior to the execution of a written contract.
