

Review of Educator Preparation Program Literacy Curricula for Alignment with Science of Reading
ED-031326JP-001
Questions and Answers
03-29-26

	Vendor Question	Answer
1	Are you able to share a budget or range of funding available for this work? What is the budget allocated for the scope of work?	An anticipated budget cannot be provided. A cost proposal should be included with your submitted proposal.
2	Are you able to share the approximate number of educator preparation programs that will need to be reviewed? How many programs will Iowa DOE select for the review?	Eight preparation programs (EPPs) will need to be reviewed, ranging in size and complexity.
3	What criteria will the Department use to determine participation in the review?	EPPs with low scores on the Foundations of Reading Test have been identified for participation.
4	What are the expectations around on-site work (e.g. number of on-sites)?	There are eight sites; some of the sites (the team anticipates ~5) will benefit from on-campus work to facilitate collaboration amongst faculty. Other sites are smaller with only 1-2 literacy faculty and reviews may be able to take place via zoom.
5	Can you confirm that our response (proposal) should simply be emailed to OIAS@iowa.gov ? Are there directions for uploading the proposal available?	Proposals should be emailed to: oiias@iowa.gov
6	Are there page limits or any formatting requirements?	There are no page limits or other formatting requirements.
