1.4 BACKGROUND INFORMATION

Early intervention and follow-up programs/graduated sanctions services are services to be provided to children adjudicated delinquent and to children who have been referred to juvenile court services for a delinquency violation or who have exhibited behaviors that put them at risk of a juvenile delinquency referral. The services are directed to enhance personal adjustment to help the children transition into productive adulthood and to prevent or reduce criminal charges, out-of-home placement, and recidivism.

District 2 has provided funding for an Aftercare program available to District 2 JCS referred Youth through a Decategorization program (DCAT) for the past three years. The DCAT program was limited to providing services to clients returning to a home-like setting. District 2 is seeking a Respondent to provide Transition Services to Youth throughout all of District 2. Preference will be given to Respondents that will provide this service to all District 2 counties; however, proposals for services of all or any combination of the counties in District 2 will be considered and as a result, this RFP may result in more than one contract. The primary goal of the program is to aid Youth including Youth transitioning from out-of-home placement back into the community. District 2 anticipates Respondent will have 3 FTE Transition Coaches to fulfill these services.

Transition Coaches will assist Youth transitioning from out-of-home placement by engaging with the Youth and family while in placement and supporting the family for a minimum of 6 months upon the Youth’s return to the community. Referred Youth and their family will be eligible to continue services upon discharge from JCS supervision up to an additional 12 months.

Nonmaterial variances include but are not limited to: minor failures to comply that do not affect overall responsiveness, that are merely a matter of form or format, that do not change the relative standing or otherwise prejudice other Respondents, that do not change the meaning or scope of the RFP, or that do not reflect a material change in the specifications of the RFP. In the event IJB waives or permits cure of nonmaterial variances, such waiver or cure will not modify the RFP specifications or excuse the Respondent from full compliance with RFP specifications or other Contract specifications if the Respondent is awarded the Contract. The determination of materiality is in the sole discretion of IJB.

IJB reserves the right to contact any reference to assist in the evaluation of the Proposal, to verify information contained in the Proposal and to discuss the Respondent's qualifications and the qualifications of any subcontractor identified in the Proposal.

This contact may include written questions, interviews, site visits, a review of past performance if the Respondent has provided goods and/or services to the State or any other political subdivision wherever located, or requests for corrective pages in the Respondent's Proposal. IJB will not consider information received from or through Respondent if the information materially alters the content of the Proposal or the type of goods and/or services the Respondent is offering to IJB. An individual authorized to legally bind the Respondent shall sign responses to any request for clarification. Responses shall be submitted to IJB within the time specified in IJB's request. Failure to comply with requests for additional information may result in rejection of the Proposal.

2.18 DISPOSITION OF PROPOSALS

All Proposals become the property of the State and shall not be returned to the Respondent. Once IJB issues a Notice of Intent to Award the Contract, the contents of all Proposals will be in the public domain and be available for inspection by interested parties, except for information for which Respondent properly requests confidential treatment or according to exceptions provided in Iowa Code Chapter 22 or other applicable law.

2.19 PUBLIC RECORDS AND REQUESTS FOR CONFIDENTIAL TREATMENT

IJB's release of public records is governed by Iowa Code chapter 22. Respondents are encouraged to familiarize themselves with Chapter 22 before submitting a Proposal. IJB will produce public records upon request as required to comply with Chapter 22 and will treat all information submitted by a Respondent as non-confidential records unless Respondent requests specific parts

of the Proposal be treated as confidential at the time of the submission as set forth herein **AND the information is confidential under Iowa or other applicable law.**

2.19.1 Form 22 Request for Confidentiality

Form 22 must be completed and included with respondent's proposal. Completion and submittal of form 22 is required whether the proposal does or does not contain information for which confidential treatment will be requested. Failure to submit a completed form 22 will result in the proposal being considered non-responsive and not evaluated.

2.19.2 Confidential Treatment Is Not Requested

A Respondent not requesting confidential treatment of information contained in its Proposal shall complete Section I of Form 22 and submit Form 22 with the Proposal.

2.19.3 Confidential Treatment of Information is Requested

Form 22 will not be considered fully complete unless, for each confidentiality request, the Respondent:

- A. Enumerates the specific grounds in Iowa Code chapter 22 or other applicable law that supports treatment of the material as confidential,

Respondents may not request confidential treatment with respect to pricing information and transmittal letters. A Respondent's request for confidentiality that does not comply with this section or a Respondent's request for confidentiality on information or material that cannot be held in confidence as set forth herein are grounds for rejecting Respondent's Proposal as non-responsive. Requests to maintain an entire Proposal as confidential will be rejected as non-responsive.

If IJB receives a request for information that Respondent has marked as confidential and if a judicial or administrative proceeding is initiated to compel the release of such material, Respondent shall, at its sole expense, appear in such action and defend its request for confidentiality. If Respondent fails to do so, IJB may release the information or material with or without providing advance notice to Respondent and with or without affording Respondent the opportunity to obtain an order restraining its release from a court possessing competent jurisdiction. Additionally, if Respondent fails to comply with the request process set forth herein, if Respondent's request for confidentiality is unreasonable, or if Respondent rescinds its request for confidential treatment, IJB may release such information or material with or without providing advance notice to Respondent and with or without affording Respondent the opportunity to obtain an order restraining its release from a court possessing competent jurisdiction.

2.20 COPYRIGHT PERMISSION

By submitting a Proposal, the Respondent agrees that IJB may distribute the Proposal for purposes of facilitating the evaluation of the Proposal or to respond to requests for public records. IJB does not represent or warrant the accuracy or completeness of any such information, and IJB shall not be liable for any errors or omissions, or the results of errors or omissions, which may be discovered, at any time, to exist in RFP, including any appendices, attachments or amendments thereto.

Proposals that are timely submitted and are not rejected will be reviewed in accordance with Section 5 of the RFP. IJB will not necessarily award a contract resulting from this RFP to the Respondent offering the lowest cost. 2.27 NO MINIMUM GUARANTEED

IJB does not guarantee any minimum level of purchases under the Contract.

2.28 APPEALS

If appealed, the state court administrator shall consider the evaluation committee's recommendation when making the final decision, but the state court administrator is not bound by the recommendation. The state court administrator may either accept or reject the recommended Respondent, or accept the Proposal of another Respondent, or elect not to select any Respondent. 5 EVALUATION AND SELECTION

5.1 INTRODUCTION

This section describes the evaluation process that will be used to determine which Proposal(s) provides the greatest value to IJB. IJB will not necessarily award the Contract to the Respondent offering the lowest cost to IJB. Instead, IJB will award to the Respondent whose Responsive Proposal IJB believes will provide the best value to the State.

5.2 EVALUATION COMMITTEE

IJB will evaluate Proposals received in response to this RFP. IJB will use an evaluation committee to review and evaluate the Proposals. The evaluation committee will recommend an award based on the results of their evaluation to IJB or to such other person or entity who must approve the recommendation.

IJB's Evaluation Committee, or a subset of the Evaluation Committee, will initially review and evaluate each proposal received to determine the Respondent's ability to meet the RFP requirements.

IJB may request additional information or clarification of proposals and hereby reserves the right to select the particular response to this RFP that it believes will best serve its business and operational requirements, considering the evaluation criteria set forth below.

IJB reserves the right to cancel this RFP at any time or reject any or all proposals received as a result of this RFP if it is in the best interest of IJB.

5.3 TECHNICAL PROPOSAL EVALUATION AND SCORING

All Technical Proposals will be evaluated to determine if they comply with the Mandatory Specifications.

5.3.1 Technical Proposal Specifications Scoring Guide.

Points will be assigned to each specification as follows, unless otherwise designated:

4	Bidder has agreed to comply with the requirements and provided a clear and compelling description of how each requirement would be met, with relevant supporting materials. Bidder's proposed approach frequently goes above and beyond the minimum requirements and indicates superior ability to serve the needs of the Agency.
3	Bidder has agreed to comply with the requirements and provided a good and complete description of how the requirements would be met. Response clearly demonstrates a high degree of ability to serve the needs of the Agency.
2	Bidder has agreed to comply with the requirements and provided an adequate description of how the requirements would be met. Response indicates adequate ability to serve the needs of the Agency.

1	Bidder has agreed to comply with the requirements and provided some details on how the requirements would be met. Response does not clearly indicate if all the needs of the Agency will be met.
0	Bidder has not addressed any of the requirements or has provided a response that is limited in scope, vague, or incomplete. Response did not provide a description of how the Agency's needs would be met.

5.4 COST PROPOSAL SCORING

The Cost Proposal file(s) will remain unopened during the evaluation of the Technical Proposals and any Contractor presentations. After the Technical Proposals are evaluated and scored, the Cost Proposals will be opened and scored. Cost Proposal pricing will be scored based on a ratio of the lowest cost proposal versus the cost of each higher priced Contractor Proposal. Under this formula, the lowest Cost Proposal receives all of the points assigned to pricing. A Cost Proposal twice as expensive as the lowest Cost Proposal would earn half of the available points. Percentages and points will be rounded to the nearest whole value. The formula is:

Weighted Cost Score = (price of lowest Cost Proposal/price of each higher priced Cost Proposal) X (points assigned to pricing)

Example:

Contractor A quotes \$35,000; Contractor B quotes \$45,000 and Contractor C quotes \$65,000.

Contractor A: \$35,000 = receives 100% of available points for cost.

\$35,000

Contractor B: \$35,000 = receives 78% of available points for cost.

\$45,000

Contractor C: \$35,000 = receives 54% of available points for cost.

\$65,000

Total Points Assigned to Cost: 300

5.5 TOTAL SCORES

Each Contractor's Technical Proposal points will be added to its Cost Proposal points to obtain the total points awarded for the Contractor's Proposal.

5.6 TIED SCORE AND PREFERENCES

- 5.6.1 An award shall be determined by a drawing when responses are received that are equal in all respects and tied in price. Whenever it is practical to do so, the drawing will be held in the presence of the Respondents who are tied in price. Otherwise the drawing will be made in front of at least three non-interested parties. All drawings shall be documented.
- 5.6.2 Notwithstanding the foregoing, if a tied score involves an Iowa-based Respondent or products produced within the State of Iowa and a Respondent based or products produced outside the State of Iowa, the Iowa Respondent will receive preference. If a tied score involves one or more Iowa Respondents and one or more Respondents outside the state of Iowa, a drawing will be held among the Iowa Respondents only.
- 5.6.3 In the event of a tied score between Iowa Respondents, the Agency shall contact the Iowa Employer Support of the Guard and Reserve (ESGR) committee for confirmation and verification as to whether the Respondents have complied with ESGR standards. Preference, in the case of a tied score, shall be given to Iowa Respondents complying with ESGR standards.
- 5.6.4 Second preference in tied scores will be given to Respondents based in the United States or products produced in the United States over Respondents based or products produced outside the United States.
- 5.6.5 Preferences required by applicable statute or rule shall also be applied, where appropriate.

6 CONTRACTUAL TERMS AND CONDITIONS

6.1 CONTRACT TERMS AND CONDITIONS

Any contract(s) resulting from this RFP between IJB and any Respondent(s) selected by IJB shall be a combination of the specifications, terms and conditions referenced in this RFP, including without limitation, the General Terms for Juvenile Court Services (the “General Terms”) located on the website linked on the RFP Cover Page (with such modifications thereto as IJB determines to be necessary or desirable), the offer of the Respondent contained in the Respondent’s proposal (excluding any exceptions taken by Respondent in accordance with this Section 6 that are not accepted by IJB specifically in writing and contained in an executed contract), written clarifications or changes made by IJB through an amendment to the RFP in accordance with the provisions of this RFP, and any other terms deemed necessary by IJB. The Contract terms and conditions in Section 6 and the General Terms will be incorporated into and become part of the Contract. IJB reserves the right to supplement and modify any of the foregoing terms and conditions prior to the execution of any contract.

IJB reserves the right to either award a contract without further negotiation with any successful Respondent(s) or to negotiate contract terms with any selected Respondent(s) if the best interests of IJB would be served. No exception or proposed amendment by a Respondent to the provisions or terms and conditions of this RFP, including the General Terms, shall be incorporated into any resulting Contract unless IJB has explicitly accepted the Respondent’s exception or amendment in writing in the resulting Contract.

All costs associated with complying with such terms and conditions should be included in any pricing quoted by Respondent.

By submitting a proposal, each Respondent acknowledges its complete acceptance of the terms, conditions, and specifications contained in this RFP, including the General Terms, without change except as otherwise expressly stated in its Proposal.

If a Respondent takes exception to any terms, conditions, specifications or other provisions of this RFP (including those set forth in the General Terms), it must state the reason for the exception and set forth in its proposal the specific contract language it proposes to substitute in place of the excepted provision(s).

If a Respondent takes exception to any term, condition, or provisions contained in the General Terms, the Respondent must produce a redlined draft of such terms, conditions, or provisions, and such redlined draft must clearly reflect all of Respondent’s exceptions thereto and all alternative language or other changes that Respondent specifically proposes to make.

Exceptions and/or proposed changes that materially change the terms, conditions, specifications, or provisions of the RFP (including those in the General Terms) may be deemed non-responsive by IJB, as determined in its sole discretion, resulting in possible disqualification of the Respondent’s proposal.

A Respondent's failure to state an exception to any term, condition, requirement or other provision of this RFP (including those contained in the General Terms) and propose alternative language in accordance with this Section 6.1 may be conclusively deemed by IJB to constitute Respondent's acceptance thereof.

Any term, condition, provision, or requirement to which a Respondent fails to take exception and propose changes and/or alternative language in accordance with this Section 6.1 will not be subject to negotiation.

A Respondent may not take exception to any of the provisions or terms contained in this RFP or the General Terms.

A Respondent may not state that it takes exception to any of the terms, conditions, requirements, or other provisions of the RFP (including those contained in the General Terms) to the extent any of the foregoing conflict with any terms or conditions contained in the Respondent's standard form contracts. If a Respondent submits its own terms and conditions or otherwise fails to follow the process described herein, IJB may reject the Respondent's Proposal, at its sole discretion.

IJB reserves the right to refuse to enter into a contract with the successful Respondent for any reason, even after delivery of notice of selection or intent to award or negotiate a contract. IJB further reserves the right to negotiate contract terms with the successful Respondent if the best interests of IJB or the State would be served.

IJB will evaluate all Proposals without regard to any proposed modifications to any terms and conditions of the RFP or the General Terms. Once a Proposal has been identified as the one for which an Award recommendation has been made, but prior to notifying Respondents of the decision, IJB, in its sole discretion, may consider any modifications to the terms and conditions of the RFP or the General Terms proposed by a Respondent in that Proposal. IJB reserves the right to either award a Contract(s) without further negotiation with the successful Respondent or to negotiate Contract terms with the successful Respondent if the best interests of IJB or the State would be served. As such, if any proposed modifications are not determined to be in the best interests of IJB or the State, or appear to pose a substantial impediment to reaching agreement, IJB may, in its sole discretion:

1. Issue a Notice of Intent to Award in favor of the successful Respondent, but decline to agree to or further negotiate any modifications to terms and conditions proposed by Respondent in its Proposal;
2. Issue a Notice of Intent to Award in favor of the successful Respondent, and may identify in the Notice any modifications to terms and conditions proposed by Respondent in its Proposal with which IJB will or will not agree or further negotiate;
3. Enter open-ended negotiations with the successful Respondent; provided, that any such negotiations shall be limited to the modifications to terms and conditions proposed by Respondent in its Proposal;
4. Change IJB's recommendation for Award and issue a Notice of Intent to Award to a Respondent whose proposal does not pose as great of a challenge to IJB.

Any ambiguity, vagueness, inconsistency or conflict, either internal to such modification(s) or arising when read in conjunction with other portions of the Contract, shall be construed strictly in favor of the State. Only those proposed modifications identified in the Notice of Intent to Award

issued by IJB as terms and conditions with which IJB will agree, or ultimately agrees to after further negotiations, shall be part of the Contract. The State may ignore all modifications or exceptions proposed by a Respondent, accept one or more and ignore others, accept all or, through negotiations after an award, agree to compromise language concerning one or more proposed modifications to be incorporated into a final Contract between the parties. By executing and submitting its Proposal in response to this RFP, Respondent understands and agrees that the State may exercise its discretion not to consider any or all proposed modifications or exceptions Respondent may request and may accept Respondent's proposal under the terms and conditions contained in this RFP and the General Terms.

6.2 TERM LENGTH

The Contract shall have an initial term of one (1) year, beginning on the later date of contract execution or the anticipated start date for the initial term specified on the RFP Cover Page. At the end of the Contract's initial term, IJB shall have the option, in its sole discretion, to renew the Contract on the same terms and conditions for up to a total of five (5) additional one-year terms. The resulting Contract may be terminated in accordance with its terms. IJB may not agree to penalties for termination in any of the above-described scenarios.

6.3 INSURANCE
