To: All Potential Respondents

From: Michael Bradbury, Senior Statewide Procurement Officer

Subject: 005-RFB-2453-2026 – Mount Pleasant Correctional Facility Trash Service

Addendum 2

This addendum forms a part of the contract documents and modifies the original bidding documents dated March 2nd, 2026 as noted below.

Questions:

1. Is the Mount Pleasant Correctional Facility comfortable with changing the service for the one 6-yard picked up three times per week to one 8-yard picked up twice per week?
 - a. The MPCF would be willing to try this, but would also reserve the right to revert if it does not work.
2. Would a 0600–0630 service window be acceptable for servicing the commercial cans at the Mount Pleasant Correctional Facility.
 - a. If this refers to the 30 yard roll off, no. A mid-morning pick-up would be required. That timeframe is reserved for food and dietary deliveries.
3. If the WM compactor isn't ready for installation on 4/3/26, would an open-top roll-off be an acceptable temporary solution until the compactor is ready?
 - a. No, we could not use an open-top roll-off as a temporary solution because that would be a security risk.
