

The Iowa Department of Agriculture and Land Stewardship is seeking quotes from potential consultants to assist in conducting wetland and stream delineations for U.S. Army Corps of Engineers approved Clean Water Act (CWA) 404 permitting purposes. Delineations will be conducted on existing and planned restorations.

IDALS has identified up to 33 projects needing delineations to be completed within calendar year 2026. Sites are located in the following counties (number): Boone (5), Buchanan (1), Buena Vista (1), Calhoun (1), Carroll (1), Cerro Gordo (1), Clay (1), Dallas (2), Fayette (1), Floyd (4), Greene (4), Guthrie (3), Hamilton (1), Hardin (2), Madison (1), Mitchell (1), Palo Alto (1), Sac (1), & Wright (1).

Prospective consultants would be able to provide quotes for any and all of the available sites.

Consultant would be responsible for conducting the wetland and stream delineations of the proposed or existing easement areas.

IDALS will be responsible for landowner contact for access to conduct necessary field visits for conducting the delineations.

Interested parties are invited to submit quotes by 4:30 p.m. on Friday, January 30, 2026.

For more information or to receive a copy of the full Request for Quotes (RFQ), please contact Matt Lechtenberg by e-mail (matthew.lechtenberg@iowaagriculture.gov) or 515-281-3857.
