NOTICE OF INTENT TO AWARD

The State of Iowa hereby gives Notice of Intent to Award to PearsonVUE. Evaluation scoring results are in the table below.

This Notice of Intent to Award is subject to the successful execution of a written contract and, as a result, this Notice does NOT constitute the formation of a contract between the State and the successful respondent. The execution of a contract between the successful respondent and the State is subject to securing sufficient funds.

PearsonVUE shall not acquire any legal or equitable rights relative to the RFP until a contract acceptable to the State of Iowa is executed. If the apparently successful vendor fails to negotiate and deliver an executed contract, the State, at their sole discretion, may cancel the Notice of Intent to Award and award the contract to the next ranked bidder or withdraw the RFP. The State further reserves the right to cancel the Award at any time prior to the execution of a written contract.
