1 INTRODUCTION

1.1 PURPOSE

The purpose of this Request for Proposals (RFP) is to solicit proposals from Responsible Respondents to provide the goods and/or services identified on the RFP cover sheet and further described in Section 4 of this RFP to the IJB, as identified on the RFP cover sheet. The IJB intends to award a Contract(s) beginning and ending on the dates listed on the RFP cover sheet, and the IJB, in its sole discretion, may extend the Contract(s) for up to the number of annual extensions identified on the RFP cover sheet.

1.2 DEFINITIONS

For the purposes of this RFP and the resulting Contract, the following terms are defined.

“Agency” means the agency identified on the RFP cover sheet that is issuing the RFP.

“Bid Proposal” or “Proposal” means Respondent’s proposal submitted in response to the RFP.

“Contract” means the Contract(s) entered into with Respondent(s) as described in section 6.

“Contractor” means the awarded business/person to provide the contractual services agreed upon.

“General Terms” and “General Terms and Conditions” shall mean the General Terms for Juvenile Court Services service contracts as linked on the RFP cover page.

“IJB” shall mean the Iowa Judicial Branch.

“Invoice” means a Contractor’s claim for payment. At the IJB’s discretion, claims must be submitted on an original invoice from the Contractor and on a claim form accepted by the IJB, such as a General Accounting Expenditure (GAX) form.

“Juvenile Court Officer” or “JCO” means a person appointed as a juvenile court officer under section 602.7202 of the Iowa Code and also includes a chief juvenile court officer appointed under section 602.1217 of the Iowa Code.

“Juvenile Court Services” or “JCS”, for the purposes of this RFP, means a unit of the Iowa Judicial Branch in which juveniles adjudicated by the Iowa Juvenile Court as delinquent and youth at risk of entering the court system receive services as directed by the Chief Juvenile Court Officer or designee.

“Respondent” means the company, organization or other business entity submitting a proposal in response to this RFP.

“Responsible Respondent” means a Respondent that has the capability, as determined in the sole discretion of the IJB, in all material respects to perform the scope of work and specifications of the Contract. In determining whether a Respondent is a Responsible Respondent, the IJB may consider various factors including, but not limited to, the Respondent’s competence and qualifications to provide the goods or services requested, the Respondent’s integrity and reliability, the past performance of the Respondent and the best interest of the IJB and the State.

“Responsive Proposal” means a Proposal that complies, in the sole discretion of the IJB, with the material provisions of this RFP.

“RFP” means this Request for Proposals and any attachments, exhibits, schedules or addenda hereto.

“State” means the State of Iowa, the IJB, and all state agencies, boards, and commissions, and any political subdivisions making purchases from the Contract as permitted by this RFP.

“Vendor” means anyone who provides goods or services to another entity.

1.2.1 Additional Definitions specific to this RFP:

“Adverse Childhood Experiences” or “ACEs” refers to stressful or traumatic events that children face before reaching 18 years of age. These include various forms of abuse (physical, emotional, sexual), neglect (emotional, physical), and household challenges such as witnessing domestic violence, living with individuals with substance use disorders, having an incarcerated relative, or experiencing family separation. Studies have shown that individuals with a high number of ACEs are at an increased risk for negative outcomes in adulthood, including chronic diseases, mental illness, substance misuse, and reduced life potential. The more ACEs one has, the greater the risk for these outcomes.

“Authorization of Release of Information” means a form used by JCS for the purpose of authorizing the release of a confidential record, signed and dated by the person(s) empowered to release the information.

“Detention” means a licensed and secure facility run by the county or consortium of counties for the safe and secure holding of youth who committed or allegedly committed a delinquent act, and are placed by a court order.

“Mandatory reporter” means a professional legally required to report suspected child or dependent adult abuse or neglect to authorities.

“Supervising Juvenile Court Officer” or “Supervising JCO” means the person responsible for the direct supervision of youth who committed a delinquent act(s), including monitoring service delivery.

“Trauma-Informed” or “Trauma-Informed Care” or “TIC” means the incorporation of an understanding of trauma and traumatic experiences and the effect they can have on children in foster care into the care and services provided to a child. These experiences may include, but would not be limited to, betrayal of a trusted person or institution and a loss of safety; experiences of violence; physical, sexual, and institutional abuse, neglect, intergenerational trauma, and, disasters that induce powerlessness, fear, recurrent hopelessness, and a constant state of alert. Trauma-Informed is an approach to help engage people with histories of trauma that recognizes the presence of trauma symptoms and acknowledges the role that trauma has played in their lives.

“Trauma Specialist” means a mental health professional trained specifically to support people in recovering from trauma. Trauma Specialists are equipped with specialized skills and therapeutic approaches designed to address the unique challenges faced by trauma survivors.

1.3 OVERVIEW OF THE RFP PROCESS

The RFP process is for the IJB's benefit and is intended to provide the IJB with competitive information to assist in the selection process. It is not intended to be comprehensive. Each Respondent is responsible for determining all factors necessary for submission of a comprehensive Proposal.

Respondent should review Attachment 3, Form 22 Request for Confidentiality, for more information if its Proposal contains confidential information. Any Proposal marked "Confidential" or "Proprietary" on every page may be disqualified.

Respondents will be required to submit their Proposals electronically via email to the Issuing Officer.

1.4 BACKGROUND INFORMATION

Early intervention and follow-up programs/graduated sanctions services are services to be provided to children adjudicated delinquent and children who have been referred to Juvenile Court Services for a delinquency violation or who have exhibited behaviors that put them at risk of a juvenile delinquency referral. The services are directed to enhance personal adjustment to help the children transition into productive adulthood and to prevent or reduce delinquent acts, out-of-home placement, and recidivism.

The Iowa Judicial Branch is requesting Proposals for the purpose of providing Trauma-Informed Care services for youth in detention in all thirty (30) counties included within the First (D1), Seventh (D7) and Eighth (D8) Judicial Districts of Juvenile Court Services (JCS). JCS D1 includes Allamakee, Blackhawk, Buchanan, Chickasaw, Clayton, Delaware, Dubuque, Fayette, Grundy, Howard, and Winneshiek counties. JCS D7 includes Cedar, Clinton, Jackson, Muscatine and Scott counties. JCS D8 includes the counties of Appanoose, Davis, Des Moines, Jefferson, Henry, Keokuk, Lee (North and South), Louisa, Mahaska, Monroe, Poweshiek, Van Buren, Wapello, and Washington.

Youth are detained if they meet criteria for placement in Detention pursuant to Iowa Code section 232.22. The circumstances resulting in such action vary with each youth. A youth's behavior in the community that resulted in being detained, and their behavior while in and because of Detention placement, is frequently related to traumatic experiences. Juvenile response to assessments and rehabilitation is also seen as likely to be affected by traumatic experiences.

Some of the known traumatic experiences of youth in Detention can involve experiences from having been "on the run" for a length of time, including human trafficking. Often youth in Detention have witnessed violent crime or have themselves been victims of violence. These youth may even be the perpetrator of the violence. Youth in Detention and other juvenile justice settings also reportedly experience higher rates of bereavement and violent deaths than do youth in the general population and, consequently, where maladaptive coping mechanisms have been adopted.

Youth who are behaviorally out of control or experiencing suicidal ideations and who do not meet criteria for hospitalization may be held in Detention until the youth is able to improve self-regulation. Providing Trauma-Informed Care to these youth early in their Detention placement could allow the youth to be released to community-based services or alternate suitable placement without a lengthy stay in Detention.

Youth in Detention often feel a great deal of anxiety about appearing in court for a variety of reasons but mostly because they are unsure if they will be released back into the community or sent to placement

elsewhere. Youth who attend court appear in their Detention issued uniform which can provide a sense of shame and general anxiety about being in a room full of professional adults and a judge; they may feel that their lives are out of their control. Psychological safety is a requirement to be able to attend court successfully, able to understand what is happening, and able to contribute to the outcomes.

Present barriers to providing co-regulation skill-building services while in Detention or issues that must be taken into consideration include:

- Most of the confined youth receive benefits under Medicaid, which does not pay for services while the youth is in Detention. It is rare that a youth's existing service provider (if they have one), provides service during Detention stays due to this funding issue.
- The time and travel logistics of a service provider visiting a youth in Detention, including but not limited to securing permissions from Detention staff to provide services to the youth in Detention.
- A youth's short duration of placement in Detention.
- Potential for irregular hours of service delivery.
- Provision of services by a new provider would require time to build rapport and develop a trust relationship, which may be exasperated if the youth has been seeing a provider prior to Detention placement.
- Parental consent is not always obtainable or can be difficult to obtain.
- Unintended consequence of a youth's longer stay in Detention solely to continue services.

Trauma-Informed Care is a strengths-based, organizational framework that recognizes the widespread impact of trauma and focuses on "what happened to you?" rather than "what's wrong with you?". It prioritizes physical and emotional safety, fosters trust, and empowers survivors to prevent re-traumatization across healthcare and social service settings.

Trauma-informed care seeks to:

- Realize the widespread impact of trauma and understand paths for recovery;
- Recognize the signs and symptoms of trauma in patients, families, and staff;
- Integrate knowledge about trauma into policies, procedures, and practices; and
- Actively avoid re-traumatization

This RFP aligns with the guiding principles identified by the Substance Abuse and Mental Health Services Administration (SAMHSA). The six core principles of Trauma-Informed Care focus on creating safe, trustworthy environments by emphasizing Safety, ensuring Trustworthiness and Transparency, promoting Choice, fostering Collaboration, and building Empowerment, with a recognition of cultural factors.

Trauma-Informed Care has recently been implemented for youth in Detention centers in Districts 1, 7 and 8 through other funding sources; however, data is not yet available regarding number of youth served or success rates for the services.

The questions or requests for clarifications must be in writing and received by the Issuing Officer before the date and time listed on the RFP cover sheet. Oral questions will not be permitted. 2.8 SUBMISSION OF PROPOSALS

Each Respondent is responsible for submitting its Proposal at the Issuing Officer's email address identified on the RFP cover sheet before the "Proposals Due" date and time listed on the RFP cover sheet, unless such date and time is extended by the IJB, at its sole discretion, through the issuance of an addendum to this RFP. **This is a mandatory requirement and will not be waived by the Agency. Any Proposal received after this deadline will be rejected and the IJB will notify the Respondent.** It is the Respondent's responsibility to ensure that the Proposal is received by the Issuing Officer prior to the deadline. Late proposals, regardless of cause, will not be opened or considered for evaluation, and will be disqualified from further consideration. It is the Respondent's sole responsibility to ensure delivery at the stated location and time.

Respondents must furnish all information necessary to enable the IJB to evaluate the Proposal. Oral information provided by the Respondent shall not be considered part of the Respondent's Proposal unless it is reduced to writing.

2.9 PROPOSAL OPENING

The IJB will open Proposals after the deadline for submission of Proposals has passed. The Proposals will remain confidential until the Evaluation Committee has reviewed all of the Proposals submitted in response to this RFP and the IJB has issued a Notice of Intent to Award a Contract. See Iowa Code Section 72.3. However, the names of Respondents who submitted timely Proposals will be publicly available after the Proposal opening. The announcement of Respondents who timely submitted Proposals does not mean that an individual Proposal has been deemed technically compliant or accepted for evaluation.

2.10 COSTS OF PREPARING THE PROPOSAL

The costs of preparation and delivery of the Proposal are solely the responsibility of the Respondent.

2.11 NO COMMITMENT TO CONTRACT

The IJB reserves the right to reject any or all Proposals received in response to this RFP at any time prior to the execution of the Contract. Issuance of this RFP in no way constitutes a commitment by the IJB to award a Contract.

2.12 REJECTION OF PROPOSALS

The IJB may reject outright and not evaluate a Proposal for reasons including without limitation:

- A. The Respondent fails to email the cost proposal in a separate attachment.
- B. The Respondent acknowledges that a mandatory specification of the RFP cannot be met.
- C. The Respondent's Proposal changes a material specification of the RFP or the Proposal is not compliant with the mandatory specifications of the RFP.
- D. The Respondent's Proposal limits the rights of the IJB.
- E. The Respondent fails to include information necessary to substantiate that it will be able to meet a specification of the RFP as provided in Section 3 of this RFP.

- K. The Respondent provides misleading or inaccurate responses.
- L. The Respondent's Proposal is materially unbalanced.
- M. There is insufficient evidence (including evidence submitted by the Respondent and evidence obtained by the IJB from other sources) to satisfy the IJB that the Respondent is a Responsive Respondent.
- N. The Respondent alters the language in Attachment 1: Certification Letter or Attachment 2: Authorization to Release Information letter.

2.13 NONMATERIAL VARIANCES

The IJB reserves the right to waive or permit cure of nonmaterial variances in the Proposal if, in the judgment of the IJB, it is in the State's best interest to do so. Nonmaterial variances include but are not limited to: minor failures to comply that do not affect overall responsiveness, that are merely a matter of form or format, that do not change the relative standing or otherwise prejudice other Respondents, that do not change the meaning or scope of the RFP, or that do not reflect a material change in the specifications of the RFP. In the event the IJB waives or permits cure of nonmaterial variances, such waiver or cure will not modify the RFP specifications or excuse the Respondent from full compliance with RFP specifications or other Contract specifications if the Respondent is awarded the Contract. The determination of materiality is in the sole discretion of the IJB.

2.14 REFERENCE CHECKS

The IJB reserves the right to contact any reference to assist in the evaluation of the Proposal, to verify information contained in the Proposal and to discuss the Respondent's qualifications and the qualifications of any subcontractor identified in the Proposal.

2.15 INFORMATION FROM OTHER SOURCES

2.16 VERIFICATION OF PROPOSAL CONTENTS

The content of a Proposal submitted by a Respondent is subject to verification. If the IJB determines in its sole discretion that the content is in any way misleading or inaccurate, the IJB may reject the Proposal.

2.17 PROPOSAL CLARIFICATION PROCESS

The IJB reserves the right to contact a Respondent after the submission of Proposals for the purpose of clarifying a Proposal. This contact may include written questions, interviews, site visits, a review of past performance if the Respondent has provided goods and/or services to the State or any other political subdivision wherever located, or requests for corrective pages in the Respondent's Proposal. The IJB will not consider information received from or through Respondent if the information materially alters the content of the Proposal or the type of goods and/or services the Respondent is offering to the IJB. An individual authorized to legally bind the Respondent shall sign responses to any request for clarification. Responses shall be submitted to the IJB within the time specified in the IJB's request. Failure to comply with requests for additional information may result in rejection of the Proposal.

2.18 DISPOSITION OF PROPOSALS

All Proposals become the property of the State and shall not be returned to the Respondent. Once the IJB issues a Notice of Intent to Award the Contract, the contents of all Proposals will be in the public domain and be available for inspection by interested parties, except for information for which Respondent properly requests confidential treatment or according to exceptions provided in Iowa Code Chapter 22 or other applicable law.

2.19 PUBLIC RECORDS AND REQUESTS FOR CONFIDENTIAL TREATMENT

The IJB's release of public records is governed by Iowa Code chapter 22. Respondents are encouraged to familiarize themselves with Chapter 22 before submitting a Proposal. The IJB will produce public records upon request as required to comply with Chapter 22 and will treat all information submitted by a Respondent as non-confidential records unless Respondent requests

specific parts of the Proposal be treated as confidential at the time of the submission as set forth herein ***AND the information is confidential under Iowa or other applicable law.***

2.19.1 Form 22 Request for Confidentiality

Form 22 must be completed and included with respondent's proposal. Completion and submittal of form 22 is required whether the proposal does or does not contain information for which confidential treatment will be requested. Failure to submit a completed form 22 will result in the proposal being considered non-responsive and not evaluated.

2.19.2 Confidential Treatment Is Not Requested

A Respondent not requesting confidential treatment of information contained in its Proposal shall complete Section I of Form 22 and submit Form 22 with the Proposal.

2.19.3 Confidential Treatment of Information is Requested

A Respondent requesting confidential treatment of specific information shall perform *all* the following:

- A. Complete Section II of Form 22,
- B. Include the word "CONFIDENTIAL" in file name of its Proposal containing confidential information,
- C. Mark each page upon which the Respondent believes confidential information appears and clearly identify each item for which confidential treatment is requested; *marking a page in the page margin is not sufficient identification*, and
- D. Submit a "Public Copy" from which the confidential information has been excised.

Form 22 will not be considered fully complete unless, for each confidentiality request, the Respondent:

- A. Enumerates the specific grounds in Iowa Code chapter 22 or other applicable law that supports treatment of the material as confidential,
- B. Justifies why the material should be maintained in confidence,
- C. Explains why disclosure of the material would not be in the best interest of the public, and
- D. Sets forth the name, address, telephone, and email for the person authorized by Respondent to respond to inquiries by the IJB concerning the confidential status of such material.

The confidential material in the Public Copy must be excised in such a way as to allow the public to determine the general nature of the material removed and to retain as much of the Proposal as possible.

Failure to request information be treated as confidential as specified herein shall relieve the IJB and State personnel from any responsibility for maintaining the information in confidence. Respondents may not request confidential treatment with respect to pricing information and transmittal letters. A Respondent's request for confidentiality that does not comply with this section or a Respondent's request for confidentiality on information or material that cannot be held in confidence as set forth herein are grounds for rejecting Respondent's Proposal as non-responsive. Requests to maintain an entire Proposal as confidential will be rejected as non-responsive.

If the IJB receives a request for information that Respondent has marked as confidential and if a judicial or administrative proceeding is initiated to compel the release of such material, Respondent shall, at its sole expense, appear in such action and defend its request for confidentiality. If Respondent fails to do so, the IJB may release the information or material with or without providing advance notice to Respondent and with or without affording Respondent the opportunity to obtain an order restraining its release from a court possessing competent jurisdiction. Additionally, if Respondent fails to comply with the request process set forth herein, if Respondent's request for confidentiality is unreasonable, or if Respondent rescinds its request for confidential treatment, the IJB may release such information or material with or without providing advance notice to Respondent and with or without affording Respondent the opportunity to obtain an order restraining its release from a court possessing competent jurisdiction.

2.20 COPYRIGHT PERMISSION

By submitting a Proposal, the Respondent agrees that the IJB may distribute the Proposal for purposes of facilitating the evaluation of the Proposal or to respond to requests for public records. By submitting a Proposal, the Respondent consents to such distribution and warrants that such distribution will not violate the rights of any third party. The IJB shall have the right to use ideas or adaptations of ideas that are presented in Proposals.

2.21 RELEASE OF CLAIMS

By submitting a Proposal, the Respondent agrees that: (a) the IJB and the State shall not be liable to any extent for any information, facts or data (or the completeness or accuracy thereof) provided in the RFP or for any information, facts or data that may be omitted from the RFP, regardless of whether such inaccurate, incomplete or omitted information or data would be considered material or relevant to a Respondent for purposes of making an informed decision to either submitting a proposal or entering into a Contract if awarded to a successful Respondent; and (b) it will not bring any claim or cause of action against the IJB or the State based on any misunderstanding concerning the information provided in the RFP or concerning the IJB's or the State's failure, negligent or otherwise, to provide the Respondent with complete, pertinent, or accurate information in this RFP or for any failure to provide information that any Respondent might consider relevant for purposes of making a decision to submit a proposal or to enter into any Contract resulting from this RFP.

2.22 EVALUATION OF PROPOSALS SUBMITTED

The submission of a Proposal shall be deemed a representation and warranty by the Respondent that it:

- A. is a sophisticated party possessing sufficient knowledge and expertise concerning the subject matter of this RFP;
- B. is able to fully and independently evaluate the advisability of submitting a proposal and in assuming and performing all duties, liabilities, and obligations described in or contemplated by this RFP;
- C. has conducted its own independent gathering, review, and investigation of all information, facts, and data necessary for purposes of making an informed decision whether to submit

a proposal and to assume and perform all duties, liabilities, and obligations described herein, without relying on any specific facts, information or representations of any kind made or provided by or on behalf of the IJB, including any information presented in this RFP; and

- D. has investigated all aspects of the RFP, and it is aware of the applicable facts of the RFP process and its procedures and requirements, and it has read and understands the RFP.

No request for modification of the provisions of the Proposal shall be considered after its submission on the grounds the Respondent was not fully informed as to any fact or condition. Statistical information that may be contained in the RFP or any addendum is for informational purposes only. The IJB disclaims any responsibility for any information or facts that may subsequently be determined to be incomplete or inaccurate. The IJB does not represent or warrant the accuracy or completeness of any such information, and the IJB shall not be liable for any errors or omissions, or the results of errors or omissions, which may be discovered, at any time, to exist in RFP, including any appendices, attachments or amendments thereto.

Proposals that are timely submitted and are not rejected will be reviewed in accordance with Section 5 of the RFP. The IJB will not necessarily award a Contract resulting from this RFP to the Respondent offering the lowest cost. Instead, the IJB will award the Contract(s) to the Responsible Respondent(s) whose Responsive Proposal the IJB believes will provide the best value to the IJB and the State.

2.23 AWARD NOTICE AND ACCEPTANCE PERIOD

Notice of Intent to Award the Contract(s) will be sent to all Respondents submitting a timely Proposal and may be posted at the website shown on the RFP cover sheet. Negotiation and execution of the Contract(s) shall be completed no later than thirty (30) days from the date of the Notice of Intent to Award or such other time as designated by or acceptable to the IJB. If the successful Respondent fails to negotiate and deliver an executed Contract by that date, the IJB, in its sole discretion, may cancel the award and award the Contract to the remaining Respondent the IJB believes will provide the best value to the State.

2.24 NO CONTRACT RIGHTS UNTIL EXECUTION

No Respondent shall acquire any legal or equitable rights regarding the Contract unless and until the Contract has been fully executed by the successful Respondent and the IJB.

2.25 CHOICE OF LAW AND FORUM

This RFP and the Contract shall be governed by the laws of the State of Iowa. Changes in applicable laws and rules may affect the award process or the Contract. Respondents are responsible for ascertaining pertinent legal requirements and restrictions. Any and all litigation or actions commenced by any party in connection with this RFP or any contract shall only be brought in the appropriate Iowa forum.

2.26 RESTRICTIONS ON GIFTS AND ACTIVITIES

Iowa Code Chapter 68B restricts gifts which may be given or received by State employees and requires certain individuals to disclose information concerning their activities with State government. Respondents are responsible for determining the applicability of this Chapter 68B to their activities and to comply with its requirements. In addition, pursuant to Iowa Code section 722.1, it is a felony offense to bribe or attempt to bribe a public official.

2.27 NO MINIMUM GUARANTEED

The IJB does not guarantee any minimum level of purchases under the Contract.

2.28 APPEALS

If appealed, the state court administrator shall consider the evaluation committee's recommendation when making the final decision, but the state court administrator is not bound by the recommendation. The state court administrator may either accept or reject the recommended Respondent, or accept the Proposal of another Respondent, or elect not to select any Respondent. Appeals of the Notice of Intent to Award need to be received in the office of the state court administrator within 5 calendar days following the posting of the Notice of Intent to Award a contract.

5 EVALUATION AND SELECTION

5.1 INTRODUCTION

This section describes the evaluation process that will be used to determine which Proposal(s) provides the greatest value to the IJB. The IJB will not necessarily award the Contract to the Respondent offering the lowest cost to the IJB. Instead, the IJB will award to the Respondent whose Responsive Proposal the IJB believes will provide the best value to the State.

5.2 EVALUATION COMMITTEE

The IJB will evaluate Proposals received in response to this RFP. The IJB will use an evaluation committee to review and evaluate the Proposals. The evaluation committee will recommend an award based on the results of their evaluation to the IJB or to such other person or entity who must approve the recommendation.

The IJB's Evaluation Committee, or a subset of the Evaluation Committee, will initially review and evaluate each proposal received to determine the Respondent's ability to meet the RFP requirements.

The IJB may request additional information or clarification of proposals and hereby reserves the right to select the particular response to this RFP that it believes will best serve its business and operational requirements, considering the evaluation criteria set forth below.

The IJB reserves the right to cancel this RFP at any time or reject any or all proposals received as a result of this RFP if it is in the best interest of the IJB.

5.3 TECHNICAL PROPOSAL EVALUATION AND SCORING

All Technical Proposals will be evaluated to determine if they comply with the Mandatory Specifications.

5.3.1 **Technical Proposal Specifications Scoring Guide.**

Points will be assigned to each specification as follows, unless otherwise designated:

4	Bidder has agreed to comply with the requirements and provided a clear and compelling description of how each requirement would be met, with relevant supporting materials. Bidder's proposed approach frequently goes above and beyond the minimum requirements and indicates superior ability to serve the needs of the Agency.
3	Bidder has agreed to comply with the requirements and provided a good and complete description of how the requirements would be met. Response clearly demonstrates a high degree of ability to serve the needs of the Agency.
2	Bidder has agreed to comply with the requirements and provided an adequate description of how the requirements would be met. Response indicates adequate ability to serve the needs of the Agency.

1	Bidder has agreed to comply with the requirements and provided some details on how the requirements would be met. Response does not clearly indicate if all the needs of the Agency will be met.
0	Bidder has not addressed any of the requirements or has provided a response that is limited in scope, vague, or incomplete. Response did not provide a description of how the Agency's needs would be met.

5.4 COST PROPOSAL SCORING

The Cost Proposal file(s) will remain unopened during the evaluation of the Technical Proposals and any Contractor presentations. After the Technical Proposals are evaluated and scored, the Cost Proposals will be opened and scored. Cost Proposal pricing will be scored based on a ratio of the lowest cost proposal versus the cost of each higher priced Contractor Proposal. Under this formula, the lowest Cost Proposal will receive all of the points assigned to pricing. A Cost Proposal twice as expensive as the lowest Cost Proposal will earn half of the available points. Percentages and points will be rounded to the nearest whole value. The formula is:

Weighted Cost Score = (price of lowest Cost Proposal/price of each higher priced Cost Proposal) X (points assigned to pricing)

Example:

Contractor A quotes \$35,000; Contractor B quotes \$45,000 and Contractor C quotes \$65,000.

Contractor A: \$35,000 = receives 100% of available points for cost.

\$35,000

Contractor B: \$35,000 = receives 78% of available points for cost.

\$45,000

Contractor C: \$35,000 = receives 54% of available points for cost.

\$65,000

Total Points Assigned to Cost: 500

5.5 TOTAL SCORES

Each Contractor's Technical Proposal points will be added to its Cost Proposal points to obtain the total points awarded for the Contractor's Proposal.

Total Points Possible: 4,700

5.6 TIED SCORE AND PREFERENCES

- 5.6.1 An award shall be determined by a drawing when responses are received that are equal in all respects and tied in price. Whenever it is practical to do so, the drawing will be held in the presence of the Respondents who are tied in price. Otherwise the drawing will be made in front of at least three non-interested parties. All drawings shall be documented.
- 5.6.2 Notwithstanding the foregoing, if a tied score involves an Iowa-based Respondent or products produced within the State of Iowa and a Respondent based or products produced outside the State of Iowa, the Iowa Respondent will receive preference. If a tied score involves one or more Iowa Respondents and one or more Respondents outside the state of Iowa, a drawing will be held among the Iowa Respondents only.
- 5.6.3 In the event of a tied score between Iowa Respondents, the Agency shall contact the Iowa Employer Support of the Guard and Reserve (ESGR) committee for confirmation and verification as to whether the Respondents have complied with ESGR standards. Preference, in the case of a tied score, shall be given to Iowa Respondents complying with ESGR standards.
- 5.6.4 Second preference in tied scores will be given to Respondents based in the United States or products produced in the United States over Respondents based or products produced outside the United States.
- 5.6.5 Preferences required by applicable statute or rule shall also be applied, where appropriate.

By submitting a proposal, each Respondent acknowledges its complete acceptance of the terms, conditions, and specifications contained in this RFP, including the General Terms, without change except as otherwise expressly stated in its Proposal.

If a Respondent takes exception to any term, condition, or provisions contained in the General Terms, the Respondent must produce a redlined draft of such terms, conditions, or provisions, and such redlined draft must clearly reflect all of Respondent's exceptions thereto and all alternative language or other changes that Respondent specifically proposes to make.

Exceptions and/or proposed changes that materially change the terms, conditions, specifications, or provisions of the RFP (including those in the General Terms) may be deemed non-responsive by the IJB, as determined in its sole discretion, resulting in possible disqualification of the Respondent's proposal.

A Respondent's failure to state an exception to any term, condition, requirement or other provision of this RFP (including those contained in the General Terms) and propose alternative language in accordance with this Section 6.1 may be conclusively deemed by the IJB to constitute Respondent's acceptance thereof.

Any term, condition, provision, or requirement to which a Respondent fails to take exception and propose changes and/or alternative language in accordance with this Section 6.1 will not be subject to negotiation.

A Respondent may not take exception to any of the provisions or terms contained in this RFP or the General Terms.

A Respondent may not state that it takes exception to any of the terms, conditions, requirements, or other provisions of the RFP (including those contained in the General Terms) to the extent any of the foregoing conflict with any terms or conditions contained in the Respondent's standard form contracts. If a Respondent submits its own terms and conditions or otherwise fails to follow the process described herein, the IJB may reject the Respondent's Proposal, at its sole discretion.

The IJB reserves the right to refuse to enter into a Contract with the successful Respondent for any reason, even after delivery of notice of selection or intent to award or negotiate a contract. The IJB further reserves the right to negotiate contract terms with the successful Respondent if the best interests of the IJB or the State would be served.

The IJB will evaluate all Proposals without regard to any proposed modifications to any terms and conditions of the RFP or the General Terms. Once a Proposal has been identified as the one for which an Award recommendation has been made, but prior to notifying Respondents of the decision, the IJB, in its sole discretion, may consider any modifications to the terms and conditions of the RFP or the General Terms proposed by a Respondent in that Proposal. The IJB reserves the right to either award a Contract(s) without further negotiation with the successful Respondent or to negotiate Contract terms with the successful Respondent if the best interests of the IJB or the State would be served. As such, if any proposed modifications are not determined to be in the best interests of the IJB or the State, or appear to pose a substantial impediment to reaching agreement, the IJB may, in its sole discretion:

1. Issue a Notice of Intent to Award in favor of the successful Respondent, but decline to agree to or further negotiate any modifications to terms and conditions proposed by Respondent in its Proposal;
2. Issue a Notice of Intent to Award in favor of the successful Respondent, and may identify in the Notice any modifications to terms and conditions proposed by Respondent in its Proposal with which the IJB will or will not agree or further negotiate;
3. Enter open-ended negotiations with the successful Respondent; provided, that any such negotiations shall be limited to the modifications to terms and conditions proposed by Respondent in its Proposal;
4. Change the IJB's recommendation for Award and issue a Notice of Intent to Award to a Respondent whose proposal does not pose as great of a challenge to the IJB.

Any ambiguity, vagueness, inconsistency or conflict, either internal to such modification(s) or arising when read in conjunction with other portions of the Contract, shall be construed strictly in favor of the State. Only those proposed modifications identified in the Notice of Intent to Award

issued by the IJB as terms and conditions with which the IJB will agree, or ultimately agrees to after further negotiations, shall be part of the Contract. The State may ignore all modifications or exceptions proposed by a Respondent, accept one or more and ignore others, accept all or, through negotiations after an award, agree to compromise language concerning one or more proposed modifications to be incorporated into a final Contract between the parties. By executing and submitting its Proposal in response to this RFP, Respondent understands and agrees that the State may exercise its discretion not to consider any or all proposed modifications or exceptions Respondent may request and may accept Respondent's proposal under the terms and conditions contained in this RFP and the General Terms.

6.2 TERM LENGTH

The Contract shall have an initial term of one (1) year, beginning on the later date of Contract execution or the anticipated start date for the initial term specified on the RFP Cover Page. At the end of the Contract's initial term, the IJB shall have the option, in its sole discretion, to renew the Contract on the same terms and conditions for up to a total of five (5) additional one-year terms. The resulting Contract may be terminated in accordance with its terms. The IJB may not agree to penalties for termination in any of the above-described scenarios.

6.3 INSURANCE
