Notice of Price adjustment 22119B

March 3, 2025

On March 3rd 2025 under amended executive order 14195, President Donald J. Trump ordered the Secretary of Homeland Security and US Customs and Border Patrol to levy additional duties of 20% on products entering the US from China effective March 4, 2025 12:01EST. The canvas shoes which the State purchases from Goaltex Corp against the above agreement are subject to this increase. This letter is your formal notice of price escalation with new pricing taking effect no later than March 4, 2025 12:01EST

The current additional duty charge for these shoes and the new current contract prices are listed below.

Line no	current price	additional duty	new price
1	\$6.10	\$0.50	\$6.60
2	\$6.10	\$0.50	\$6.60
3	\$6.47	\$0.60	\$7.07
4	\$6.47	\$0.60	\$7.07
5	\$4.93	\$0.36	\$5.29
6	\$4.93	\$0.36	\$5.29

This increase only covers the current additional duty charge levied by U.S. Government action and does not provide Goaltex Corp with any additional benefit nor any additional profit.

We of course will continue to monitor US trade policy and update you if and when necessary.

Sincerely yours,

Robert Grubman
