

**CONTRACT AMENDMENT
PRICE AND PRODUCT CHANGE REQUEST FORM**

Supplier Name: Staples Contract & Commercial LLC

Sourcewell Contract Number: 121919-SCC (Contract)

Instructions

A request for product or service changes, additions, or deletions to the Contract will be considered at any time throughout the Contract term. All modifications must be within the scope of the original RFP and be in the best interests of Sourcewell and Sourcewell Participating Entities. If approved, the request will be incorporated into the above-referenced contract; however, no changes will be binding unless the request is approved by the Manager of Supplier Development and this request is signed by Sourcewell's Chief Procurement Officer.

Additions: New products and related services may be added to the contract if they are within the scope of the original RFP.

Deletions: Products and related services may be deleted from the contract if they are no longer available.

Price increases: Price increase requests must provide sufficient justification for the change (e.g., recently imposed tariffs or significant petroleum cost increases), not merely generalized statements requesting the increase.

Price decreases: Price decreases are accepted at any time.

Submit this request to the assigned Sourcewell Supplier Development Administrator.

Detailed Justification for Changes

1. *Changed Product List*

List the products and/or services that are changing from the previous contract price list, along with the percentage change for each item or category. Attach a separate sheet if a large number of changes are included in this request. Changes to specific Service Rates due to inflationary market conditions and industry-related delivery, fuel, service, and labor cost increases.

Adding one national manufacturer of K12 products to further support Sourcewell members.

2. Justification for Changes

Provide justification and documentation explaining the requested changes (e.g., add a product because of technology advances in new model of equipment, increased raw material costs, add a Hot List of products). Include the percentage range of increase.

Changes in line with market conditions based on significant cost increases in services, labor, fuel, and logistics. Changes are within existing contract terms.

3. Product additions only

Describe how the product additions fit within the scope of the original RFP.

Adding new national K12 products manufacturer, Whitney Brothers, to support Sourcewell K12 member needs.

4. Price changes or product/service additions only

State how the requested pricing is consistent with current Sourcewell contract pricing.

Staples is retaining the integrity of the primary Service Fees and Rates. Increases are necessary due to the current market conditions and inflation impacts.
