Contract For: Electric Vehicle Charging Stations - National Car Charging

The parties agree to comply with the terms and conditions on the following attachments which are by this reference made a part of the Agreement.

Attachments are on file with the Department of Administrative Service - Central Procurement.

Attachment 1: Competitive Solicitation RFP1119005053.

Attachment 2: Contractor's Technical Proposal in response to RFP1119005053.

Attachment 3: Contractor's Cost (final pricing documentation) Response to RFP1119005053.

Purchasing entities should use the Equipment & Option Pricing - National Car Charging attachment for a detailed breakdown of the equipment, options, and pricing for this vendor.

NOTE: Due to the variety of equipment, networking systems, and credit card options, purchasing entities are responsible for ensuring the terms and conditions regarding networking and credit card usage meet the requirements of their entity. The State is providing a Purchasing Entity Addendum template for use by purchasing entities to add terms and conditions specific to their entity. Addendums executed by purchasing entities shall not broaden the scope of work and services provided through this Master Agreement.
