 - c) Updated Price Lists must be submitted to the Lead State by the 1st day of each quarter.
 - d) Pricing will not go into effect unless, or until, it is approved by the Lead State.

3.2. Participants and Scope

- 3.2.1. Contractor may not deliver Products or perform Services under this Master Agreement until a Participating Addendum acceptable to the Participating State or Entity and Contractor is executed. The NASPO ValuePoint Master Agreement Terms and Conditions are applicable to any Order by a Participating State or Entity (and other Purchasing Entities covered by their Participating Addendum), except to the extent altered, modified, supplemented or amended by a Participating Addendum. By way of illustration and not limitation, this authority may apply to unique delivery and invoicing requirements, confidentiality requirements, defaults on Orders, governing law and venue relating to Orders by a Participating State or Entity, indemnification, and insurance requirements. Statutory or constitutional requirements relating to availability of funds may require specific language in some Participating Addenda in order to comply with applicable law. The expectation is that these alterations, modifications, supplements, or amendments will be addressed in the Participating Addendum or, with the consent of the Purchasing Entity and Contractor, may be included in the ordering document (e.g. Order) used by the Purchasing Entity to place the Order.

- 3.2.2.** Use of specific NASPO ValuePoint cooperative Master Agreements by state agencies, political subdivisions and other Participating States or Entities authorized by individual state's statutes to use state contracts are subject to the approval of the respective State Chief Procurement Officer. Issues of interpretation and eligibility for participation are solely within the authority of the respective State Chief Procurement Officer.
- 3.2.3.** Obligations under this Master Agreement are limited to those Participating States and Entities who have signed a Participating Addendum and Purchasing Entities within the scope of those Participating Addenda. Financial obligations of Participating States and Entities are limited to the Orders placed by the departments or other state agencies and institutions having available funds. Participating States incur no financial obligations on behalf of political subdivisions. Contractor shall email a fully executed PDF copy of each Participating Addendum to PA@naspovaluepoint.org to support documentation of participation and posting in appropriate data bases.
- 3.2.4.** Participating States and Entities may, through a Participating Addendum, limit:
- a) Available financial vehicles;
 - b) Device Groups, Segments, Products, Services (including MPS); and
 - c) Any additional items as deemed necessary by the Participating State or Entity.
- 3.2.5.** A Participating State or Entity must sign a new Participating Addendum with Contractor, regardless of whether Contractor has signed Participating Addenda under a prior Master Agreement(s).
- 3.2.6.** NASPO Cooperative Purchasing Organization LLC, doing business as NASPO ValuePoint, is not a party to this Master Agreement. It is a nonprofit cooperative purchasing organization assisting states in administering the NASPO ValuePoint cooperative purchasing program for state government departments, institutions, agencies and political subdivisions (e.g., colleges, school districts, counties, cities, etc.) for all 50 states, the District of Columbia and the territories of the United States.
- 3.2.7.** Participating Addenda shall not be construed to amend the following provisions in this Master Agreement between the Lead State and Contractor, and any such language shall be void and of no effect:
- a) Term of this Master Agreement;
 - b) Amendments;
 - c) Participants and Scope;
 - d) Administrative Fee;
 - e) NASPO ValuePoint Summary and Detailed Usage Reports;
 - f) NASPO ValuePoint Cooperative Program Marketing and Performance Review;
 - g) NASPO ValuePoint eMarket Center;
 - h) Right to Publish;
 - i) Price and Rate Guarantee Period; and
 - j) Individual customers.
- 3.2.8.** Participating Entities who are not states may under some circumstances sign their own Participating Addendum, subject to the approval of participation by the Chief Procurement Officer of the state where the Participating Entity is located. Any permission to participate through

execution of a Participating Addendum is not a determination that procurement authority exists in the Participating Entity; they must ensure that they have the requisite procurement authority to execute a Participating Addendum.

- 3.2.9.** Purchasing Entities may not Resell Products. This limitation does not prohibit the following; however, any sale or transfer must be consistent with license rights granted for use of Intellectual Property:
- a) Payments by employees of a Purchasing Entity for Products;
 - b) Sales of Products to the general public as surplus property; and
 - c) Fees associated with inventory transactions with other governmental or non-profit entities, and consistent with a Purchasing Entity's laws and regulations.

3.3. Administrative Fees

3.3.1. The Contractor shall pay to NASPO ValuePoint, or its assignee, a NASPO ValuePoint Administrative Fee of one-quarter of one percent (0.25% or 0.0025) no later than sixty (60) days following the end of each calendar quarter.

3.3.2. The NASPO ValuePoint Administrative Fee is not negotiable.

3.3.3. The Contractor shall report on all actual Equipment sales, and on Estimated Service and Supply sales. This method will no longer require the Contractor to capture the actual Service and Supply revenues that are billed to the customer each month.

3.3.4. Industry research has shown close to a 1:1 ration between sales price on a piece of Equipment and the actual amount of Service and Supply costs required to operate that Equipment over its Useful Life. Therefore, to simply the reporting process and remove the burden to capture the actual Service and Supply costs, the Contractor shall report as follows:

a) **Purchased Equipment:** Contractor shall report the actual amount invoiced (less any taxes) for all Equipment sold under the reporting period (calendar quarter). In addition, the Contractor shall report an additional amount equal to the invoice amount and identified as "Estimated Service and Supplies," providing the customer elects to enter into a Maintenance Agreement. Thus, in the Contractor's Detailed Sales Report, for each item sold, there will be two-line items: one for the piece of Equipment, and one for the Estimated Service and Supplies. The amounts reflected for the Estimated Service and Supplies, if applicable, must be equal to the amount of the Equipment.

b) **Lease and Rental Equipment:** Contractor shall report sales according to the Purchased Equipment methodology described in §3.3.4(a), or they may report the actual amount invoiced (less any taxes) for the lease or rental during the reporting period (calendar quarter). In addition, the Contractor shall report an additional amount equal to the invoice amount and identified as "Estimated Service and Supplies." Thus, in the Contractor's Detailed Sales Report, for each item leased or rented, there will be two-line items: one for the invoice amount to the customer for the Equipment, and one for the Estimated Service and Supplies.

3.3.5. Some Participating States may require a fee be paid directly to the Participating State on sales made by Purchasing Entities within that state. For all such requests, the fee level, payment method, and schedule for such reports and payments will be incorporated into the Participating Addendum. The Contractor may adjust this Master Agreement pricing accordingly for sales made by Purchasing Entities within the jurisdiction of the Participating State requesting the additional fee.

3.4. NASPO ValuePoint Summary and Detailed Usage Reports

The Contractor shall provide the following NASPO ValuePoint reports:

- 3.4.1. Summary Sales Data.** The Contractor shall submit quarterly sales reports directly to NASPO ValuePoint using the NASPO ValuePoint Quarterly Sales/Administrative Fee Reporting Tool found at <http://www.naspo.org/WNCPO/Calculator.aspx>. Any/all sales made under the Contract shall be reported as cumulative totals by state, which are inclusive of all line items identified in the Detailed Sales Report. Even if Contractor experiences zero sales during a calendar quarter, a report is still required. Reports shall be due no later than thirty (30) days following the end of the calendar quarter (as specified in the reporting tool).

Unless otherwise specified in the Participating Addendum, in the event of a default under a Participating Addendum, a Participating Entity shall provide a written notice of default as described in this section and have all of the rights and remedies under this paragraph regarding its participation in this Master Agreement, in addition to those set forth in its Participating Addendum.

6.10.5. Unless otherwise specified in an Order, a Purchasing Entity shall provide written notice of default as described in this section and have all of the rights and remedies under this paragraph and any applicable Participating Addendum with respect to an Order placed by the Purchasing Entity. Nothing in these Master Agreement Terms and Conditions shall be construed to limit the rights and remedies available to a Purchasing Entity under the applicable commercial code.

6.11. Waiver of Breach

Failure of the Lead State, Participating Entity, or Purchasing Entity to declare a default or enforce any rights and remedies shall not operate as a waiver under this Master Agreement or Participating Addendum. Any waiver by the Lead State, Participating Entity, or Purchasing Entity must be in writing. Waiver by the Lead State or Participating Entity of any default, right or remedy under this Master Agreement or Participating Addendum, or by Purchasing Entity with respect to any Order, or breach of any terms or requirements of this Master Agreement, a Participating Addendum, or Order shall not be construed or operate as a waiver of any subsequent default or breach of such term or requirement, or of any other term or requirement under this Master Agreement, Participating Addendum, or an Order.

6.12. Debarment

The Contractor certifies that neither it nor its principals are presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from participation in this transaction (Contract) by any governmental department or agency. This certification represents a recurring certification made at the time any Order is placed under this Master Agreement. If the Contractor cannot certify this statement,

attach a written explanation for review by the Lead State.

6.13. Indemnification

6.13.1. The Contractor shall defend, indemnify and hold harmless NASPO, NASPO Cooperative Purchasing Organization LLC (doing business as NASPO ValuePoint), the Lead State, Participating Entities, and Purchasing Entities, along with their officers, agents, and employees as well as any person or entity for which they may be liable, from and against claims, damages or causes of action including reasonable attorneys' fees and related costs for any death, injury, or damage to property arising from act(s), error(s), or omission(s) of the Contractor, its employees or Subcontractors or volunteers, at any tier, relating to the performance under this Master Agreement.

6.13.2. Indemnification – Intellectual Property. The Contractor shall defend, indemnify and hold harmless NASPO, NASPO Cooperative Purchasing Organization LLC (doing business as NASPO ValuePoint), the Lead State, Participating Entities, Purchasing Entities, along with their officers, agents, and employees as well as any person or entity for which they may be liable ("Indemnified Party"), from and against claims, damages or causes of action including reasonable attorneys' fees and related costs arising out of the claim that the Product or its use, infringes Intellectual Property rights ("Intellectual Property Claim").

6.13.3. The Contractor's obligations under this section shall not extend to any combination of the Product with any other Product, system or method, unless the Product, system or method is:

- a) Provided by the Contractor or the Contractor's subsidiaries or affiliates;
- b) Specified by the Contractor to work with the Product;
- c) Reasonably required, in order to use the Product in its intended manner, and the infringement could not have been avoided by substituting another reasonably available Product, system or method capable of performing the same function; or
- d) It would be reasonably expected to use the Product in combination with such Product, system or method.

6.13.4. The Indemnified Party shall notify the Contractor within a reasonable time after receiving notice of an Intellectual Property Claim. Even if the Indemnified Party fails to provide reasonable notice, the Contractor shall not be relieved from its obligations unless the Contractor can demonstrate that it was prejudiced in defending the Intellectual Property Claim resulting in increased expenses or loss to the Contractor. If the Contractor promptly and reasonably investigates and defends any Intellectual Property Claim, it shall have control over the defense and settlement of it. However, the Indemnified Party must consent in writing for any money damages or obligations for which it may be responsible. The Indemnified Party shall furnish, at the Contractor's reasonable request and expense, information and assistance necessary for such defense. If the Contractor fails to vigorously pursue the defense or settlement of the Intellectual Property Claim, the Indemnified Party may assume the defense or settlement of it and the Contractor shall be liable for all costs and expenses, including reasonable attorneys' fees and related costs, incurred by the Indemnified Party in the pursuit of the Intellectual Property Claim. Unless otherwise agreed in writing, this section is not subject to any limitations of liability in this Master Agreement or in any other document executed in conjunction with this Master Agreement.

6.14. No Waiver of Sovereign Immunity

6.14.1. In no event shall this Master Agreement, any Participating Addendum or any Contract or any Purchase Order issued thereunder, or any act of a Lead State, a Participating Entity, or a Purchasing Entity be a waiver of any form of defense or immunity, whether sovereign immunity, governmental immunity, immunity based on the Eleventh Amendment to the Constitution of the United States or otherwise, from any claim or from the jurisdiction of any court.

6.14.2. This section applies to a claim brought against the Participating State only to the extent Congress has appropriately abrogated the Participating State's sovereign immunity and is not consent by the Participating State to be sued in federal court. This section is also not a waiver by the Participating State of any form of immunity, including but not limited to sovereign immunity and immunity based on the Eleventh Amendment to the Constitution of the United States.

6.15. Governing Law and Venue

6.15.1. The construction and effect of this Master Agreement shall be governed by the laws of the Lead State. Venue for any administrative or judicial action relating to this Master Agreement shall be in the City and County of Denver, Colorado.

6.15.2. The construction and effect of any Participating Addendum or Order against this Master Agreement shall be governed by and construed in accordance with the laws of the Participating Entity's or Purchasing Entity's State.

6.15.3. If a claim is brought in a federal forum, then it must be brought and adjudicated solely and exclusively within the United States District Court for (in decreasing order of priority): The Lead State for claims relating to the procurement, evaluation, award, or Contract performance or administration if the Lead State is a party; the Participating State if a named party; the Participating Entity state if a named party; or the Purchasing Entity state if a named party.

6.16. Assignment of Antitrust Rights

Contractor irrevocably assigns to a Participating Entity any claim for relief or cause of action which the Contractor now has or which may accrue to the Contractor in the future by reason of any violation of state or federal antitrust laws (15 U.S.C. § 1-15 or a Participating Entity's state antitrust provisions), as now in effect and as may be amended from time to time, in connection with any Goods or Services provided to the Contractor for the purpose of carrying out the Contractor's obligations under this Master Agreement or Participating Addendum, including, at a Participating Entity's option, the right to control any such litigation on such claim for relief or cause of action.

6.17. Contract Provisions for Orders Utilizing Federal Funds

Pursuant to Appendix II to 2 Code of Federal Regulations (CFR) Part 200, Contract Provisions for Non-Federal Entity Contracts Under Federal Awards, Orders funded with federal funds may have additional contractual requirements or certifications that must be satisfied at the time the Order is placed or upon delivery. These federal requirements may be proposed by Participating Entities in Participating Addenda and Purchasing Entities for incorporation in Orders placed under this Master Agreement.

THE PARTIES HERETO HAVE EXECUTED THIS MASTER AGREEMENT

*** Individual signing for Contractor hereby swears and affirms that they are authorized to act on Contractor's behalf and acknowledge that the Lead State is relying on their representations to that effect.**

ATTACHMENT A, SHARP MASTER LEASE AGREEMENT

| | |
|--|---|
| Master Lease Number: | Customer's Federal Tax ID#: |
| Customer Name (exact registered name if a corporation, LLC or LP): | Customer's Address (principal place of business): |
| Customer's d/b/a (if any): | Customer's Main Business Phone Number: |

In this Master Lease Agreement, as it may be amended from time to time (the "Master Agreement"), the words "You" and "Your" mean the Customer named above. "We," "Us" and "Our" mean Sharp Leasing USA Corporation ("SLUSA"). "Schedule" means a document, in the form attached hereto as Exhibit A or such other form as We may accept in Our sole discretion, to be entered into between You and Us for each individual transaction entered into between You and Us pursuant to this Master Agreement. "Sharp" means Sharp Electronics Corporation (either directly or through one of its branch dealers), the supplier of the Equipment to You. *This Master Agreement, each Schedule and the other documents executed or delivered by Us in connection herewith and therewith represent the final and only agreement between You and Us regarding the subject matter herein and therein and shall supersede any other oral or written agreements between You and Us. This Master Agreement can be changed only by a written agreement between You and Us. Other agreements not stated herein (including, without limitation, those contained in any purchase agreement or other agreement between You and Sharp) are not binding on Us.* This Master Agreement and each Schedule may be executed in counterparts, each of which shall be deemed an original, but all of which together shall constitute the same document. You acknowledge that You have received a copy of this Master Agreement and agree that a facsimile or other copy containing Your faxed or copied signature shall be as enforceable as the original executed Master Agreement. You hereby represent that this Master Agreement is legally binding and enforceable against You in accordance with its terms.

1. LEASE OF EQUIPMENT - GENERAL. Each Schedule executed by You (and to be executed by You in the future) represents your agreement to lease from Us the personal property listed therein (together with all existing and future accessories, attachments, replacements, additions and embedded software, the "Equipment"), upon the terms stated in such Schedule and this Master Agreement, the terms and conditions of which are incorporated by reference into the Schedule (collectively, a "Lease"). Each Schedule, including the terms and conditions incorporated therein by reference, shall be considered a separate and independent Lease. If the Equipment includes any software, You agree that (i) We don't own the software, (ii) You are responsible for entering into any necessary software license agreements with the owners or licensors of such software, (iii) You shall comply with the terms of all such agreements, if any, and (iv) any default by You under any such agreements shall also constitute a default by You under this Master Agreement and the related Schedule. The initial term of each Lease will begin on a date designated by Us after We accept it (the "Commencement Date") and will continue for the number of months shown on such Schedule ("Initial Term"). You promise to pay to Us the periodic payments shown on each Schedule in accordance with the payment schedule set forth therein, plus all other amounts stated herein and therein. Each Schedule is binding on You as of the date You sign it. After You sign a Schedule, We may (i) insert the Schedule or contract number thereon and any other information missing in such Schedule. (ii) lease payment may be adjusted downward if the actual cost of the equipment is less than the original estimate provided to the Lessee.

2. NON-CANCELABLE TERM; AUTOMATIC RENEWAL. As used herein, "Present Term" means the term presently in effect at any time with respect to a Lease, whether it is the Initial Term or a Renewal Term (as defined below). With respect to each Lease, You shall notify Us in writing at least 30 days before the end of the Present Term (the "Notice Period") that You intend to return the Equipment at the end of such Present Term or enter into a Renewal Term, per the terms and conditions outlined in the Master Agreement. Should you choose to renew the Lease, then the payment amount and other terms of such Lease will continue to apply. If You do notify Us in writing within the Notice Period that You intend to return the Equipment at the end of the Present Term, then, promptly upon the expiration of such Present Term, You shall return the Equipment pursuant to Section 13 below. Each Lease is non-cancelable during the Initial Term and any Renewal Term.

3. UNCONDITIONAL OBLIGATIONS. With respect to each Lease, You agree that: (a) We are a separate and independent company from Sharp, the manufacturer and any other vendor (collectively, "Vendors"), and the Vendors are NOT Our agents; (b) no statement, representation or warranty by any Vendor is binding on Us, and no Vendor has authority to waive or alter any term of this Master Agreement or any Schedule; (c) You, not We, selected all Equipment and the Vendors based on Your own judgment; (d) Your duty to perform Your obligations under this Master Agreement and each Schedule is unconditional and irrevocable despite any failure of any Equipment, the existence of any law restricting the use of any Equipment, or any other adverse condition; (e) if You are a party to any maintenance, service, supplies or other contract with any Vendor, We are NOT a party thereto, such contract is NOT part of this Master Agreement or any Schedule (even though We may, as a convenience to You and a Vendor, bill and collect monies owed by You to such Vendor), We have no obligations to You under such contract, and no breach by any Vendor will excuse You from performing Your obligations to Us under this Master Agreement or any Schedule; and (f) if the Equipment is unsatisfactory or if any Vendor fails to provide any service or fulfill any other obligation to You, You shall not make any claim against Us and shall continue to perform all of Your obligations to Us.

THE TERMS OF THIS MASTER AGREEMENT ARE CONTINUED ON THE REVERSE SIDE / NEXT PAGE. DO NOT SIGN THIS CONTRACT BEFORE YOU READ AND UNDERSTAND IT. PLEASE SEEK LEGAL COUNSEL BEFORE SIGNING IF YOU HAVE QUESTIONS.

4. **PAYMENTS.** The payments due pursuant to each Schedule, plus applicable taxes and other charges provided for herein and in the Schedule, shall be due and payable by the due date set forth in Our invoice to You. The payments due under a Schedule may include additional copy charges at the "Overage Copy Charge" rate specified in the Schedule for copies in excess of the Monthly Copy Allowance provided in the Schedule. You agree to (a) provide Us or Sharp by telephone or facsimile with the actual meter readings whenever You are requested to do so, (b) allow Us or Sharp to attach an automatic meter reading device to the Equipment, which meter reading device You will not remove or alter without approval from Us or Sharp, and/or (c) give Us or Sharp access to the Equipment to obtain meter readings or audit the meter reading device. If We or Sharp request You to provide meter readings and You fail to do so within 7 days of the date of such request, then (i) the number of copies used by You may be estimated by Us or Sharp and We will invoice You accordingly, and (ii) We will adjust the estimated charge for excess copies upon receipt of actual meter readings. Restrictive endorsements on checks will not be binding on Us. All payments received will be applied to past due amounts and to the current amount due in such order as We determine. Any security deposit or estimated future Governmental Charge (as defined in Section 10 below) that You pay with respect to a Lease is non-interest bearing, may be commingled with Our funds, may be applied by Us at any time to past-due amounts, and the unused portion will be returned to You within 90 days after the end of this Lease. If We do not receive a payment within forty-five (45) days of the due date, You shall pay (i) a fee equal to 1% per month of the outstanding balance. If any check is dishonored, You shall pay Us a fee of \$20.00. Promptly following Our request, from time to time, You shall furnish Us with current financial statements.

5. **INDEMNIFICATION.** With respect to each separate Lease, You agree to indemnify and defend Us against, and hold Us harmless for, any and all claims (including but not limited to claims for personal injury and death), actions, damages, liabilities, losses and costs (including but not limited to reasonable attorneys' fees) made against Us, or suffered or incurred by Us, arising directly or indirectly out of, or otherwise relating to, the delivery, installation, possession, ownership, use, loss of use, defect in or malfunction of any Equipment. This obligation shall survive the termination of this Master Agreement and each Schedule.

6. **NO WARRANTIES. WE ARE LEASING ALL EQUIPMENT TO YOU "AS IS".** We have not made and we hereby disclaim any and all warranties, express or implied, arising by applicable law or otherwise, including without limitation, the implied warranties of merchantability and fitness for a particular purpose. We hereby transfer to You, without recourse to Us, all automatically transferable warranties, if any, made to Us by the Vendor(s) of the Equipment. You agree that each Lease is a "finance lease" under the Uniform Commercial Code (the "UCC") unless otherwise expressly stated in the related Schedule or as provided by law. To the extent permitted by law, You hereby waive any and all rights and remedies conferred upon You under UCC Sections 2A-303 and 2A-508 through 522. You may be entitled under Article 2A of the UCC to the promises and warranties (if any) provided to Us by some or all of the Vendor(s) in connection with or as part of the contracts (if any) by which We acquire Equipment from such Vendor(s). You may contact such Vendor(s) for an accurate and complete statement of those promises and warranties (if any), including any disclaimers and limitations of them or of remedies. If it is determined that any Lease is a lease intended as security and/or the related Schedule grants to You a \$1.00 purchase option, then You hereby grant to Us a security interest in the related Equipment and all proceeds thereof. You authorize Us to record UCC financing statements to protect Our interests in the Equipment.

7. **DELIVERY, LOCATION, OWNERSHIP, USE, MAINTENANCE OF EQUIPMENT.** Sharp will install (and, with Our prior consent, remove) the Equipment in accordance with Sharp's service policies. You are responsible for all Equipment maintenance. You shall not remove any Equipment from the Equipment location specified in the related Schedule unless You first get Our permission. You shall give Us access to each Equipment location so that We may inspect the Equipment, and You agree to pay Our costs in connection therewith, and as outlined in the Master Agreement, whether performed prior to or after the Commencement Date of the related Lease. Unless otherwise stated in the related Schedule or as provided by law, We will own and have title to all Equipment (excluding any software) during each Lease. You agree that all Equipment is and shall remain personal property. Without Our prior written consent, You will not permit it to become (i) attached to real property or (ii) subject to any liens or encumbrances. You represent that all Equipment will be used solely for commercial purposes and not for personal, family or household purposes. You shall use all Equipment in accordance with all laws, operation manuals, any service contracts and insurance requirements, and shall not make any permanent alterations to it. At Your cost, You shall keep all Equipment in good working order and warrantable condition, ordinary wear and tear excepted ("Good Condition").

8. **LOSS; DAMAGE; INSURANCE.** With respect to each Lease, You shall, at all times during the Initial Term and any Renewal Term, (i) bear the risk of loss and damage to the Equipment and shall continue performing all Your obligations to Us even if it becomes damaged or suffers a loss, (ii) keep the Equipment insured against all risks of damage and loss ("Property Insurance") in an amount equal to its replacement cost, with Us named as sole "loss payee," and (iii) carry public liability insurance covering bodily injury and property damage ("Liability Insurance") in an amount acceptable to Us, with Us named as "additional insured." You have the choice of satisfying these insurance requirements by providing Us with satisfactory evidence of Property and Liability Insurance ("Insurance Proof"), within 30 days of the Commencement Date of such Lease. Such Insurance Proof must provide for at least 30 days prior written notice to Us before it may be cancelled or terminated and must contain other terms satisfactory to Us. If you do not provide Us with Insurance Proof within 30 days of the Commencement Date of any Lease, or if such insurance terminates for any reason, then (a) You agree that We have the right, but not the obligation, to obtain such Property Insurance and/or Liability Insurance in such forms and amounts from an Insurer of Our choosing in order to protect Our interests ("Other Insurance"), and (b) You agree that We may charge you a periodic charge for such Other Insurance. This periodic charge will include reimbursement for premiums advanced by Us to purchase Other Insurance, billing and tracking fees, charges for Our processing and related fees associated with the Other Insurance, and a finance charge of up to 18% per annum (or the maximum rate allowed by law, if less) on any advances We make for premiums, (collectively, the "Insurance Charge"). We and/or one or more of our affiliates and/or agents may receive a portion of the Insurance Charge, which may include a profit. We are not obligated to obtain, and may cancel, Other Insurance at any time without notice to You. Any Other Insurance need not name You as an insured or protect Your interests. The Insurance Charge may be higher than the amount You would pay if You obtained Property and Liability Insurance on Your own.

9. **ASSIGNMENT.** You shall not sell, transfer, assign or otherwise encumber (collectively, "Transfer") this Master Agreement or any Schedule, or Transfer or sublease any Equipment, in whole or in part. We may, upon prior written notice to You, Transfer Our interests in any Equipment and/or this Master Agreement or any Schedule, in whole or in part, to a third party ("New Owner"), and if so, the New Owner will, to the extent of the Transfer, have all of Our rights and benefits but will not have to perform Our obligations (if any). You agree not to assert against the New Owner any claim or defense You may have against Us or any predecessor in interest.

10. **TAXES AND OTHER FEES.** You are responsible for all taxes (including, without limitation, sales and personal property taxes, and excluding only taxes based on Our income), levies, assessments, license and registration fees and other governmental charges relating to this Master Agreement, each Schedule and/or the related Equipment (collectively "Governmental Charges"). You agree to promptly pay Us, on demand, estimated future Governmental Charges. You authorize Us to pay any Governmental Charges as they become due, and You agree to reimburse Us promptly upon demand for the full amount (less any estimated amounts previously paid by You). You agree to pay Us a fee for preparing and filing personal property tax returns, and You agree not to file any personal property tax returns. You also agree to pay Us upon demand (i) for all costs of filing, amending and releasing UCC financing statements, and (ii) a processing fee of \$75.00 (or as otherwise agreed) per Lease to cover Our investigation and other administrative costs in originating such transaction. You also agree to pay Us a fee, in accordance with Our current fee schedule, which may change from time to time, for additional services We may provide to You at Your request. You agree that the fees set forth in this Master Agreement may include a profit.

11. **SAVINGS CLAUSE.** If any amount charged or collected under this Master Agreement or any Lease is greater than the amount allowed by law, including, without limitation, any amount that exceeds applicable usury limits (an "Excess Amount"), then (i) any Excess Amount charged but not yet paid will be waived by Us and (ii) any Excess Amount collected will be refunded to You or applied to any other amount then due hereunder.

12. **DEFAULT.** With respect to each Lease, You will be in default if You (1) fail to pay any amount due within 15 days of the due date, (2) breach or attempt to breach any other term, representation or covenant set forth herein, the related Schedule or in any other agreement between You and Us, (3) die (if You are an individual), go out of business or commence dissolution proceedings, (4) become insolvent, admit Your inability to pay Your debts, make an assignment for the benefit of Your creditors (or enter into a similar arrangement), file (or there is filed against You) a bankruptcy, reorganization or similar proceeding or a proceeding for the appointment of a receiver, trustee or liquidator, or (5) suffer an adverse change in Your financial condition and, as a result thereof or for any other reason, We deem Ourselves insecure. If You default, We may do any or all of the following with respect to any one or more Schedules: (A) cancel the related Lease, (B) require You to return the Equipment pursuant to Section 13 below, (C) take possession of and/or render the Equipment (including any software) unusable, and for such purposes You hereby authorize Us and Our designees to enter Your premises, with or without prior notice or other process of law, (D) require You to pay to Us, on demand, an amount equal to the sum of (i) all payments and other amounts then due and past due, (ii) all remaining payments for the remainder of the then Present Term thereof discounted at a rate of 6% per annum, (iii) the residual value of the Equipment estimated by Us at the inception of the Lease (as shown in Our books and records), discounted at a rate of 6% per annum, (iv) Time-Value Interest on the amounts specified in clauses "i", "ii" and "iii" above from the date of demand to the date paid, and (v) all other amounts that may thereafter become due hereunder to the extent that We will be obligated to collect and pay such amounts to a third party (such amounts specified in sub-clauses "i" through "v" referred to below as the "Balance Due"), and/or (E) exercise any other remedy available to Us under law. You also agree to reimburse Us on demand for all reasonable expenses of enforcement (including, without limitation, reasonable attorneys' fees and other legal costs) and reasonable expenses of repossessing, holding, preparing for disposition, and disposition ("Remarketing") of Equipment, plus Time-Value Interest on the foregoing amounts from the date of demand to the date paid. In the event We are successful in Remarketing the Equipment, We shall give You a credit against the Balance Due in an amount equal to the present value of the proceeds received and to be received from Remarketing minus the above-mentioned costs (the "Net Proceeds"). If the Net Proceeds are less than the Balance Due, You shall be liable for such deficiency. Any delay or failure to enforce Our rights under a Lease shall not constitute a waiver thereof. If We are holding any money belonging to You at any time during a Lease, You agree We may retain and utilize such money to cure any default by You under any Lease.

13. **RETURN OF EQUIPMENT.** If You are required to return any Equipment pursuant to the terms hereof, You shall, at Our expense, promptly send the Equipment to a location(s) designated by Us. The Equipment must be received in Good Condition (as defined in Section 7). If the Equipment is not received within 30 days of the date of demand, You agree to continue paying the scheduled payments and all other amounts due pursuant to the related Schedule until it is received by Us.

14. **APPLICABLE LAW; VENUE; JURISDICTION.** Each Lease shall be deemed to be performed in Bergen County, New Jersey (Our principal place of business and where We will administer Your account). This Lease shall be governed by the laws of the State of New Jersey, but without regard to New Jersey's choice-of-law laws. All legal actions relating to this Lease shall be filed and adjudicated exclusively in a state or federal court located in Bergen County, New Jersey. You hereby agree not to object to such venue, and You consent to personal jurisdiction in such courts. You and We hereby waive Your and Our respective rights to a trial by jury in any legal action. Each provision hereof shall be interpreted to the maximum extent possible to be enforceable under applicable law. If any provision is construed to be unenforceable, such provision shall be ineffective only to the extent of such unenforceability without invalidating the remainder hereof.

1. MAINTENANCE AGREEMENT

During the term hereof Sharp will arrange for a designated Sharp Authorized Dealer ("Dealer") or Sharp Business Systems ("SBS") to repair or replace, in accordance with the terms and conditions of this Agreement, any part of the Equipment that causes the Equipment to not perform in accordance with published operating specifications under operating conditions of normal wear and tear.

Equipment eligible for coverage under this Agreement, and added under separate schedules from time to time, must be currently under warranty or to be renewed under a current Maintenance Agreement with the Dealer or SBS. Equipment that is not under warranty or a renewal of an existing Maintenance Agreement will be subject to inspection and repair to manufacturer operating specifications prior to acceptance under this Agreement. Equipment over five (5) years old may be subject to decline for acceptance under this Agreement or for coverage at additional charge, per the Master Agreement. Replacement parts will be furnished on an exchange basis and will be new, reconditioned or used; all parts removed due to replacement will become the property of the Dealer or SBS. Maintenance services provided by the Dealer or SBS under this Agreement do not include the following:

- a) Repairs resulting from accident or misuse by the Customer (including without limitation improper voltage or the use of supplies that do not conform to the manufacturer's specifications).
- b) Repairs made necessary by service performed by person(s) other than the Dealer or SBS.
- c) Additional service calls or work that the Customer requests to be performed outside regular business hours.
- d) Relocation, removal, rebuilding or remanufacturing of the equipment
- d) Provision or replacement of consumable supplies such as paper, toner, developer or staples (unless included on the front side of this Agreement).

2. PERFORMANCE OF MAINTENANCE SERVICES

Maintenance services as described in Paragraph 1 hereof will be provided at the Customer's place of business where the Equipment is located, indicated on the Schedule attached hereto, Monday through Friday except holidays during the hours 8:00 AM to 5:00 PM. Preventative maintenance for the Equipment will be provided as determined by the Dealer or SBS.

Remedial maintenance will be provided after notification by the Customer that the Equipment is inoperative. The response time for an emergency service call should average four (4) hour response time, 96% of the time. Calls for non-emergency situations and some outlying areas will usually be handled the next business day.

3. LIMITATIONS

There are no warranties, including the implied warranties of merchantability and fitness for a particular purpose, not specified herein respecting the parts and maintenance services provided under this Agreement. ATTACHMENT C, SHARP SAMPLE MPS STATEMENT OF WORK TEMPLATE

Purpose

The purpose of this "Scope of Work" is to define partnership expectations between Sharp Electronics Corporation and **Customer Name**. This document explains aspects of the Managed Print Services Agreement and the responsibilities of each party.

Technology Provided By SHARP: **Remote Fleet Facilities Manager** and/or **SHARP MICAS Agent**

Remote Fleet Facilities Manager is a powerful, easy to use tool designed to remotely collect meter reads, automate supplies fulfillment, and report service information for managing fleets of printers, copiers, and multi-function devices. MICAS is a Sharp developed cloud solution used for monitoring and reporting of Sharp MFPs and other printer equipment.

Process and Requirements

1. Service Agreement of Covered Printers and MFP Devices:

All equipment and only equipment listed on the **Schedule A Managed Equipment List** is covered under the **Customer Care Maintenance Agreement**. The equipment is covered for all service, supplies, parts, and repairs as stated on the **Customer Care Maintenance Agreement**, unless specifically excluded.

2. Implementation

Contract implementation is based on customer continuing to maintain function devices with supplies. Sharp Dealer or Branch location will dispatch a technician to inspect devices and tag with and ID number. Any devices needing repairs to function as designed, will be excluded from the contract or will require a billable charge for initial repair. No more than 10% of the fleet toner cartridges should be in a "low toner" alert status – subject to billable charge for toner needs in excess of standard.

3. Toner Ordering / Stocking

Toner orders can be placed using the following methods:

- a. Phone Sharp Business Systems Supply Department at (877) 267-9328
- b. Web Portal: <http://nc.sharp-sbs.com/Customer-Support>
- c. Email: SBS-NC-Supplies@SharpUSA.com
- d. Auto Toner Replenishment (ATR) Remote Fleet or MICAS will be the method(s) of choice for ATR alerts.

ATR Explained: When toner status reaches 7 days to empty, an alert email is sent to SBS-NC-Supplies@SharpUSA.com and will trigger an order to be placed by the Sharp Customer Care Center. Toner will be automatically shipped to the customer location on file for this device.

Local Devices (connected directly to PC): ATR will not work for local non-networked devices or Standalone (non-connected) devices. Option (a.) Phone, (b.) Web Portal, or (c.) email, will be the only options for local or standalone devices.

4. Service Calls

Sharp service is available Monday thru Friday 8:00 AM to 5:00 PM local time (excluding holidays). Customer can initiate service calls using any of the methods listed below.

- a. Phone: 877-267-9328
- b. Email: SBS-CAR-Service@sharpsec.com
- c. B2B Web Portal – can be used to place service calls, order supplies, provide meters, and check status of service calls. Signup process will be provided once account is setup.

Sharp service level response averages less than 4 business hours. First contact may be a help desk call to initiate diagnosis and resolve remotely if possible, then a technician is dispatched as needed. If device cannot be repaired during initial on-site service call, customer may request service loaner.

5. Meter Collection Methods

- a. Remote Monitoring: Remote Fleet or MICAS will be the method(s) of choice for meter collection.

- b. **Customer provided meters:** Requires customer to collect and transmit meters to Sharp Dealer or Branch Customer Care Team for billing. Frequency determined by contract terms (monthly or quarterly).
- c. **Sharp Managed Print Team Meter Collection:** Customers can elect not to utilize Remote Fleet and provide meters to our Customer Care Team. In the rare event Sharp dealer or branch does not receive meters, meters may be estimated or Sharp personnel may be dispatched to collect meters. The charge for this service is a \$50 trip fee per location and \$6 per meter.

6. Printer Relocation / Removal / Replacement / Additions

It is important our customers promptly notify us any time a printer is relocated, retired, or otherwise replaced. This will insure toner supplies and our service personnel are directed to the correct location and retired devices are removed from contract.

Additions to the contract are made using a service addendum. Sharp reserves the right to approve new printer additions to the current service contract and define separate cost-per-page rates based on model selection. This contract can be re-written if both parties agree to revised contract base and/or service rates. At no time however, will the rates exceed those listed in the Master Agreement.

7. Customizable Reporting

Our goal is to help you manage your print volume and print cost more effectively. At your request or during our scheduled account reviews, we will provide valuable reporting of volumes by device and offer guidance for improved efficiency.

8. Recap of / and additional Customer Requirements:

- a. Customer will be required to have meter collection software or select another approved meter collection method.
- b. Machines not capable of reporting toner levels will require customer to initiate toner orders for the ineligible machines and provide meters for billing.
- c. A Sharp approved toner stock will be held at the customer site for emergencies.
- d. Customer must allow Sharp dealer or branch to audit toner stock kept at customer's location.
- e. A shipping location and contact is required for each machine.
- f. Customer must notify the Sharp Customer Care Center and report any supplies that were changed before the end of life notification. The supply must be held for Sharp Dealer or Branch pickup.
- g. All Printers of a like model or that use like toner must be on the agreement.

9. Flat Rate or Monthly Base Billing for Local Printers within an MPS Contract:

Remote location printers or other location without sufficient monthly volume to support service agreement may require a monthly minimum service base.
