Pricing and Specifications are subject to change without notice.

Pricing listed in US Dollars (\$).

When placing orders, carrier model must be noted to receive correct mount, hoses, and QD's.

The Extended Warranty Program is underwritten by Am Trust International and administered by Glynn General Corporation.

SAFETY IS THE RESPONSIBILITY OF THE OPERATOR. Always ensure your carrier's safety features, including ROPs & FOPs, meet your job safety requirements.

A minimum of 1/2" Polycarbonate Guarding for operator protection is required for all attachments, except for the Fecon Stumpex® product line.

Auxiliary equipment options or attachments not listed may be quoted upon request.
