Contract For: Construction and Vegetative Debris Gridding & Disposal

The State of Iowa and TFR Enterprises Inc. establish this agreement pursuant to the specifications, and terms and conditions from The State of Iowa solicitation 005-RFB-1987-2026. Within the State of Iowa, all state agencies, state facilities, cities, counties or education entities or any entity funded in part with state tax dollars, are eligible purchasers and authorized to purchase products and services under the terms of the contract in lieu of a separate competitive selection process.

TFR Enterprises agrees to provide services for construction and vegetative debris hauling, grinding, proper disposal, and related services on an as needed basis for either declared or non-declared events. This construction and vegetative debris would consist of debris collected from the public rights-of-way and/or at a debris management site in the event of storms or other such events.
