NORIX.COM

The NORIX logo is positioned in the top right corner of the page. It consists of the word "NORIX" in a bold, white, sans-serif typeface, with a registered trademark symbol (®) located at the top right of the letter "X". The background of the entire page is a photograph of a modern interior with a warm, orange-brown wall, a dark rectangular object mounted on the wall, and two modern chairs (one dark blue, one teal) in the foreground.

NORIX®

PRICE LIST

June 2026

At Norix[®], we design innovative, robust furniture that meets the real-world need for humanizing challenging environments.

Norix is not just a corporation, we're a family. We care about the people we serve, our community and our team.

We create contemporary designs that humanize our industries without sacrificing robust structural integrity.

Our products are built with the wellbeing of the people who use the furniture in mind, as well as the people around them.

STANDARD TERMS & CONDITIONS, JANUARY 1, 2026

These Terms and Conditions shall be construed, interpreted and enforced under the laws of the State of Illinois, without regard to the conflict of law rules thereof. Venue of any suit brought under these Terms and Conditions, either directly or indirectly, shall be Kane County, Illinois.

ACCEPTANCE

Norix reserves the right to refuse an order, in whole or part, when the type or quantity of goods or credit worthiness of the customer is not satisfactory. Possession of this price list does not constitute a right to purchase Norix products. Prices, terms and conditions of sale are subject to change without notice. All sales will be made at prices prevailing at the time of order. If shipment is delayed at customer request, prices at time of shipment will prevail. A complete order is defined as having no missing information and issued by a bona fide business or facility with good credit.

ACKNOWLEDGMENTS

All orders are manufactured and shipped according to the acknowledgment and its terms and conditions. It is the customer's responsibility to check for and document any discrepancies on the acknowledgment and to notify Norix immediately in writing.

ADA COMPLIANT

Products with this icon meet the Americans with Disabilities Act Accessibility Guidelines as published by the Department of Justice on December 21, 1992 under Proposed Rules for Courthouses (Sections 11) and Detention and Correctional Facilities (Section 12).

CANCELLATION & CHARGES

Cancellations and change orders are subject to Norix approval. A cancellation or change order charge will apply if any cost for material or labor has been incurred prior to notification from the customer. A minimum restocking charge of 25% will apply.

SURCHARGES

A surcharge may be applied on all furniture orders based on market conditions.

STORAGE & HANDLING

All orders are acknowledged with an estimated ship date. Failure to accept delivery of an order based on the estimated ship date will subject your order to warehouse storage and handling charges. Norix will assess storage and handling charges per month if a customer does not accept shipment within 5 days from the acknowledged ship date.

CREDIT & PAYMENT TERMS

For governmental agencies, terms are Net 30 days from invoice ship date. Credit privileges are evaluated on a case by case basis for all other customers. All international sales will require full payment prior to shipment. We accept VISA, Mastercard, American Express and Discover. Credit card payments are subject to a processing fee of 3%, in accordance with applicable laws and regulations. No fees will be assessed for payments made via ACH, check, or wire transfer. Past due accounts will be subject to a finance charge of 1.75% per month (prorated at 21% per annum or legal limit) which will be added to the unpaid balance of invoice not paid within 30 days.

INSPECTION

It is the customer's responsibility and obligation to implement a procedure to conduct regular and timely inspections and maintenance of all Norix products to assure that unsafe conditions do not evolve or exist. Further, it is the customer's responsibility to remove unsafe or defective products from service immediately, including any situations where abuse is suspected or determined to be a potential problem.

RETURNED GOODS

Returns will be allowed for unused products in original packaging only after a Return Good Authorization has been requested by the customer and approved by Norix. Return Goods Authorization requested should be directed to a Norix Customer Service Representative. Custom manufactured products and/or products stored or handled improperly by the customer are not eligible for return. Customer is responsible for all freight charges associated with the order and a minimum 25% restocking charge. After receiving and inspecting the returned goods Norix will issue a product credit to be used by the customer towards future purchases.

Norix's products are presented in this simple, easy to use Price List. Your Norix Representative will be pleased to assist you in the selection of our products. Norix Representatives are located in most major market centers throughout the United States and Canada. For the name of your nearest representative, please call our corporate office, **1-800-234-4900** or **1-630-231-1331**

NORIX FREIGHT INFORMATION

FREIGHT

All shipments are F.O.B. West Chicago IL 60185, unless otherwise specified. Standard delivery is on a dock-to-dock basis utilizing a 53' semi-trailer. Unless arranged for in advance and included as part of a formal Norix price quote, special requests such as "Lift Gate Trucks", "Exact Day Delivery", will incur additional charges. Special requests, such as those listed above must appear on customer's purchase order. Special delivery requests received after the order is acknowledged will be considered a change order. "Exact Time Delivery" is not available. Deliveries required to be received in less than 53' semi-trailers will incur additional charges and must be requested in advance of shipment. Partial shipments at the customer's request will result in additional freight charges. Norix will not in any event be liable to any customer for special, incidental or consequential damages due to late delivery or non-delivery of goods for any reason.

FREIGHT DAMAGE (VISIBLE)

To receive claims consideration, the consignee must inspect the freight for damage and record the specifics of that damage on the bill of lading or delivery receipt. Under National Motor Freight Classification (NMFC) rules, the consignee does not have the right to open and inspect all of the shipping containers prior to signing for the freight. However, if the condition of the shipping package is such that there is good reason to suspect damage, the consignee has the right and should perform an inspection. It is the responsibility of the receiver of the shipment to inspect for item damage within 15 days of receipt of the shipment and report immediately any discrepancies to Norix Customer Service. Norix will not in any event be liable to any customer for special, incidental or consequential damages due to late delivery or non-delivery of goods for any reason.

FREIGHT DAMAGE (CONCEALED)

When damage is discovered after delivery, it should be reported to Norix immediately. The freight and shipping container should be retained until a disposition is given. It is the responsibility of the receiver of the shipment to inspect for item damage within 5 business days of receipt of the shipment and report immediately any discrepancies to Norix customer service.

FREIGHT (REFUSAL)

Customer is liable for all freight charges when refusing to accept delivery of product under terms of acknowledged shipping schedule.

FREIGHT (SHORTAGES)

The Bill of Lading lists the number of cartons, sleeves (of stack chairs) or skids you should expect to receive on each shipment. Any discrepancies must be noted on the delivery receipt. A Packing List is included with every shipment. It is the responsibility of the receiver of the shipment to inspect for item shortages within 15 days of receipt of the shipment and report immediately any discrepancies to Norix customer service.

FORCE MAJEURE

Norix shall not be liable for failure to perform or for delay in performance due to fire, flood, strike, or any other labor difficulty, act of God, act of any governmental authority or of Customer, riot, embargo, fuel or energy shortage, wrecks or delay in transportation, inability to obtain necessary labor, materials, or manufacturing facilities from usual sources, or failure of suppliers to meet their contractual obligations, or due to any cause beyond its reasonable control. In the event of delay in performance due to any such cause, Norix reserves the right to extend the date of delivery or time for completion by a period of time reasonably necessary to overcome the effect of such delay, to allocate any available supply of goods in a manner it deems reasonable, or to cancel any purchase order.

*These goods are sold by Norix for institutional use only and not as consumer products. The design characteristics of these products are not intended to replace or substitute the need for necessary supervision or other necessary protective measures to protect those who may be at risk. Norix warrants the goods to be free from defects in materials and workmanship in normal use and service. It is the customer's responsibility to ensure that products purchased from Norix and installed are suitable for the environment in which they are installed. Norix does not warrant the fitness for use or merchantability of this product. The suitability of this product for any particular purpose is for buyer, in their sole judgment, to determine. Norix is not liable for consequential damages.

WARRANTY INFORMATION

RETURNED GOODS

Returns will be allowed for unused products in original packaging only after a Return Good Authorization has been requested by the customer and approved by Norix. Return Goods Authorization requested should be directed to a Norix Customer Service Representative. Custom manufactured products and/or products stored or handled improperly by the customer are not eligible for return. Customer is responsible for all freight charges associated with the order and a minimum 25% restocking charge. After receiving and inspecting the returned goods Norix will issue a product credit to be used by the customer towards future purchases.

LIMITED WARRANTY

Norix is the industry leader in providing furniture for demanding environments — from behavioral healthcare to corrections and transitional housing. With decades of specialized experience, we design and engineer products that deliver unmatched durability, safety, and performance. As experts in intensive-use environments, we proudly stand behind the quality of our solutions with a warranty that reflects our commitment to excellence. Our warranty provides clear, comprehensive coverage over defects in materials and manufacturing workmanship, giving customers the confidence to specify Norix with total peace of mind.

1. Lifetime Warranty on select Rotomolded Products. Norix warrants that all rotomolded polyethylene furniture components will be free from defects in materials and manufacturing workmanship for the product's lifetime under normal use and conditions. This lifetime warranty does not include rocker-style products or molded products containing urethane foam. Certain molded dining tables require bolt-down or ballasting to validate the warranty (please refer to the spec pages for details).

2. Ten year Structural Limited Warranty – All Other Furniture. Norix warrants that the structural components of all other furniture products (metal, laminate) will be free from defects in materials and manufacturing workmanship for 10 years from the product's ship date.

3. Upholstery, Finishes, and Moving Parts.

- Norix warrants for 5 years from the product's ship date, that mattresses, Safestore™, and Safedoor™ products will be free from defects in materials and manufacturing workmanship, including seam failure and cover material cracking when cared for according to the specified cleaning and maintenance guidelines.
- Norix warrants for 5 years from the product's ship date, outdoor products will be free from defects in materials and manufacturing workmanship.
- Norix warrants for 3 years from the product's ship date, that fabrics and vinyl will be free from defects in materials and manufacturing workmanship including seam failures, defects, and color fading, when cared for according to the specified cleaning and maintenance guidelines as specified by the fabric supplier.
- Norix warrants for 3 years from the product's ship date, that Duravision™ products will be free from defects in materials and manufacturing workmanship.
- Norix warrants for 2 years from the product's ship date, that mechanical components will be free from defects in materials and manufacturing workmanship.

4. Warranty Limitations and Exclusions. This Limited Warranty is provided by Norix in lieu of any other warranties of any kind and Norix disclaims any other warranty of any kind, expressed or implied, including but not limited to any warranty of merchantability or fitness for a particular purpose. No warranty of any kind is provided for product or component failures that are not directly caused by defects in materials and manufacturing workmanship. Norix's limited warranty does not cover product or component failures caused by:

- Normal wear and tear.
- UV exposure or cleaning chemicals which cause color fading.
- Abuse, misuse, negligence, accident, assembly, or installation.
- Improper use, abuse, vandalism, or accident.
- Modifications or repairs not authorized by Norix.
- Customer's Own Material (COM) fabric and finishes.
- Products stored or used in extreme climate conditions (e.g., excessive heat, cold, humidity, or prolonged outdoor exposure).
- Natural variations in color, grain, or texture, including variations in TruGrain™ colors and finishes which, like natural wood colors and finishes, varies from product to product and lot to lot.
- Foam, and filling materials.
- Freight damage.
- Shrinkage, picks, wearing, wrinkling, fading, or pilling (for example, due to the soft and flexible materials used in upholstered furniture, normal wrinkles and puckers may occur, especially where the seat meets the seat back).

5. Claim Procedure and Dispute Resolution. To make a warranty claim, Customer must provide Norix notice which includes: (i) sales order reference number and date that the product was shipped to Customer; (ii) description of the product failure which the customer believes was caused by a defective material or by defective manufacturing workmanship; and (iii) pictures of the Product which clearly show the product failure. Customer must provide Norix a reasonable opportunity to inspect the product to determine if the Product failure is covered under this Limited Warranty. If Norix determines that the failure of the Product is covered by this Limited Warranty, Norix shall have the option at its sole discretion to either: (a) supply a replacement product (if the product or component has been discontinued, Norix, in its sole discretion, reserves the right to substitute such item with a like product or part); or, (b) refund the original price. This Limited Warranty does not cover the costs of shipping or the cost of parts, supplies or labor related to the removal of the defective product or related to the installation of the replacement product. In no event shall Norix be liable for any consequential, direct, indirect, incidental, or special damages of any nature arising from the inability of the Customer to use the defective product or component. In the event a dispute arises from a warranty claim, the parties agree to resolve the dispute by binding arbitration. The arbitration will be conducted in accordance with the ADR Systems Rules of Commercial Arbitration. Either party may commence the arbitration by filing a written demand for arbitration with ADR Systems along with the requisite filing fee. The parties covenant that they shall participate in the arbitration in good faith and that they will share equally in the costs, unless decided otherwise as part of the arbitration award. The arbitration will take place in Chicago, Illinois, before one arbitrator selected from ADR Systems' Commercial Panel in accordance with ADR Systems' procedures for the appointment of arbitrators. The decision rendered by the arbitrators shall be final and binding and may be entered into any court or tribunal having jurisdiction thereof. Any court of competent jurisdiction may enforce the provisions of this paragraph. In the event that a court enforces the award, the party seeking enforcement is entitled to an award of all costs, fees, and expenses, including attorney's fees, to be paid by the party against whom enforcement is ordered.

EVOLVE™ TABLE WITH DUOFORM™ TOP

EVOLVE™ TABLE WITH DUOFORM™ TOP

The Evolve™ table combines a modern design aesthetic with the extreme safety and durability standards of Norix products. DuoForm™ is a highly durable, outdoor capable tabletop option engineered to excel in a variety of markets, including education and youth facilities. The weather resistant and UV resistant top makes DuoForm™ an ideal solution for furnishing outdoor learning spaces, courtyards and other outdoor settings.

EVVOLVE™ TABLE

An eloquent evolution from a traditional table design, the Evvolve™ table combines a modern design aesthetic with the extreme safety and durability standards of Norix products. Ribbed design details provide a neutral and comforting repetitive pattern while avoiding perceived two-dimensional imagery. The tapered base creates increased stability when ballasted and allows for easy cleaning.
