PUMA™ SERIES TRACTORS

PL-100 PM Revision 21

SAP Price List 029 C3

THIS IS A COMPLETE REVISION

GENERAL INFORMATION

ADVANCE FREIGHT

Advance freight will be added to the machinery invoice as a separate net charge for machinery shipped from field locations or from other than specified Ex Works locations.

PRICES

Prices are Ex Works factory, where the goods are manufactured, except where noted. For detailed information concerning prices, please refer to your OPERATING GUIDE.

CONTENTS OF ORGANIZATION

CNH Industrial N.V. issues price lists and revisions covering each Case IH contract. The U.S. Price List is published in U.S. funds and the Canadian Price List is published in Canadian funds. Ensure that you are using the correct price list. U.S. or Canada is referenced at the top of each page and the Canadian price lists have a Maple Leaf on the price list cover page.

Freight, duty and sales taxes are NOT included in any wholegoods or attachment prices shown in the price list. Any appropriate freight, duty, Federal, State, and Provincial taxes will be added to the machinery invoice as separate net charges.

PROCEDURE

The price pages for each machine (or group of machines) lists both "Factory Supplied Options" and "Factory Supplied Accessories."

Each price list is comprised of the various machines sold under that contract. Each price book section has "Factory Supplied Options" and "Factory Supplied Accessories" price pages. When ordering and pricing a machine, follow the ordering instructions listed for that machine. Accessories listed following the "Factory Supplied Accessories" heading are available for installation in the field.

DISTRIBUTION OF PRICE LISTS

Price lists and periodic price list revisions will be posted on the Dealer Portal and distributed electronically when possible.

Printed copies of current price lists, index tabs and binders can be purchased from the Document Management Center (DMC). Orders should be placed only through the DMC web site link located on the Dealer Portal. For DMC customer service inquiries, other than placing orders, call (262) 636-7540.

Internal E-mail: #NA DMC ORDER CENTER

Complete U.S. Price List is PL-100

Complete Canadian Price List is PLC-100

Periodic price list revisions are usually accompanied by a cover sheet which carries instructions on price page changes and where to insert replacement or new price pages. The revisions are dated and are effective as of that date.

U.S. Shipping Wheel Program for Puma Series Tractors

Case IH dealers are able to order a Puma Series tractor with returnable shipping wheels. The intention of this program is to help dealers sell Case IH tractors to their retail customers with the desired tires and wheels when Case IH cannot offer a unique option from the factory.

Program Details:

1. While placing an order for the tractor the dealer chooses front and rear shipping wheel order codes where applicable.
2. Case IH will deliver the tractor to the dealer with the shipping wheels.
3. The dealer is invoiced per set for the following amounts:

Short Wheel Base

Rears - order code 8399906	\$(3,227)
Fronts - order code 8299906	\$(1,092)

Long Wheel Base

Rears - order code 8399906	\$(4,232)
Fronts - order code 8299906	\$(4,081)

4. Upon receipt of the tractor the dealer will dismount the shipping wheels, place them on a wooden skid and band them to the skid for return to a consolidation point. Wheels must be returned to the collection center clean, free of debris and shrink-wrapped.
5. Case IH has consolidation points set up in North America where the shipping wheels must be returned. The address of the U.S. consolidation point is:

CNH America
2700 Broening Hwy
Dundalk Marine Terminal- Lot 100/Building 100
Baltimore, MD 21222

6. Contact your Case IH Sales Support Specialist advising him/her of the location where you will be returning your shipping tires.
7. Your Case IH Sales Support Specialist will issue an RGA number.
8. Securely attach the RGA to your shipment so that it is identifiable to the receiving party.
9. Contact the freight line of your choice to make arrangements to return the shipping wheels to the consolidation point. Freight to return the shipping wheels from the Case IH dealer to the consolidation point must be pre-paid by the dealer. **The freight cost will NOT be reimbursed.**

10. Upon receipt of the shipping wheels at the consolidation point your Case IH dealer account will be credited the following amounts:

Short Wheel Base

Rears - code 8399906 credit	\$900
Fronts - code 8299906 credit	\$599

Long Wheel Base

Rears - code 8399906 credit	\$882
Fronts - code 8299906 credit	\$560

If you have any questions regarding this program please contact your Sales Support Specialist.
