COMMENTS REGARDING THIS PROCUREMENT

- This procurement was drafted and managed in compliance with the State of Minnesota's procurement laws, rules, and policies.
- Responses to the solicitation were received prior to the due date and time above and only responsive proposals were evaluated.
- The evaluation panel strictly followed all procurement requirements, and awards were only made to vendors that provided the best value to MMCAP Infuse members.
- Each contract was negotiated individually for the best benefit of MMCAP Infuse members as a whole.
- Notice of the contracts have been made to MMCAP Infuse members and are posted on the MMCAP Infuse website.

CERTIFICATION

I certify that MMCAP Infuse, as a government-operated group purchasing organization housed in the State of Minnesota Department of Administration, Office of State Procurement, has strictly followed State of Minnesota laws, rules and policies for this procurement.

Notes:

MMCAP Infuse (**MMCAP Infuse**) is a governmental cooperative serving thousands of state and local government facilities across the United States. MMCAP Infuse is operated by the State of Minnesota (**State**) Department of Administration's Office of State Procurement (**OSP**) and is governed by Minnesota laws and procurement policies.

MMCAP Infuse Members are state agencies and political subdivisions throughout the United States. For more information on MMCAP Infuse and its membership, visit www.infuse-mn.gov (**Members or Membership**). Membership is available to government-operated facilities, and the extent to which a Member participates in the program is voluntary.

MMCAP Infuse is seeking proposals from qualified vendors that will provide both Department of Transportation (DOT) and non-DOT regulated drug and alcohol testing, products and services. The program serves MMCAP Infuse Members requiring drug and alcohol testing of existing and prospective employees, as well as potential testing associated with harm reduction efforts nationally.

Proposals may include any combination of testing, products and services related to drug and alcohol testing and/or harm reduction. MMCAP Infuse will evaluate the responder's capabilities in the technical proposal content. Responders must submit a proposal that services at minimum 10 states. Responders may subcontract to provide a more comprehensive offering of products and services, so long as those arrangements comply with the requirements of this RFP and resulting agreements.

Questions must be emailed to MMCAP_Infuse.HPSRFP@state.mn.us by August 26, 2024, at 2pm Central Time.
