Addendum One

Please amend the subject RFP to include answers to the following timely received questions:

Q1. 6450 Corporate Drive?

A1. There are several large satellites in back of property on hill to be aware of when mowing. The hill can be difficult to mow when grass is wet. There is also a large condenser fan in the back of property to mow around.

Q2. 6500 Corporate Drive?

A2. Back Parking Log, mow to tree/brush line. This property will need Spring Weed Control application and spot weed control as needed. The islands are rock or landscaped. **Will require treatment as necessary.**

Q3. 6535 Corporate Drive?

A3. This property goes all the way back to the street curb.

Q4. 6445 Corporate Drive?

A4. All islands but the one closest to front door are grass. Island closest to front door is landscaped.

Q5. On Pricing Attachment what is the difference between Herbicide Application and Targeted Weed Control?

A5. Herbicide Application is for Annual Treatment. Targeted Weed Control is for spot treatment as needed.

Q6. Do you have irrigation zone counts for the irrigation system mentioned on Pricing Attachment?

A6. For the properties that have irrigation, there are 18-21 Zones.
