“Agency” means the agency identified in the solicitation that is issuing the RFB and any other agency that purchases from the Contract.

“Alternative Bid” means a response to a bid that does not meet the exact requirements of the specification but offers an alternative for consideration. An alternative bid is submitted with an intentional variation to a provision, specification, term or condition of the solicitation. This alternative, in the opinion of the bidder, achieves the same end result. Alternative bids may be rejected as non-responsive.

“Bid” means the Bidder’s bid submitted in response to the RFB.

“Bidder” means a vendor submitting a bid in response to this RFB.

“Contract” means the contract(s) entered into with the successful Bidder(s).

“Political Subdivisions” means cities, counties and educational institutions.

“Responsible Bidder” means a Bidder that has the capability in all respects to perform the requirements of the Contract. In determining whether a Bidder is a Responsible Bidder, the Agency may consider various factors including, but not limited to, the Bidder’s competence and qualifications to provide the goods or services requested, the Bidder’s integrity and reliability, the past performance of the Bidder relative to the quality of the goods or services offered by the Bidder and the best interest of the Agency and the State.

"Responsive Bid" means a Bid that complies with each of the provisions of this RFB, or is either an alternative bid or a bid with an exception, if accepted by the Agency.

"RFB" means this Request for Bids and any addenda hereto.

"State" means the State of Iowa, the Agency identified in the solicitation, and all state agencies, boards, and commissions, and any political subdivisions making purchases from the Contract as permitted by this RFB.

1.4 Contract Term

The initial term of the contract will begin January 1, 2017 and end on December 31, 2017. The Contract may be renewed by mutual agreement of both parties for up to five annual extensions. The resulting contract will be available to all State Agencies and political subdivisions.

1.5 Background Information

This RFB is designed to provide Bidders with the information necessary for the preparation of competitive Bids. The RFB process is for the Lead Agency's and Participating Agencies' benefit and is intended to provide the Lead Agency with competitive information to assist in the selection process. It is not intended to be comprehensive. Each Bidder is responsible for determining all factors necessary for submission of a comprehensive Bid.

The Department of Administrative Services is seeking eligible bidders to provide the various equipment, OEM replacement parts and maintenance/repair services per the specifications provided in this document.

This is a multiple award bid with the objective of statewide coverage to service the various state agencies located throughout the state of Iowa.

SECTION 2 – ADMINISTRATIVE INFORMATION

2.1 Issuing Officer

The Issuing Officer identified in the solicitation is the sole point of contact regarding the RFB from the date of issuance until selection of the successful Bidder.

2.2 Restriction on Communication

From the issue date of this RFB until announcement of the successful Bidder, Bidders may contact only the Issuing Officer. The Issuing Officer will respond only to electronic questions regarding the procurement process. Questions related to the interpretation of this RFB must be submitted as provided in the solicitation. Oral questions related to the interpretation of this RFB will not be accepted. Bidders may be disqualified if they contact any State employee other than the Issuing Officer about the RFB except that Bidders may contact the State Targeted Small Business Office on issues related to the preference for Targeted Small Businesses.

The Agency assumes no responsibility for oral representations made by its officers or employees unless such representations are confirmed in writing and incorporated into the RFB through an addendum.

2.3 Amendment to the RFB

The Agency reserves the right to amend the RFB at any time using an addendum. The Bidder shall acknowledge receipt of all addenda in its Bid.

It is the Bidder's sole responsibility to check daily for addenda to posted documents.

2.4 Bid Amendment and/or Withdrawal

The Bidder may amend or withdraw and resubmit its Bid at any time before the Bids are due. The amendment must be submitted by the Bidder to the bid and received by the time set for the receipt of Bids.

2.5 Submission of Bids

The Agency must receive the Bid on before the "Bids Due" date and time. **This is a mandatory requirement and will not be waived by the Agency. Any Bid received after this deadline will not be accepted.** It is the Bidder's responsibility to ensure the bid is received prior to the deadline. Email and faxed Bids will not be accepted.

Bidders must furnish all information necessary to enable the Agency to evaluate the Bid. Bids that fail to meet the mandatory requirements of the RFB may be rejected. Oral information provided by the Bidder shall not be considered part of the Bidder's Bid unless it is in writing.

2.6 Bid Opening

The Agency will open Bids after the deadline for submission of Bids has passed. However, the names of Bidders who submitted timely Bids will be publicly available after the Bid opening. See Iowa Code Section 72.3. The announcement of Bidders who timely submitted Bids does not mean that an individual Bid has been deemed technically compliant or accepted for evaluation.

2.7 Costs of Preparing the Bid

The costs of preparation and delivery of the Bid are solely the responsibility of the Bidder.

2.8 Rejection of Bids

The Agency reserves the right to reject any or all Bids, in whole and in part, received in response to this RFB at any time prior to the execution of a written Contract. Issuance of this RFB in no way constitutes a commitment by the Agency to award a Contract. This RFB is designed to provide Bidders with the information necessary to prepare a competitive Bid. This RFB process is for the Agency's benefit and is intended to provide the Agency with competitive information to assist in the selection of a Bidder to provide goods and/or services. It is not intended to be comprehensive and each Bidder is responsible for determining all factors necessary for submission of a comprehensive Bid.

2.9 Disqualification

The Agency will reject outright and will not evaluate Bids if the Bidder fails to deliver the Bid by the due date and time. The Agency may reject outright and may not evaluate Bids for any one of the following reasons:

- The Bidder acknowledges that a requirement of the RFB cannot be met.
- The Bidder's Bid materially changes a requirement of the RFB or the Bid is not compliant with the requirements of the RFB.
- The Bidder's Bid limits the rights of the Agency.
- The Bidder fails to include information necessary to substantiate that it will be able to meet a requirement of the RFB.

- The Bidder initiates unauthorized contact regarding the RFB with state employees.
- The Bidder provides misleading or inaccurate responses.
- The Bidder's Bid is materially unbalanced.
- There is insufficient evidence (including evidence submitted by the Bidder and evidence obtained by the Agency from other sources) to satisfy the Agency that the Bidder is properly responsive and responsible to satisfy the requirements of the RFB.
- The Bidder alters the language in Certification Letter or Authorization to Release Information Letter.

2.10 Nonmaterial Variances

The Agency reserves the right to waive or permit cure of nonmaterial variances in the Bid if, in the judgment of the Agency, it is in the Agency's best interest to do so. Nonmaterial variances include minor informalities that do not affect responsiveness, that are merely a matter of form or format, that do not change the relative standing or otherwise prejudice other Bidders, that do not change the meaning or scope of the RFB, or that do not reflect a material change in the requirements of the RFB. In the event the Agency waives or permits cure of nonmaterial variances, such waiver or cure will not modify the RFB requirements or excuse the Bidder from

full compliance with RFB specifications or other contract requirements if the Bidder is awarded the contract. The determination of materiality is in the sole discretion of the Agency.

2.11 Reference Checks

The Agency reserves the right to contact any reference to assist in the evaluation of the Bid, to verify information contained in the Bid and to discuss the Bidder's qualifications and the qualifications of any subcontractor identified in the Bid.

2.12 Information from Other Sources

The Agency reserves the right to obtain and consider information from other sources concerning a Bidder, such as the Bidder's capability and performance under other contracts, the qualifications of any subcontractor identified in the Bid, the Bidder's financial stability, past or pending litigation, and other publicly available information.

2.13 Verification of Bid Contents

The content of a Bid submitted by a Bidder is subject to verification. If the Agency in its sole discretion determines that the content is in any way misleading or inaccurate, the Bidder may be disqualified.

2.14 Bid Clarification Process

The Agency reserves the right to contact a Bidder after the submission of Bids for the purpose of clarifying a Bid to ensure mutual understanding. This contact may include written questions, interviews, site visits, a review of past performance if the Bidder has provided goods and/or services to the State or any other political subdivision wherever located, or requests for corrective pages in the Bidder's Bid. The Agency will not consider information received if the information materially alters the content of the Bid or alters the type of goods and/or services the Bidder is offering to the Agency. An individual authorized to legally bind the Bidder shall sign responses to any request for clarification. Responses shall be submitted to the Agency within the time specified in the Agency's request. Failure to comply with requests for additional information may result in rejection of the Bid as non-compliant.

2.15 Disposition of Bids

All Bids become the property of the Agency and shall not be returned to the Bidder at the conclusion of the selection process, the contents of all Bids will be in the public domain and be available for inspection by interested parties except for information for which Bidder properly requests confidential treatment according to exceptions provided in *Iowa Code Chapter 22* or other applicable law.

2.16 Public Records and Requests for Confidential Treatment

The Agency's release of public records is governed by Iowa Code chapter 22. Bidders are encouraged to familiarize themselves with Chapter 22 before submitting a Proposal. The Agency will copy and produce public records upon request as required to comply with Chapter 22 and will treat all information submitted by a Bidder as non-confidential records unless Bidder requests specific parts of the Proposal be treated as confidential at the time of the submission as set forth herein **AND the information is confidential under Iowa or other applicable law.**

A Bidder requesting confidential treatment of specific information must: (1) fully complete Form 22, (2) identify the request in the transmittal letter with the Bidder's Proposal, (3) conspicuously

mark the outside of its Proposal as containing confidential information, (4) mark each page upon which confidential information appears, and (5) submit a "Public Copy" from which the confidential information has been excised.

Form 22 will not be considered fully complete unless, for each confidentiality request, the Bidder: (1) enumerates the specific grounds in Iowa Code chapter 22 or other applicable law that supports treatment of the material as confidential, (2) justifies why the material should be maintained in confidence, (3) explains why disclosure of the material would not be in the best interest of the public, and (4) sets forth the name, address, telephone, and e-mail for the person authorized by Bidder to respond to inquiries by the Agency concerning the confidential status of such material.

The Public Copy from which confidential information has been excised. The confidential material must be excised in such a way as to allow the public to determine the general nature of the material removed and to retain as much of the Proposal as possible.

Failure to request information be treated as confidential as specified herein shall relieve Agency and State personnel from any responsibility for maintaining the information in confidence. Bidders may not request confidential treatment with respect to pricing information and transmittal letters. A Bidder's request for confidentiality that does not comply with this section or a Bidder's request for confidentiality on information or material that cannot be held in confidence as set forth herein are grounds for rejecting Bidder's Proposal as non-responsive. Requests to maintain an entire Proposal as confidential will be rejected as non-responsive.

If Agency receives a request for information that Bidder has marked as confidential and if a judicial or administrative proceeding is initiated to compel the release of such material, Bidder shall, at its sole expense, appear in such action and defend its request for confidentiality. If Bidder fails to do so, Agency may release the information or material with or without providing advance notice to Bidder and with or without affording Bidder the opportunity to obtain an order restraining its release from a court possessing competent jurisdiction. Additionally, if Bidder fails to comply with the request process set forth herein, if Bidder's request for confidentiality is unreasonable, or if Bidder rescinds its request for confidential treatment, Agency may release such information or material with or without providing advance notice to Bidder and with or without affording Bidder the opportunity to obtain an order restraining its release from a court possessing competent jurisdiction.

2.17 Copyrights

By submitting a Bid, the Bidder agrees that the Agency may copy the Bid for purposes of facilitating the evaluation of the Bid or to respond to requests for public records. The Bidder consents to such copying by submitting a Bid and warrants that such copying will not violate the rights of any third party. The Agency shall have the right to use ideas or adaptations of ideas that are presented in the Bids.

2.18 Release of Claims

By submitting a Bid, the Bidder agrees that it will not bring any claim or cause of action against the Agency based on any misunderstanding concerning the information provided herein or

concerning the Agency's failure, negligent or otherwise, to provide the Bidder with pertinent information in this RFB.

2.25 Definition of Contract

The full execution of a written contract shall constitute the making of a contract for the goods and/or services requested by the RFB and no Bidder shall acquire any legal or equitable rights relative to the contract for goods and/or services until the contract has been fully executed by the successful Bidder and the Agency.

2.26 Choice of Law and Forum

This RFB and the Contract are to be governed by the laws of the state of Iowa. Changes in applicable laws and rules may affect the award process or the Contract. Bidders are responsible for ascertaining pertinent legal requirements and restrictions. Any and all litigation or actions commenced in connection with this RFB shall be brought in the appropriate Iowa forum.

Warranties made by the Contractor in this Contract, whether: (1) this Contract specifically denominates the Contractor's promise as a warranty; or (2) the warranty is created by the Contractor's affirmation or promise, by a description of the Deliverables to be provided, or by provision of samples to the Agency, shall not be construed as limiting or negating any warranty provided by law, including without limitation, warranties that arise through course of dealing or usage of trade. The warranties expressed in this Contract are intended to modify the warranties implied by law only to the extent that they expand the warranties applicable to the Deliverables provided by the Contractor. The provisions of this section apply during the term of this Contract and any extensions or renewals thereof.

1.13.2 Contractor represents and warrants that: (1) all Deliverables shall be wholly original with and prepared solely by Contractor; or it owns, possesses, holds, and has received or secured all rights, permits, permissions, licenses and authority necessary to provide the Deliverables to the Agency hereunder and to assign, grant and convey the rights, benefits, licenses and other rights assigned, granted or conveyed to the Agency hereunder or under any license agreement related hereto without violating any rights of any third party; (2) Contractor has not previously and will not grant any rights in any Deliverables to any third party that are inconsistent with the rights granted to the Agency herein; and (3) the Agency shall peacefully and quietly have, hold, possess, use and enjoy the Deliverables without suit, disruption or interruption.

Contractor shall inform the Agency in writing immediately upon becoming aware of any actual, potential or threatened claim of or cause of action for infringement or violation of an intellectual property right, proprietary right, or personal right or misappropriation of a trade secret. If such a claim or cause of action arises or is likely to arise, then Contractor shall, at the Agency's request and at the Contractor's sole expense: (1) procure for the Agency the right or license to continue to use the Deliverable at issue; (2) replace such Deliverable with a functionally equivalent or superior Deliverable free of any such infringement, violation or misappropriation; (3) modify or replace the affected portion of the Deliverable with a functionally equivalent or superior Deliverable free of any such infringement, violation or misappropriation; or (4) accept the return of the Deliverable at issue and refund to the Agency all fees, charges and any other amounts paid by the Agency with respect to such Deliverable. In addition, Contractor agrees to indemnify, defend, protect and hold harmless the State and its officers, directors, employees, officials and agents as provided in the Indemnification section of this Contract, including for any breach of the representations and warranties made by Contractor in this section. Contractor shall be available at all reasonable times to assist the Agency with questions, problems and concerns about the Deliverables, to inform the Agency promptly of any known deficiencies in any Deliverables, repair and correct any Deliverables not performing in accordance with the warranties contained in this Contract, notwithstanding that such Deliverable may have been accepted by the Agency, and provide the Agency with all necessary materials with respect to such repaired or corrected Deliverable.
