The Bidder is willing to take that risk.

The Bidder hereby releases, acquits and forever discharges the State of Iowa, the Agency, their officers, directors, employees and agents from any and all liability whatsoever, including all claims, demands and causes of action of every nature and kind affecting the undersigned that it may have or ever claim to have relating to information, data, opinions, and references obtained by the Agency or the Evaluation Committee in the evaluation and selection of a successful Bidder in response to the RFB.

The Bidder authorizes representatives of the Agency to contact any and all of the persons, entities, and references which are, directly or indirectly, listed, submitted, or referenced in the Respondent's Bid submitted in response to RFB.

ADMINISTRATIVE INFORMATION

1.1 Issuing Officer

The Issuing Officer identified in the IMPACS solicitation is the sole point of contact regarding the RFB from the date of issuance until selection of the successful Bidder.

1.2 Restriction on Communication

From the issue date of this RFB until announcement of the successful Bidder, Bidders may contact only the Issuing Officer. The Issuing Officer will respond only to electronic questions regarding the procurement process. Questions related to the interpretation of this RFB must be submitted as provided in the IMPACS solicitation. Oral questions related to the interpretation of this RFB will not be accepted. Bidders may be disqualified if they contact any State employee other than the Issuing Officer about the RFB except that Bidders may contact the State Targeted Small Business Office on issues related to the preference for Targeted Small Businesses.

The Agency assumes no responsibility for oral representations made by its officers or employees unless such representations are confirmed in writing and incorporated into the RFB through an addendum.

1.3 Amendment to the RFB

The Agency reserves the right to amend the RFB at any time using an addendum. The Bidder shall acknowledge receipt of all addenda in its Bid. It is the Bidder's sole responsibility to check daily for addenda to posted documents.

1.4 Bid Amendment and/or Withdrawal

The Bidder may amend or withdraw and resubmit its Bid at any time before the Bids are due. The amendment must be submitted on Iowa IMPACS by the Bidder to the bid and received by the time set for the receipt of Bids.

1.5 Submission of Bids

The Agency must receive the electronic Bid on Iowa IMPACS before the "Bids Due" date and time. **This is a mandatory requirement and will not be waived by the Agency. Any Bid received after this deadline will not be accepted.** It is the Bidder's responsibility to ensure the bid is received prior to the deadline. Email and faxed Bids will not be accepted.

Bidders must furnish all information necessary to enable the Agency to evaluate the Bid. Bids that fail to meet the mandatory requirements of the RFB may be rejected. Oral information provided by the Bidder shall not be considered part of the Bidder's Bid unless it is in writing.

1.6 Bid Opening

The Agency will open Bids after the deadline for submission of Bids has passed. However, the names of Bidders who submitted timely Bids will be publicly available after the Bid opening. See *Iowa Code Section 72.3*. The announcement of Bidders who timely submitted Bids does not mean that an individual Bid has been deemed technically compliant or accepted for evaluation.

1.7 Costs of Preparing the Bid

The costs of preparation and delivery of the Bid are solely the responsibility of the Bidder.

1.8 Rejection of Bids

The Agency reserves the right to reject any or all Bids, in whole and in part, received in response to this RFB at any time prior to the execution of a written Contract. Issuance of this RFB in no way constitutes a commitment by the Agency to award a Contract. This RFB is designed to provide Bidders with the information necessary to prepare a competitive Bid. This RFB process is for the Agency's benefit and is intended to provide the Agency with competitive information to assist in the selection of a Bidder to provide goods and/or services. It is not intended to be comprehensive and each Bidder is responsible for determining all factors necessary for submission of a comprehensive Bid.

1.9 Disqualification

The Agency will reject outright and will not evaluate Bids if the Bidder fails to deliver the Bid by the due date and time. The Agency may reject outright and may not evaluate Bids for any one of the following reasons:

- The Bidder acknowledges that a requirement of the RFB cannot be met.
- The Bidder's Bid materially changes a requirement of the RFB or the Bid is not compliant with the requirements of the RFB.
- The Bidder's Bid limits the rights of the Agency.
- The Bidder fails to include information necessary to substantiate that it will be able to meet a requirement of the RFB.
- The Bidder fails to timely respond to the Agency's request for information, documents, or references.
- The Bidder fails to include bid security, if required.

- The Bidder fails to include any signature, certification, authorization, stipulation, disclosure or guarantee requested.
- The Bidder presents the information requested by this RFB in a format inconsistent with the instructions of the RFB or otherwise fails to comply with the requirements of the RFB.

- The Bidder initiates unauthorized contact regarding the RFB with state employees.

- The Bidder provides misleading or inaccurate responses.

- The Bidder's Bid is materially unbalanced.

- There is insufficient evidence (including evidence submitted by the Bidder and evidence obtained by the Agency from other sources) to satisfy the Agency that the Bidder is properly responsive and responsible to satisfy the requirements of the RFB.

- The Bidder alters the language in Certification Letter or Authorization to Release Information Letter.

- The Respondent is a "scrutinized company" included on a "scrutinized company list" created by a public fund pursuant to Iowa Code section 12J.3.

1.10 Nonmaterial Variances

The Agency reserves the right to waive or permit cure of nonmaterial variances in the Bid if, in the judgment of the Agency, it is in the Agency's best interest to do so. Nonmaterial variances include minor informalities that do not affect responsiveness, that are merely a matter of form or format, that do not change the relative standing or otherwise prejudice other Bidders, that do not change the meaning or scope of the RFB, or that do not reflect a material change in the requirements of the RFB. In the event the Agency waives or permits cure of nonmaterial variances, such waiver or cure will not modify the RFB requirements or excuse the Bidder from full compliance with RFB specifications or other contract requirements if the Bidder is awarded the contract. The determination of materiality is in the sole discretion of the Agency.

1.11 Reference Checks

The Agency reserves the right to contact any reference to assist in the evaluation of the Bid, to verify information contained in the Bid and to discuss the Bidder's qualifications and the qualifications of any subcontractor identified in the Bid.

1.12 Information from Other Sources

The Agency reserves the right to obtain and consider information from other sources concerning a Bidder, such as the Bidder's capability and performance under other contracts, the qualifications of any subcontractor identified in the Bid, the Bidder's financial stability, past or pending litigation, and other publicly available information.

1.13 Verification of Bid Contents

The content of a Bid submitted by a Bidder is subject to verification. If the Agency in its sole discretion determines that the content is in any way misleading or inaccurate, the Bidder may be disqualified.

1.14 Bid Clarification Process

The Agency reserves the right to contact a Bidder after the submission of Bids for the purpose of clarifying a Bid to ensure mutual understanding. This contact may include written questions, interviews, site visits, a review of past performance if the Bidder has provided goods and/or services to the State or any other political subdivision wherever located, or requests for corrective pages in the Bidder's Bid. The Agency will not consider information received if the information materially alters the content of the Bid or alters the type of goods and/or services the Bidder is offering to the Agency. An individual authorized to legally bind the Bidder shall sign responses to any request for clarification. Responses shall be submitted to the Agency within the time specified in the Agency's request. Failure to comply with requests for additional information may result in rejection of the Bid as non-compliant.

1.15 Disposition of Bids

All Bids become the property of the Agency and shall not be returned to the Bidder at the conclusion of the selection process, the contents of all Bids will be in the public domain and be available for inspection by interested parties except for information for which Bidder properly requests confidential treatment according to exceptions provided in *Iowa Code Chapter 22* or other applicable law.

1.16 Public Records and Requests for Confidential Treatment

The Agency's release of public records is governed by Iowa Code Chapter 22. Contractors are encouraged to familiarize themselves with Chapter 22 before submitting a Bid. The Agency will copy and produce public records upon request as required to comply with Chapter 22 and will treat all information submitted by a Contractor as non-confidential records unless Contractor requests specific parts of the Bid be treated as confidential at the time of the submission as set forth herein **AND the information is confidential under Iowa or other applicable law.**

1.17 Copyrights

By submitting a Bid, the Bidder agrees that the Agency may copy the Bid for purposes of facilitating the evaluation of the Bid or to respond to requests for public records. The Bidder consents to such copying by submitting a Bid and warrants that such copying will not violate the rights of any third party. The Agency shall have the right to use ideas or adaptations of ideas that are presented in the Bids.

1.18 Release of Claims

By submitting a Bid, the Bidder agrees that it will not bring any claim or cause of action against the Agency based on any misunderstanding concerning the information provided herein or concerning the Agency's failure, negligent or otherwise, to provide the Bidder with pertinent information in this RFB.

1.19 Bidder Presentations

At the sole discretion of the State, Bidders may be required to make a presentation of the Bid. The presentation may occur at the Agency's offices or at the offices of the Bidder. The determination as to need for presentations, the location, order, and schedule of the presentations is at the sole discretion of the Agency. The presentation may include slides, graphics and other media selected by the Bidder to illustrate the Bidder's Bid. The presentation shall not materially change the information contained in the Bid.

1.20 Evaluation of Bids Submitted

Bids that are timely submitted and are not subject to disqualification will be reviewed in accordance with the RFB.

1.21 Preference

By virtue of statutory authority, a preference will be given to products and provisions grown and coal produced within the state of Iowa. Preference application: Tied responses to solicitations, regardless of the type of solicitation, are decided in favor of Iowa products and Iowa-based businesses per 11 IAC 117.

1.22 Determination of Responsible Bidder & Responsive Bid

All Bids will be first evaluated to determine if they comply with the bid requirements (i.e. to determine if the Bidder is a Responsible Bidder submitting a Responsive Bid). To be deemed a Responsible Bidder and a Responsive Bid, the Bid must comply with the bid format instructions and answer "Yes" to all parts and include information demonstrating the Bidder will be able to comply with the bid requirements.

1.23 Evaluation Criteria

The Agency will evaluate the Responsive Bids submitted by Responsible Bidders to determine the lowest responsible bidder(s) and will award the Contract(s) to the Bidder(s) submitting the lowest responsible bid(s) based on price.

1.24 Award Notice and Acceptance Period

Notice of Intent to Award the Contract(s) will be sent to all Bidders submitting a timely Bid and will be posted on Iowa IMPACS. Negotiation and execution of the Contract(s) shall be completed no later than thirty (30) days from the date of the Notice of Intent to Award. If the apparent successful Bidder fails to negotiate and deliver an executed contract by that date, the Agency, in its sole discretion, may cancel the award and award the Contract to the remaining Bidder the Agency believes will provide the best value to the State.

1.25 Definition of Contract

The full execution of a written contract shall constitute the making of a contract for the goods and/or services requested by the RFB and no Bidder shall acquire any legal or equitable rights relative to the contract for goods and/or services until the contract has been fully executed by the successful Bidder and the Agency.

1.26 Choice of Law and Forum

This RFB and the Contract are to be governed by the laws of the state of Iowa. Changes in applicable laws and rules may affect the award process or the Contract. Bidders are responsible for ascertaining pertinent legal

requirements and restrictions. Any and all litigation or actions commenced in connection with this RFB shall be brought in the appropriate Iowa forum.

1.27 Restrictions on Gifts and Activities

Iowa Code Chapter 68B restricts gifts which may be given or received by State employees and requires certain individuals to disclose information concerning their activities with State government. Bidders are responsible to determine the applicability of Chapter 68B to their activities and to comply with its requirements. In addition, pursuant to Iowa Code Section 722.1, it is a felony offense to bribe or attempt to bribe a public official.

1.28 Appeals

A Respondent whose proposal has been timely filed and who is aggrieved by the award of the department may appeal the decision by filing a written notice of appeal (in accordance with 11—Chapter 117.20, Iowa Administrative Code) to: The Director of the Department of Administrative Services, Hoover State Office Building, Des Moines, Iowa 50319-0104 and a copy to the Issuing Officer. The notice must be filed within five days of the date of the Intent to Award notice issued by the Department, exclusive of Saturdays, Sundays, and legal state holidays. The written notice may be filed by fax transmission to 515.725.2064. The notice of appeal must clearly and fully identify all issues being contested by reference to the page, section and line number(s) of the RFP and/or the notice of Intent to Award. A notice of appeal may not stay negotiations with the apparent successful Contractor.

1.29 Unit Price

If a discrepancy between the unit price and the item total exists, the unit price prevails.

1.30 Price Adjustments to Term Contract(s)

Bid prices shall remain firm the first year of the contract. Price adjustments may be taken into consideration during the contract renewal process. The State reserves the right to accept or reject any proposed price(s) changes. Requested price changes should be submitted to the Iowa Department of Administrative Services – Central Procurement, sixty (60) days prior to the contract anniversary date.

1.31 Registration
