Description

Fort Dodge Correctional Facility seeks qualified vendors to furnish and install a turnkey water treatment control system designed to continuously monitor the pH level of facility supply water and automatically inject sodium hydroxide as needed to maintain desired pH balance.

The purpose of this Request for Bids (RFB) is to solicit bids from qualified providers to provide the goods and/or services described further in this RFB to the Lead Agency and any Participating Agencies. The Lead Agency intends to award a contract(s) beginning and ending on the dates listed in the solicitation, and the Lead Agency may extend the contract(s) for up to the number of annual extensions identified in the solicitation at the sole discretion of the Lead Agency. Any contract(s) resulting from the RFB shall not be an exclusive contract.

This RFB is designed to provide Bidders with the information necessary for the preparation of competitive Bids. The RFB process is for the Lead Agency's and Participating Agencies' benefit and is intended to provide the Lead Agency with competitive information to assist in the selection process. It is not intended to be comprehensive. Each Bidder is responsible for determining all factors necessary for the submission of a comprehensive Bid.

It is advised to "Save Progress" often and especially after uploading documents.

NOTE: Anytime the Bidder opens their bid after the initial submission, they MUST certify and resubmit. No information will be lost from the initial submission.

NOTE: Bidder must approve and resubmit their bid after an amendment has been posted by the Issuing Officer. If the bid was submitted before the amendment, all information will be saved. The Bidder only needs to read and acknowledge the amendment.

Instructions for Amendments: Answer the newly posted question in the Questions Section, and CERTIFY and SUBMIT your bid again (if previously submitted).

Project Specifications:

The proposed system shall include a wall-mounted analyzer panel capable of real-time pH and temperature monitoring with a programmable controller and data logging capability. It must feature an in-line modular sensor housing, a resistance thermometer, and associated plumbing, wiring, and pressure regulation components including backflow preventer.

The chemical feed system must consist of a pre-assembled, skid-mounted dual-pump sodium hydroxide injection package. This package shall include solenoid-driven diaphragm pumps (primary and backup) with pressure relief valves, backpressure valve, pulsation dampeners, calibration cylinder, and required SCH 80 PVC/EPDM piping and fittings. The skid must include a local switchover panel and require 120VAC power.

All components must be factory tested, rated for continuous industrial use, and compliant with applicable safety and performance standards. The selected contractor will be responsible for delivery, installation, integration with existing water systems, and startup testing.

Pricing submitted must include delivery, installation, integration with existing water systems, and startup testing.

A Site Visit may be scheduled upon request.

Bidder certifies that the contents of this Bid submitted are true and accurate. Bidder also certifies that Bidder has not knowingly made any false statements in its Bid.

Certification of Independence

I certify that I am a representative of Bidder expressly authorized to make the following certifications on behalf of Bidder. By submitting a Bid in response to the RFB, I certify on behalf of the Bidder the following:

1. The Bid has been developed independently, without consultation, communication or agreement with any employee or consultant to the Agency or with any person serving as a member of the evaluation committee.
2. The Bid has been developed independently, without consultation, communication or agreement with any other Bidder or parties for the purpose of restricting competition.
3. Unless otherwise required by law, the information found in the Bid has not been and will not be knowingly disclosed, directly or indirectly prior to Agency's issuance of the Notice of Intent to Award the contract.
4. No attempt has been made or will be made by Bidder to induce any other Bidder to submit or not to submit a Bid for the purpose of restricting competition.
5. No relationship exists or will exist during the contract period between Bidder and the Agency or any other State agency that interferes with fair competition or constitutes a conflict of interest.

Certification Regarding Debarment

I certify that, to the best of my knowledge, neither Bidder nor any of its principals: (a) are presently or have been debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from covered transactions by a Federal Agency or State Agency; (b) have within a five year period preceding this Bid been convicted of, or had a civil judgment rendered against them for commission of fraud, a criminal offense in connection with obtaining, attempting to obtain, or performing a public (federal, state, or local) transaction or contract under a public transaction, violation of antitrust statutes; commission of embezzlement, theft, forgery, falsification or destruction of records, making false statements, or receiving stolen property; (c) are presently indicted for or criminally or civilly charged by a government entity (federal, state, or local) with the commission of any of the offenses enumerated in (b) of this certification; and (d) have not within a three year period preceding this Bid had one or more public transactions (federal, state, or local) terminated for cause.

This certification is a material representation of fact upon which the Agency has relied upon when this transaction was entered into. If it is later determined that Bidder knowingly rendered an erroneous certification, in addition to other remedies available, the Agency may pursue available remedies including suspension, debarment, or termination of the contract.

Certification Regarding Registration, Collection, and Remission of Sales and Use Tax

Pursuant to *Iowa Code sections 423.2(10) and 423.5(8) (2013)* a retailer in Iowa or a retailer maintaining a business in Iowa that enters into a contract with a state agency must register, collect, and remit Iowa sales tax and Iowa use tax levied under *Iowa Code chapter 423* on all sales of tangible personal property and enumerated services. The Act also requires Bidders to certify their compliance with sales tax registration, collection, and remission requirements and provides potential consequences if the certification is false or fraudulent.

By submitting a Bid in response to the (RFB), the Bidder certifies the following:

- Bidder is registered with the Iowa Department of Revenue, collects, and remits Iowa sales and use taxes as required by *Iowa Code chapter 423*; **OR**
- Bidder is not a "retailer" or a "retailer maintaining a place of business in this state" as those terms are defined in *Iowa Code subsections 423.1(47) and (48)*.

Bidder also acknowledges that the Agency may declare the Bidder's Bid or resulting contract void if the above certification is false. The Bidder also understands that fraudulent certification may result in the Agency or its representative filing for damages for breach of contract in addition to other remedies available to Agency.

2 ★ **Instructions To Vendor :**

Bidder shall read and authorize to release information for their Bid.

Certification

Bidder certifies that they have read and agree to the Authorization to Release Information.

Vendor Must Also Upload a File:

No

Prerequisite Content:

Bidder hereby authorizes the Iowa Department of Administrative Services ("Agency") or a member of the Evaluation Committee to obtain information regarding its performance on other contracts, agreements or other business arrangements, its business reputation, and any other matter pertinent to evaluation and the selection of a successful Bidder in response to this Request for Bids (RFB).

The Bidder acknowledges that it may not agree with the information and opinions given by such person or entity in response to a reference request. The Bidder acknowledges that the information and opinions given by such person or entity may hurt its chances to receive contract awards from the State or may otherwise hurt its reputation or operations. The Bidder is willing to take that risk.

The Bidder hereby releases, acquits and forever discharges the State of Iowa, the Agency, their officers, directors, employees and agents from any and all liability whatsoever, including all claims, demands and causes of action of every nature and kind affecting the undersigned that it may have or ever claim to have relating to information, data, opinions, and references obtained by the Agency or the Evaluation Committee in the evaluation and selection of a successful Bidder in response to the RFB.

The Bidder authorizes representatives of the Agency to contact any and all of the persons, entities, and references which are, directly or indirectly, listed, submitted, or referenced in the Respondent's Bid submitted in response to RFB.

The Bidder further authorizes any and all persons, and entities to provide information, data, and opinions with regard to its performance under any contract, agreement, or other business arrangement, its ability to perform, business reputation, and any other matter pertinent to the evaluation of the Bidder's Bid. The Bidder hereby releases, acquits and forever discharges any such person or entity and their officers, directors, employees and agents from any and all liability whatsoever, including all claims, demands and causes of action of every nature and kind affecting the Bidder that it may have or ever claim to have relating to information, data, opinions, and references supplied to the Agency in the evaluation and selection of a successful Bidder in response to RFB.
