Addendum One

Please amend the subject RFQ to include answers to the following timely received questions:

- Q1. Do you know the size of the bag you would like?
A1. The request is for a standard size bag. We measured an existing drawstring bag that we have and estimated the size to be 14" x 18".
- Q2. Do you want a gusset?
A2. There does not need to be a gusset.
