Addendum One

Please amend the subject RFI to include answers to the following timely received questions:

- Q1. Aside from tuition, are there other expenditure categories (i.e. electronic devices-laptops/tablets, tutoring, other products that support curriculum) for which ESA funds may be utilized? If so, which categories?
- A1. Proposed legislation does include other categories. Tuition and related fees would be paid first then any remaining funds may be used for other qualified educational expenses.

Please acknowledge receipt of this addendum by signing in the space provided below, and return this letter with your offer (do not send back separately).

I hereby acknowledge receipt of this addendum.
