Addendum Three

Please amend the subject RFQ to include answers to the following timely received questions:

- Q1. Because the different weight of non-woven fabric will lead to different prices. For a better quotation, please tell us the weight of the non-woven fabric which used to make the backpack.
- A1. We are looking for something similar to the bags we ordered before, which were 80gsm non-woven polypropylene.
- Q2. Could you provide the budget or the last award unit price?
- A2. No.
