Description

The purpose of this Request for Bids (RFB) is to solicit bids from qualified providers to provide the goods and/or services described further in this RFB to the Lead Agency. The Lead Agency intends to award a contract(s) beginning and ending on the dates listed in the solicitation, and the Lead Agency may extend the contract(s) for up to the number of annual extensions identified in the solicitation at the sole discretion of the Lead Agency. Any contract(s) resulting from the RFB shall not be an exclusive contract.

This RFB is designed to provide Bidders with the information necessary for the preparation of competitive Bids. The RFB process is for the Lead Agency's benefit and is intended to provide the Lead Agency with competitive information to assist in the selection process. It is not intended to be comprehensive. Each Bidder is responsible for determining all factors necessary for the submission of a comprehensive Bid.

It is advised to "Save Progress" often and especially after uploading documents.

NOTE: Anytime the Bidder opens their bid after the initial submission, they MUST certify and resubmit. No information will be lost from the initial submission.

NOTE: Bidder must approve and resubmit their bid after an amendment has been posted by the Issuing Officer. If the bid was submitted before the amendment, all information will be saved. The Bidder only needs to read and acknowledge the amendment.

Instructions for Amendments: Answer the newly posted question in the Questions Section, and CERTIFY and SUBMIT your bid again (if previously submitted).

The Newton Correctional Facility is requesting Hospital Based Outpatient and Radiology medical services to be provided to incarcerated individuals. Services requested shall be performed in a professional manner in accordance with the standards of performance considered generally acceptable. In absence of a detailed specification, the parties shall agree that the applicable specification shall be the industry standard.

The agency will either transport and escort the offender(s) to Skiff Medical Center, or contact an ambulance service, and provide appropriate security. Security shall be provided by agency security staff at all times.

Since Acute care instances sometimes occur, it may be necessary to transfer an incarcerated individual to a Des Moines facility for additional services. A secondary location will be included in the contract, noting that MercyOne Newton will be the primary care service provider.

Contract Term

The term of the contract will begin 3/31/2025 and end on 3/30/2026.

The Agency shall have the sole option to renew the contract upon the same or more favorable terms and conditions for up to five annual extensions.
