

2019 CENTURY FARMS PROGRAM

**Awards Ceremony
Iowa State Fair
Pioneer Livestock Pavilion
Thursday, August 15, 2019**

**Honoring families which have owned Iowa
farmland for 100 years or more.**

Congratulations to the 332 Century Farms being recognized today! Each of these farms is a part of the legacy of Iowa agriculture. Your farm plays an important role in feeding and fueling the world while also contributing to our state's economy.

As the Iowa Secretary of Agriculture, it is my honor to join each of you in marking this historic accomplishment for your farm.

Having grown up on a Century Farm in Palo Alto County, I know each of these farms and the families that care for them embody the lessons of perseverance, hard work, care for the land, the importance of family and community, and countless other values that come from a life on the farm.

The farms being recognized today bring the complete list of Iowa Century Farms to over 20,000!

The Iowa Century Farm program was created in 1976 by the Iowa Department of Agriculture and Land Stewardship and the Iowa Farm Bureau Federation to recognize families that have owned a farm for 100 years or more. I want to thank the Iowa Farm Bureau Federation for their partnership that helps make it possible.

Thank you for your commitment to Iowa agriculture. Congratulations again on being one of Iowa's Century Farms!

Sincerely,

A handwritten signature in black ink that reads "Mike Naig". The script is fluid and cursive, with the first name "Mike" and last name "Naig" clearly distinguishable.

PROGRAM

Over the past 150 years, Iowa agriculture has progressed in almost every way imaginable. Yields have increased, equipment has evolved, conservation practices have helped improved upon and countless other changes have helped make Iowa into the agricultural powerhouse it is today.

To keep a farm in the same family for 150 years is a true testament to the passion and perseverance of each of the families being recognized today. It is important that we celebrate the farm families that have been the foundation of our state since the very beginning.

It is my privilege to help honor the 153 Heritage Farm Award winners being recognized today. You join the list of more than 1,300 Heritage Farms that have received this award.

The Iowa Heritage Farm program was created in 2006 by the Iowa Department of Agriculture and Land Stewardship and the Iowa Farm Bureau Federation to recognize families that have owned a farm for 150 years or more. I want to thank the Iowa Farm Bureau Federation for their partnership that helps make it possible.

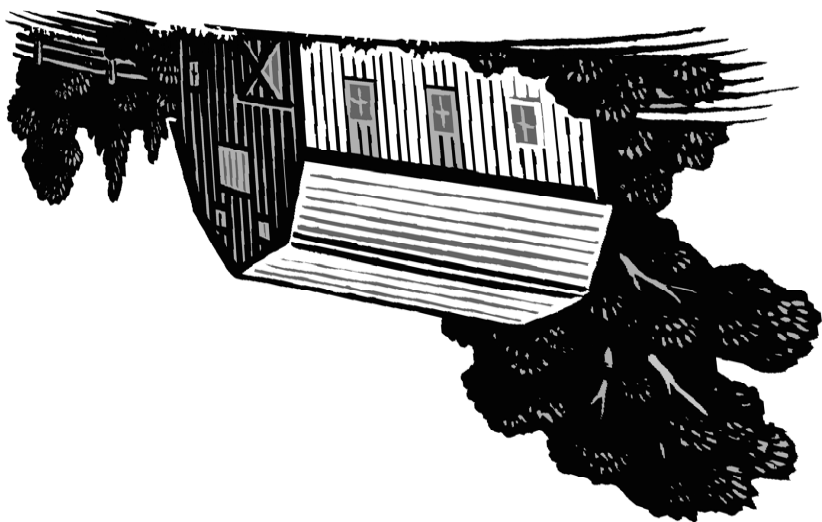

Congratulations to each of the families being recognized. Thank you for being a part of the amazing legacy of Iowa agriculture.

Sincerely,

A handwritten signature in dark ink that reads "Mike Naig". The signature is written in a cursive, flowing style.
