Section 1 Background and Scope of Work

1.1 Background.

The Iowa Department of Health and Human Services (HHS) is the single State entity responsible for administering the Medicaid program in Iowa. The Iowa Medicaid program reimburses providers for delivery of services to eligible Medicaid recipients under the authority of Title XIX of the Social Security Act through enrolled providers and health plans. The Agency operates this program through its business unit, Iowa Medicaid. The Agency is also responsible for Iowa's Children's Health Insurance Program (CHIP) which includes Healthy and Well Kids in Iowa (Hawki).

Home and Community Based Services (HCBS) are currently delivered through seven 1915(c) waivers that are targeted to specific populations. These 1915(c) waivers include the Elderly Waiver, Persons with HIV/AIDS Waiver, Physical Disabilities Waiver, Brain Injury Waiver, Health and Disability Waiver, Intellectual Disabilities Waiver and the Children's Mental Health Waiver. Habilitation services are delivered through a 1915(i) waiver.

Iowa also has an 1115 waiver. This waiver covers the Dental Wellness Plan (DWP), retroactive eligibility, a waiver of Non-Emergency Medical Transportation (NEMT) for certain populations, and the Iowa Health and Wellness Plan (IHAWP) which is Iowa's expansion population serving Iowans who are between the ages of 19-64 who are not eligible under the state Medicaid plan. This waiver is up for renewal and currently expires on 12/31/2024.

The Agency is engaged in a community-based services redesign project that has the potential to significantly change the current Long-Term Services and Supports (LTSS) landscape. The Hope and Opportunity in Many Environments (HOME) Project aims to improve Medicaid mental health and disability services as well as the existing HCBS structure. More information on this project can be found at our website at the following link: [Hope and Opportunity in Many Environments \(HOME\)](#).

On April 1, 2016, the Iowa Medicaid transitioned to a managed care system, known as IA Health Link. This is under the authority of Iowa's 1915b waiver. The managed care system's primary purpose is to improve the quality of care and health outcomes for Medicaid and CHIP enrollees while leveraging the strength and success of current HHS initiatives. Iowa's Hawki population is served by the same Medicaid MCOs and included in the total MCO population. The Agency is currently operating the IA Health Link program with three (3) Managed Care Organizations (MCOs). Information regarding the current Managed Care Contracts can be found at this link: <https://hhs.iowa.gov/programs/welcome-iowa-medicaid/medicaid-contracts>.

On July 1, 2017, the Agency combined dental benefits for all adult enrollees into one (1) Dental Wellness Plan (DWP), delivered via Prepaid Ambulatory Health Plans (PAHPs). In addition, the Agency provided children's dental coverage through various packages. Medicaid children under the age of 19 received comprehensive dental coverage on an FFS basis and Hawki children received dental coverage through a PAHP. Hawki also has a dental-only program for children with other health coverage.

Effective July 1, 2021, all Medicaid children under the age of 19 have been transitioned from the previous dental fee-for-service delivery system and began receiving dental benefits through the currently contracted PAHPs. The Agency worked to enroll children in PAHPs to better coordinate dental care for children and help promote oral health in an accessible and cost-effective manner. The Agency currently contracts with two (2) PAHPs to deliver dental benefits. These current contracts can be found at this link: <https://hhs.iowa.gov/programs/welcome-iowa-medicaid/medicaid-contracts>.

2.13 Review of Bid Proposals.

Only Bidders that meet the mandatory requirements and are not subject to disqualification will be considered for award of a contract.

2.13.1 Mandatory Requirements.

Bidders must meet these mandatory requirements or will be disqualified and not considered for award of a contract:

- The Issuing Officer must receive the Bid Proposal, and any amendments thereof, prior to or on the due date and time (See RFP Sections 2.8 and 2.9).
- The Bidder is not presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from receiving federal funding by any federal department or agency (See RFP Additional Certifications Attachment).
- The Bidder's Cost Proposal adheres to any pricing restrictions regarding the project budget or administrative costs (See RFP Section 3.3).

2.13.2 Reasons Proposals May be Disqualified.

Bidders are expected to follow the specifications set forth in this RFP. However, it is not the Agency's intent to disqualify Bid Proposals that suffer from correctible flaws. At the same time, it is important to maintain fairness to all Bidders in the procurement process. Therefore, the Agency reserves the discretion to permit cure of variances, waive variances, or disqualify Bid Proposals for reasons that include, but may not be limited to, the following:

- Bidder initiates unauthorized contact regarding this RFP with employees other than the Issuing Officer (See RFP Section 2.2);

- Bidder's response materially changes Scope of Work specifications;
- Bidder fails to submit the RFP attachments containing all signatures (See RFP Section 3.2.6);
- Bidder marks entire Bid Proposal confidential, makes excessive claims for confidential treatment, or identifies pricing information in the Cost Proposal as confidential (See RFP Section 3.1);
- Bidder includes assumptions in its Bid Proposal (See RFP Section 2.7); or
- Bidder fails to respond to the Agency's request for clarifications, information, documents, or references that the Agency may make at any point in the RFP process.
- Bidder is a "scrutinized company" included on a "scrutinized company list" created by a public fund pursuant to Iowa Code §12J. This list is maintained by the Iowa Public Employees' Retirement System. The list is currently found here: <https://ipers.org/investments/restrictions>.

The determination of whether or not to disqualify a proposal and not consider it for award of a contract for any of these reasons, or to waive or permit cure of variances in Bid Proposals, is at the sole discretion of the Agency. No Bidder shall obtain any right by virtue of the Agency's election to not exercise that discretion. In the event the Agency waives or permits cure of variances, such waiver or cure will not modify the RFP specifications or

excuse the Bidder from full compliance with RFP specifications or other contract requirements if the Bidder enters into a contract.

2.14 Bid Proposal Clarification Process.

The Agency may request clarifications from Bidders for the purpose of resolving ambiguities or questioning information presented in the Bid Proposals. Clarifications may occur throughout the Bid Proposal evaluation process. Clarification responses shall be in writing and shall address only the information requested. 2.20 Public Records and Request for Confidential Treatment.

Original information submitted by a Bidder may be treated as public information by the Agency following the conclusion of the selection process unless the Bidder properly requests that information be treated as confidential at the time of submitting the Bid Proposal. However, the Bidder shall certify by signing and returning RFP Attachment B its understanding that any Agency references to Bid Proposal information marked confidential made during the evaluation process may become part of the public domain.

In the event the Agency receives a request for information marked confidential, written notice shall be given to the Bidder seventy-two (72) hours prior to the release of the information to allow the Bidder to seek injunctive relief pursuant to Iowa Code § 22.5 or 22.8.

The Bidder's failure to request confidential treatment of material pursuant to this section and the relevant law will be deemed, by the Agency and State personnel, as a waiver of any right to confidentiality that the Bidder may have had.

2.21 Copyrights.

By submitting a Bid Proposal, the Bidder agrees that the Agency may copy the Bid Proposal for purposes of facilitating the evaluation of the Bid Proposal or to respond to requests for public records. By submitting a Bid Proposal, the Bidder acknowledges that additional copies may be produced and distributed, and represents and warrants that such copying does not violate the rights of any third party. The Agency shall have the right to use ideas or adaptations of ideas that are presented in the Bid Proposals.

2.22 Release of Claims.

By submitting a Bid Proposal, the Bidder agrees that it shall not bring any claim or cause of action against the Agency based on any misunderstanding concerning the information provided herein or concerning the Agency's failure, negligent or otherwise, to provide the Bidder with pertinent information as intended by this RFP.

2.23 Reserved. (Presentations)

It is the Bidder's responsibility to ensure that the request for reconsideration is received prior to the deadline. Postmarking or submission to a shipping service by the due date shall not substitute for actual receipt of a request for reconsideration by the Agency.

The request for reconsideration shall clearly and fully identify all issues being contested by reference to the page and section number of the RFP. If a Bidder submitted multiple Bid Proposals and requests that the Agency reconsider a notice of disqualification or notice of intent to award decision for more than one Bid Proposal, a separate written request shall be submitted for each. At the Agency's discretion, requests for reconsideration from the same Bidder may be reviewed separately or combined into one response. The Agency will expeditiously address the request for reconsideration and issue a decision. The Bidder may choose to file an appeal with the Agency within five days of the date of the decision on reconsideration in accordance with 441 IAC 7.41 et seq.

2.27 Definition of Contract.

The full execution of a written contract shall constitute the making of a contract for services and no Bidder shall acquire any legal or equitable rights relative to the contract services until the contract has been fully executed by the apparent successful Bidder and the Agency.

The Agency anticipates that the selected Bidder will provide services as requested by the Agency. The Agency does not guarantee that any minimum compensation will be paid to the Bidder or any minimum usage of the Bidder's services.

2.32 Use of Subcontractors.

The Agency acknowledges that the selected Bidder may contract with third parties for the performance of any of the Contractor's obligations. The Agency reserves the right to provide prior approval for any subcontractor used to perform services under any contract that may result from this RFP.

2.33 Bidder Continuing Disclosure Requirement.

To the extent that Bidders are required to report incidents when responding to this RFP related to damages, penalties, disincentives, administrative or regulatory proceedings, founded child or dependent adult abuse, or felony convictions, these matters are subject to continuing disclosure to the Agency. Incidents occurring after submission of a Bid Proposal, and with respect to the successful Bidder after the execution of a contract, shall be disclosed in a timely manner in a written statement to the Agency. For purposes of this subsection, timely means within thirty (30) days from the date of conviction, regardless of appeal rights.

3.2 Contents and Organization of Technical Proposal.

This section describes the information that must be in the Technical Proposal. Bid Proposals should be organized into sections **in the same order provided here**. Hard copies of Bid Proposals should use tabs to separate each section. If a Bidder chooses to provide information in attachments to respond to any section below, please create a new tabbed attachment section immediately behind the applicable section. For example, to add attachments related to information asked for in Section 3.2.3 Information to Include Behind Tab 3: Bidder’s Approach to Meeting Deliverables, the Bidder would create a new tab in the Technical Proposal that is called Tab 3 Attachments and place the attachment(s) there. The Bidder would follow suit by creating new tabbed sections for attachments created to respond to any other section below in their bid proposal.

3.2.1 Information to Include Behind Tab 1: Transmittal Letter.

The transmittal letter serves as a cover letter for the Technical Proposal. It must consist of an executive summary that briefly reviews the strengths of the Bidder and key features of its proposed approach to meet the specifications of this RFP.

3.2.2 Information to Include Behind Tab 2: Proposal Table of Contents.

The Bid Proposal must contain a table of contents.

3.2.3 Information to Include Behind Tab 3: Bidder’s Approach to Meeting Deliverables.

The Bidder shall address each Deliverable that the successful contractor will perform as listed in Section 1.3, Scope of Work, by first restating the Deliverable from the RFP and then detailing the Bidder’s planned approach

to meeting each contractor Deliverable immediately after the restated text. Bid responses should provide sufficient detail so that the Agency can understand and evaluate the Bidder's approach and should not merely repeat the Deliverable.

Bidders are given wide latitude in the degree of detail they offer or the extent to which they reveal plans, designs, examples, processes, and procedures. Bidders do not need to address any responsibilities that are specifically designated as Agency responsibilities.

Note:

- Responses to Deliverables shall be in the same sequence as presented in the RFP.
- Bid Proposals shall identify any deviations from the specifications the Bidder cannot satisfy.
- Bid Proposals shall not contain promotional or display materials unless specifically required.

If a Bidder proposes more than one method of meeting the RFP requirements, each method must be drafted and submitted as separate Bid Proposals. Each will be evaluated separately.

3.2.4 Information to Include Behind Tab 4: Bidder's Experience.

3.2.4.1 Level of technical experience in providing the types of services sought by the RFP.

3.2.4.2 Description of all services similar to those sought by this RFP that the Bidder has provided to the Agency and other businesses or governmental entities within the last twenty-four (24) months.

3.2.4.3 Letters of reference from three (3) of the Bidder's previous clients knowledgeable of the Bidder's performance in providing services similar to those sought in this RFP, including a contact person, telephone number, and email address for each reference. It is preferred that letters of reference are provided for services that were procured in a competitive environment. Form letters of reference that do not elaborate on the Bidder's performance under the specific relationships addressed in the reference letter may negatively impact the Bidder's evaluation/score. Persons who are currently employed by the Agency are not eligible to be references.

3.2.4.4 Description of experience managing subcontractors, if the Bidder proposes to use subcontractors.

3.2.5 Information to Include Behind Tab 5: Personnel.

The Bidder shall provide the following information regarding personnel:

3.2.5.1 Tables of Organization.

- Include names of the current board of directors, or names of all partners, as applicable.
- Include resumes for all key corporate, administrative, and supervisory personnel who will be involved in providing the services sought by this RFP. The resumes should include: name, education, years of experience, and employment history, particularly as it relates to the scope of services specified herein. Resumes shall not include social security numbers.

3.2.5.3 Information About Project Manager and Key Project Personnel.

The resumes shall include: name, education, and years of experience and employment history, particularly as it relates to the scope of services specified herein. Resumes shall also include the percentage of time the person would be specifically dedicated to this project on a monthly basis, if the Bidder is selected as the successful Bidder. Resumes should not include social security numbers.

3.2.6 Information to Include Behind Tab 6: RFP Forms.

The forms listed below are attachments to this RFP. Fully complete and return these forms behind Tab 6:

- Release of Information Form

- Subcontractor Disclosure Form (one for each proposed subcontractor)
- Certification and Disclosure Regarding Lobbying

3.2.7 Reserved. (Financial Statements)**3.3 Cost Proposal.****Content and Format.**

The Cost Proposal shall be submitted using the pricing workbook set forth in Attachment F of this RFP. Bidders should submit an Excel version of Attachment F.

The Bidder's Cost Proposal shall include all charges of any kind associated with the goods and services offered by the Bidder in order to meet all RFP requirements. The Agency will not be liable for any fees or charges for the goods and services offered by the Bidder that are not set forth in the Cost Proposal.

Section 4 Evaluation Of Bid Proposals

4.1 Introduction.

This section describes the evaluation process that will be used to determine which Bid Proposal provides the greatest benefit to the Agency. When making this determination, the Agency will not necessarily award a contract to the Bidder offering the lowest cost to the Agency or to the Bidder with the highest point total. Rather, a contract will be awarded to the Bidder that offers the greatest benefit to the Agency.

4.2 Evaluation Committee.

The Agency intends to conduct a comprehensive, fair, and impartial evaluation of Bid Proposals received in response to this RFP. In making this determination, the Agency will be represented by an evaluation committee.

4.3 Proposal Scoring and Evaluation Criteria.

The evaluation committee will use the method described in this section to assist with initially determining the relative merits of each Bid Proposal.

Scoring Guide.

Points will be assigned to each evaluation component as follows, unless otherwise designated:

4	Bidder has agreed to comply with the requirements and provided a clear and compelling description of how each requirement would be met, with relevant supporting materials. Bidder's proposed approach frequently goes above and beyond the minimum requirements and indicates superior ability to serve the needs of the Agency.
3	Bidder has agreed to comply with the requirements and provided a good and complete description of how the requirements would be met. Response clearly demonstrates a high degree of ability to serve the needs of the Agency.
2	Bidder has agreed to comply with the requirements and provided an adequate description of how the requirements would be met. Response indicates adequate ability to serve the needs of the Agency.
1	Bidder has agreed to comply with the requirements and provided some details on how the requirements would be met. Response does not clearly indicate if all the needs of the Agency will be met.
0	Bidder has not addressed any of the requirements or has provided a response that is limited in scope, vague, or incomplete. Response did not provide a description of how the Agency's needs would be met.

Technical Proposal Components.

When Bid Proposals are evaluated, the total points for each component are comprised of the component's assigned weight multiplied by the score the Bid Proposal earns. Points for all components will be added together. The evaluation components, including maximum points that may be awarded, are as follows:

<u>Technical Proposal Components</u>	<u>Weight</u>	<u>Score (0-4)</u>	<u>Potential Maximum Points</u>
Executive Summary	100	0-4	400
Technical Qualifications			
• Technical Assistance (RFP Section 1.3.1.2)	400	0-4	1,600
• Policy Support (RFP Section 1.3.1.3)	400	0-4	1,600
• Ad Hoc Analysis (RFP Section 1.3.1.4)	300	0-4	1,200
Corporate Qualifications (RFP Section 3.2.4)	100	0-4	400
Key Personnel (RFP Sections 1.3.1.1(A) and 3.2.5)	200	0-4	800
Total			6,000

Scoring of Cost Proposal Pricing.

Cost Proposal pricing will be scored based on a ratio of the lowest Cost Proposal versus the cost of each higher priced Bid Proposal. Under this formula, the lowest Cost Proposal receives all of the points assigned to pricing. A Cost Proposal twice as expensive as the lowest Cost Proposal would earn half of the available points. The formula is:

Weighted Cost Score = (price of lowest Cost Proposal/price of each higher priced Cost Proposal) X (points assigned to pricing)

Total Points Assigned to Pricing: 2,000.

Total Points Possible for Technical and Cost Proposals: 8,000

4.4 Recommendation of the Evaluation Committee.

The evaluation committee shall present a final ranking and recommendation(s) to the Procurement Decision Maker for consideration. In making this recommendation, the committee is not bound by any scores or scoring system used to assist with initially determining the relative merits of each Bid Proposal. This recommendation may include, but is not limited to, the name of one or more Bidders recommended for selection or a recommendation that no Bidder be selected. The Procurement Decision Maker shall consider the committee's recommendation when making the final decision, but is not bound by the recommendation.

1. CERTIFICATION OF INDEPENDENCE AND NO CONFLICT OF INTEREST

By submission of a Bid Proposal, the Bidder certifies (and in the case of a joint proposal, each party thereto certifies) that:

1. The Bid Proposal has been developed independently, without consultation, communication or agreement with any employee or consultant of the Agency who has worked on the development of this RFP, or with any person serving as a member of the evaluation committee;
2. The Bid Proposal has been developed independently, without consultation, communication or agreement with any other Bidder or parties for the purpose of restricting competition;
3. Unless otherwise required by law, the information in the Bid Proposal has not been knowingly disclosed by the Bidder and will not knowingly be disclosed prior to the award of the contract, directly or indirectly, to any other Bidder;
4. No attempt has been made or will be made by the Bidder to induce any other Bidder to submit or not to submit a Bid Proposal for the purpose of restricting competition;
5. No relationship exists or will exist during the contract period between the Bidder and the Agency that interferes with fair competition or is a conflict of interest.
6. The Bidder and any of the Bidder's proposed subcontractors have no other contractual relationships which would create an actual or perceived conflict of interest.

2. CERTIFICATION REGARDING DEBARMENT, SUSPENSION, INELIGIBILITY AND VOLUNTARY EXCLUSION -- LOWER TIER COVERED TRANSACTIONS

By signing and submitting this Bid Proposal, the Bidder is providing the certification set out below:

1. The certification in this clause is a material representation of fact upon which reliance was placed when this transaction was entered into. If it is later determined that the Bidder knowingly rendered an erroneous certification, in addition to other remedies available to the federal government the Agency or agency with which this transaction originated may pursue available remedies, including suspension and/or debarment.
2. The Bidder shall provide immediate written notice to the person to whom this Bid Proposal is submitted if at any time the Bidder learns that its certification was erroneous when submitted or had become erroneous by reason of changed circumstances.
3. The terms covered transaction, debarred, suspended, ineligible, lower tier covered transaction, participant, person, primary covered transaction, principle, proposal, and voluntarily excluded, as used in this clause, have the meaning set out in the Definitions and Coverage sections of rules implementing Executive Order 12549. You may contact the person to which this Proposal is submitted for assistance in obtaining a copy of those regulations.
4. The Bidder agrees by submitting this Proposal that, should the proposed covered transaction be entered into, it shall not knowingly enter into any lower tier covered transaction with a person who is proposed for debarment under 48 CFR part 9, subpart 9.4, debarred, suspended, declared ineligible, or voluntarily excluded from participation in this covered transaction, unless authorized by the Agency or agency with which this transaction originated.
5. The Bidder further agrees by submitting this Proposal that it will include this clause titled "Certification Regarding Debarment, Suspension, Ineligibility and Voluntary Exclusion--Lower Tier Covered

Transaction," without modification, in all lower tier covered transactions and in all solicitations for lower tier covered transactions.

6. A participant in a covered transaction may rely upon a certification of a prospective participant in a lower tier covered transaction that it is not proposed for debarment under 48 CFR part 9, subpart 9.4, debarred, suspended, ineligible, or voluntarily excluded from covered transactions, unless it knows that the certification is erroneous. A participant may decide the method and frequency by which it determines the eligibility of its principals. A participant may, but is not required to, check the List of Parties Excluded from Federal Procurement and Nonprocurement Programs.
7. Nothing contained in the foregoing shall be construed to require establishment of a system of records in order to render in good faith the certification required by this clause. The knowledge and information of a participant is not required to exceed that which is normally possessed by a prudent person in the ordinary course of business dealings.
8. Except for transactions authorized under paragraph 4 of these instructions, if a participant in a covered transaction knowingly enters into a lower tier covered transaction with a person who is proposed for debarment under 48 CFR part 9, subpart 9.4, suspended, debarred, ineligible, or voluntarily excluded from participation in this transaction, in addition to other remedies available to the federal government, the Agency or agency with which this transaction originated may pursue available remedies, including suspension and/or debarment.

The undersigned states, to the best of his or her knowledge and belief, that:

If any funds have been paid or will be paid to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with this commitment providing for the United States to insure or guarantee
