Steve-

We currently have Hayward Gordon pumps, although we are not brand specific.

Thank you-

Jessica;

Woodward Resource Center

We saw a notice pop up referencing the purchase of Two Chopper pumps for 800 gpm @ 37 TDH, 208/3 phase.

No manufacturers were listed, but it may be a direct replacement of a specific manufacturer.

Are there some specifications available for this?

If there are, please let us know.

Thanks
