

August 11, 2023

To Vendors,

The Letter of Intent to Award was issued yesterday afternoon (please see uploaded PDF) on the state's bid opportunities website.

This morning, the solicitation was erroneously put into closed "without award" status on the alternate Jaggaer solicitations website used by the state. Please ignore that message.

The winner is properly noted in the letter of intent to award.

Many thanks,

/s/ Brad Biren
