

## ADDENDUM #2

**Project Name:**

**DOC IMCC Electrical Service Upgrades**

**DAS#9353.00**

**RFP935300-01**

**Addendum #2**

**Dated: January 2, 2024**

This Addendum forms a part of the Request For Proposal documents. This Addendum supersedes and supplements all portions of the original Request For Proposal dated December 04, 2023 with which it conflicts.

ACKNOWLEDGE RECEIPT OF THIS ADDENDUM IN THE REQUEST FOR PROPOSAL. FAILURE TO DO SO MAY SUBJECT TO DISQUALIFICATION.

1. **Proposal Schedule** – Proposal due date does not change.
2. **Questions:**
  - a. Q. Based on the scope of work to add more capacity and Service/refurbish/repair/replace existing equipment, it would seem appropriate to have an electrician onsite to open junction boxes and panels to better understand existing conditions during the Schematic design. Will the awarded consultant need to hire an electrician for this scope of work? *A. No, IMCC Staff will assist the design team to open the junction boxes and panels.*
