

## ADDENDUM #1

Project Name:

DOC MPCF IPI Building Stormwater Management

DAS#9387.00

**RFP938700-01**

Addendum #1

Dated: April 1st, 2024

This Addendum forms a part of the Request For Proposal documents. This Addendum supersedes and supplements all portions of the original Request For Proposal for which it conflicts.

ACKNOWLEDGE RECEIPT OF THIS ADDENDUM IN THE REQUEST FOR PROPOSAL. FAILURE TO DO SO MAY SUBJECT TO DISQUALIFICATION.

1. Proposal Schedule — Proposal due date does not change.
2. Questions:
  - a. Q. Can the fence be removed during construction and then re-installed *A. Yes, we can work with the facility but will need to provide any needed details for scope work*
  - b. Q. Who will be responsible for utility locates? *A. The facility will provide needed locates as required. Any needed site survey work should be included in the proposal response.*
  - c. Q.? Any concern with storm water pipe size if exiting under the fence *A. No*

Attachments: NONE
