

VENDING MACHINES

Food served or purchased by students during the school day and food served or purchased for other than special circumstances is approved by the superintendent. Vending machines in the school building are the responsibility of the building principal. Foods and beverages available for purchase from the vending machines will reflect the guidelines in the Wellness policy 507.9 as well as the requirements of applicable federal and state laws and regulations.

It is the responsibility of the superintendent to develop administrative regulations for the use of vending machines and other sales of food to students.
