The costs of preparation and delivery of the Bid are solely the responsibility of the Bidder.

2.9 Rejection of Bids

The Agency reserves the right to reject any or all Bids, in whole and in part, received in response to this RFB at any time prior to the execution of a written Contract. This RFB process is for the Agency's benefit and is intended to provide the Agency with competitive information to assist in the selection of a Bidder to provide goods and/or services. It is not intended to be comprehensive and each Bidder is responsible for determining all factors necessary for submission of a comprehensive Bid.

- The Bidder is a "scrutinized company" included on a "scrutinized company list" created by a public fund pursuant to Iowa Code section 12J.3.

2.11 Nonmaterial Variances

The Agency reserves the right to waive or permit cure of nonmaterial variances in the Bid if, in the judgment of the Agency, it is in the Agency's best interest to do so. Nonmaterial variances include minor informalities that do not affect responsiveness, that are merely a matter of form or format, that do not change the relative standing or otherwise prejudice other Bidders, that do not change the meaning or scope of the RFB, or that do not reflect a material change in the requirements of the RFB. In the event the Agency waives or permits cure of nonmaterial variances, such waiver or cure will not modify the RFB requirements or excuse the Bidder from full compliance with RFB specifications or other contract requirements if the Bidder is awarded the contract. The determination of materiality is in the sole discretion of the Agency.

2.12 Reference Checks

The Agency reserves the right to contact any reference to assist in the evaluation of the Bid, to verify information contained in the Bid and to discuss the Bidder's qualifications and the qualifications of any subcontractor identified in the Bid.

2.15 Bid Clarification Process

The Agency reserves the right to contact a Bidder after the submission of Bids for the purpose of clarifying a Bid to ensure mutual understanding. This contact may include written questions, interviews, site visits, a review of past performance if the Bidder has provided goods and/or services to the State or any other political subdivision wherever located, or requests for corrective

pages in the Bidder's Bid. The Agency will not consider information received if the information materially alters the content of the Bid or alters the type of goods and/or services the Bidder is offering to the Agency. An individual authorized to legally bind the Bidder shall sign responses to any request for clarification. Responses shall be submitted to the Agency within the time specified in the Agency's request. Failure to comply with requests for additional information may result in rejection of the Bid as non-compliant.

2.16 Disposition of Bids

All Bids become the property of the Agency and shall not be returned to the Bidder at the conclusion of the selection process, the contents of all Bids will be in the public domain and be available for inspection by interested parties except for information for which Bidder properly requests confidential treatment according to exceptions provided in *Iowa Code Chapter 22* or other applicable law.

2.17 Public Records and Requests for Confidential Treatment

The Agency's release of public records is governed by Iowa Code chapter 22. Bidders are encouraged to familiarize themselves with Chapter 22 before submitting a Bid. The Agency will copy and produce public records upon request as required to comply with Chapter 22 and will treat all information submitted by a Bidder as non-confidential records unless Bidder requests specific parts of the Bid be treated as confidential at the time of the submission as set forth herein **AND the information is confidential under Iowa or other applicable law.**

2.17.1 Form 22 Request for Confidentiality

FORM 22 MUST BE COMPLETED AND INCLUDED WITH BIDDER'S BID. COMPLETION AND SUBMITTAL OF FORM 22 IS REQUIRED WHETHER THE BID DOES OR DOES NOT CONTAIN INFORMATION FOR WHICH CONFIDENTIAL TREATMENT WILL BE REQUESTED. FAILURE TO SUBMIT A COMPLETED FORM 22 WILL RESULT IN THE BID CONSIDERED NON-RESPONSIVE AND NOT EVALUATED.

2.17.2 Confidential Treatment Is Not Requested

A Bidder not requesting confidential treatment of information contained in its Bid shall complete Section I of Form 22 and submit Form 22 with the Bid.

2.17.3 Confidential Treatment of Information is Requested

A Bidder requesting confidential treatment of specific information shall: (1) fully complete Section II of Form 22, (2) conspicuously mark the outside of its Bid as containing confidential information, (3) mark each page upon which the Bidder believes confidential information appears **and CLEARLY IDENTIFY EACH ITEM for which confidential treatment is requested; MARKING A PAGE IN THE PAGE MARGIN IS NOT SUFFICIENT IDENTIFICATION**, and (4) submit a "Public Copy" from which the confidential information has been excised.

Form 22 will not be considered fully complete unless, for each confidentiality request, the Bidder: (1) enumerates the specific grounds in Iowa Code chapter 22 or other applicable law that supports treatment of the material as confidential, (2) justifies why the material should be maintained in confidence, (3) explains why disclosure of the material would not be in the best interest of the public, and (4) sets forth the name, address, telephone, and

e-mail for the person authorized by Bidder to respond to inquiries by the Agency concerning the confidential status of such material.

The Public Copy from which confidential information has been excised is in addition to the number of copies requested in Section 3 of this RFB. The confidential material must be excised in such a way as to allow the public to determine the general nature of the material removed and to retain as much of the Bid as possible.

Failure to request information be treated as confidential as specified herein shall relieve Agency and State personnel from any responsibility for maintaining the information in confidence. Bidders may not request confidential treatment with respect to pricing information and transmittal letters. A bidder's request for confidentiality that does not comply with this section or a bidder's request for confidentiality on information or material that cannot be held in confidence as set forth herein are grounds for rejecting bidder's Bid as non-responsive. Requests to maintain an entire Bid as confidential will be rejected as non-responsive.

If Agency receives a request for information that Bidder has marked as confidential and if a judicial or administrative proceeding is initiated to compel the release of such material, Bidder shall, at its sole expense, appear in such action and defend its request for confidentiality. If Bidder fails to do so, Agency may release the information or material with or without providing advance notice to Bidder and with or without affording Bidder the opportunity to obtain an order restraining its release from a court possessing competent jurisdiction. Additionally, if Bidder fails to comply with the request process set forth herein, if Bidder's request for confidentiality is unreasonable, or if Bidder rescinds its request for confidential treatment, Agency may release such information or material with or without providing advance notice to Bidder and with or without affording Bidder the opportunity to obtain an order restraining its release from a court possessing competent jurisdiction.

2.18 Copyrights

By submitting a Bid, the Bidder agrees that the Agency may copy the Bid for purposes of facilitating the evaluation of the Bid or to respond to requests for public records. The Bidder consents to such copying by submitting a Bid and warrants that such copying will not violate the rights of any third party. The Agency shall have the right to use ideas or adaptations of ideas that are presented in the Bids.

2.19 Release of Claims

If the apparent successful Bidder fails to negotiate and deliver an executed contract by that date, the Agency, in its sole discretion, may cancel the award and award the Contract to the remaining Bidder the Agency believes will provide the best value to the State.

2.26 Definition of Contract

The full execution of a written contract shall constitute the making of a contract for the goods and/or services requested by the RFB and no Bidder shall acquire any legal or equitable rights relative to the contract for goods and/or services until the contract has been fully executed by the successful Bidder and the Agency.

2.27 Choice of Law and Forum

This RFB and the Contract are to be governed by the laws of the state of Iowa. Changes in applicable laws and rules may affect the award process or the Contract. A Bidder not requesting confidential treatment of information contained in its Bid shall complete Part 1 of Form 22 and submit a signed Form 22 Part 1 with the Bid.

2. Confidential Treatment of Information is Requested

A Bidder requesting confidential treatment of specific information shall: (1) fully complete and sign Part 2 of Form 22, (2) conspicuously mark the outside of its Bid as containing confidential information, (3) mark each page upon which the Bidder believes confidential information appears **and CLEARLY IDENTIFY EACH ITEM for which confidential treatment is requested; MARKING A PAGE IN THE PAGE MARGIN IS NOT SUFFICIENT IDENTIFICATION**, and (4) submit a “Public Copy” from which the confidential information has been excised.

Form 22 will not be considered fully complete unless, for each confidentiality request, the Bidder: (1) enumerates the specific grounds in Iowa Code Chapter 22 or other applicable law that supports treatment of the information as confidential, (2) justifies why the information should be maintained in confidence, (3) explains why disclosure of the information would not be in the best interest of the public, and (4) sets forth the name, address, telephone, and e-mail for the person authorized by Bidder to respond to inquiries by the Agency concerning the confidential status of such information.

The Public Copy from which confidential information has been excised is in addition to the number of copies requested in Section 3 of this RFB. The confidential information must be excised in such a way as to allow the public to determine the general nature of the information removed and to retain as much of the Bid as possible.

Failure to request information be treated as confidential as specified herein shall relieve Agency and State personnel from any responsibility for maintaining the information in confidence. Bidders may not request confidential treatment with respect to pricing information and transmittal letters. A Bidder’s request for confidentiality that does not comply with this form or a Bidder’s request for confidentiality on information or material that cannot be held in confidence as set forth herein are grounds for rejecting Bidder’s Bid as non-responsive. Requests to maintain an entire Bid as confidential will be rejected as non-responsive.

If Agency receives a request for information that Bidder has marked as confidential and if a judicial or administrative proceeding is initiated to compel the release of such information, Bidder shall, at its sole expense, appear in such action and defend its request for confidentiality. If Bidder fails to do so, Agency may release the information or material with or without providing advance notice to Bidder and with or without affording Bidder the opportunity to obtain an order restraining its release from a court possessing competent jurisdiction. Additionally, if Bidder fails to comply with the request process set forth herein, if Bidder’s request for confidentiality is unreasonable, or if Bidder rescinds its request for confidential treatment, Agency may release such information or material with or without providing advance notice to Bidder and with or without affording Bidder the opportunity to obtain an order restraining its release from a court possessing competent jurisdiction.
