

RFP # 400-RFP-HHS-2674-2026

Project: Remove and replace 200 feet of 18” dual wall

Location: State Training School, 3211 Edgington Ave, Eldora, IA 50627

The State Training School in Eldora, IA, is looking to remove and replace approximately 200 feet of 18” dual wall to replace existing storm sewer. This area is located on the south end of our property.

Please include the following in your quote:

1. 200 feet of 18” dual wall non-perf tile with rock bedding
2. Minor tree / fence removal
3. Connecting to existing storm manhole
4. Mobilization of equipment / material

Quotes are due to Danae Block by 4/15/26 @ 5:00pm (danae.block@hhs.iowa.gov)
