Addendum 2

This addendum forms a part of the contract documents and modifies the original bidding documents dated July 30th, 2026 as noted below.

Questions and Answers

1. If a bidder has already submitted all this information previously in order to be awarded the MA for boiler services. Is it necessary for us to fill out all the again?
 - a. There were no awarded bidders in Zone 4 from the mechanical services solicitation (005-RFB-2673-2026). If a bidder had previously provided an informal quote for this work at the facility, another bid would need to be submitted for this competitive solicitation.
2. 3.2 & 4.1 what are you requiring % wise on these? Are they even required? No dollar amounts have been pre-filled on these sections.
 - a. Question 3.2 would only be applicable if the winning bid were to be greater to or equal to \$25,000. Question 4.1 is not applicable. A bid bond is not required for this solicitation.
