Description

The purpose of this Request for Quote (RFQ) is to solicit quotes from qualified providers to provide the goods and/or services described further in this RFQ to the Lead Agency and any Participating Agencies.

This RFQ is designed to provide Bidders with the information necessary for the preparation of competitive quotes. The RFQ process is for the Lead Agency's and Participating Agencies' benefit and is intended to provide the Lead Agency with competitive information to assist in the selection process. It is not intended to be comprehensive. Each Bidder is responsible for determining all factors necessary for the submission of a comprehensive quotes.

It is advised to "Save Progress" often and especially after uploading documents.

NOTE: Anytime the Bidder opens their bid after the initial submission, they MUST certify and resubmit. No information will be lost from the initial submission.

NOTE: Bidder must approve and resubmit their bid after an amendment has been posted by the Issuing Officer. If the bid was submitted before the amendment, all information will be saved. The Bidder only needs to read and acknowledge the amendment.

Instructions for Amendments: Answer the newly posted question in the Questions Section, and CERTIFY and SUBMIT your bid again (if previously submitted).

Contract Term:

The contract duration will be for five (5) months starting on 1/10/2024 and ending on 5/10/2023.

Site Visit - Is NOT mandatory, but is HIGHLY recommended

Site Visit Date: Wednesday, December 27th at 11:00am (CT)

Site Visit Location 6200 Park Ave. Des Moines, IA. 50321

The State of Iowa is conducting a Request for Quote (RFQ) for snow and ice removal services at the 6200 Park Ave., Des Moines, IA. 50321 Facility. The duration of this contract will be for five (5) months. The 6200 Park location houses the following agencies: The Iowa Board of Nursing, Iowa Board of Inspections, Appeals, and Licensing, and The Iowa Board of Medicine. The facility has a parking lot and various walkways that encircle the building.

Snow Event

A Snow Event is a single accumulation of snow that begins and ends without a two-hour break and needs removal. The snowfall amount for any snow event will be determined by readings made by the National Weather Service Snowfall Analysis site (<https://www.weather.gov/crh/snowfall>). This source will be required by the contractor to recognize the accumulation resource for invoicing.

An example of a Snow Event is:

Snowfall begins at 3:00AM and accumulates for 4 ½ hours. Whatever the snowfall total is in inches, would be the event pricing.

If a new snowfall begins within 1 hour and 59 minutes of the end of the original snowfall, the Snow Event would be considered one event.

If a second snowfall begins 2 or more hours after the first snowfall ends, this would be considered a "new event" and would be billed as a separate event based on the above snowfall amount in inches of the new event.

In the event snow falls or continues to fall throughout the day, the contractor must be available to do driving lanes, driveways, or full site cleanup if called to do so. If this is needed, the Agency will contact the contractor.

Vendors are to provide pricing for snow removal, excluding salting, per snow event definition note above, using a one-inch (1") trigger, for the following events:

1"- 3"

3.1"- 6"

6.1"- 9"

9.1"+

Drifting Event

A drifting event results from wind-driven snow accumulation occurring outside of a snow event. This will be priced on an hourly rate event and not a measurable snow event.

Stage Description

No description available.
