## Section 1 Background and Scope of Work

### ***1.1 Background.***

As defined by Administrative Rule 441-151, graduated sanction services are early intervention and follow-up services provided to children adjudicated delinquent and to children referred to juvenile court services for a delinquency violation or who have exhibited behaviors likely to result in a juvenile delinquency referral. These services are directed to enhance personal adjustment to help children transition into productive adulthood and to prevent or reduce criminal charges, out-of-home placement, and recidivism. The services are provided in the child's home community.

Community-Based Intervention Services include individual or group instruction which includes, but is not limited to, supervised educational support, treatment and outreach services to an eligible child who is experiencing social, behavioral, or emotional problems that placed the child at risk of group care or state institutional placement. Services may provide individualized and intensive interventions to assist a child in establishing positive behavior patterns and to help the child maintain accountability in a community-based setting.

Tracking and Monitoring Services provide intensive one-on-one guidance and monitoring of youth with the goal of maintaining youth in family and community settings. These services are directed toward the child maintaining accountability and addressing immediate safety concerns, along with providing guidance and support to children and families involved with delinquency proceedings. Additionally, JCS seeks a contractor to provide services addressing long-term community safety concerns with intentional based interventions to reduce delinquency risk factors. The focus of this programming will be based on the principles of restorative justice (public safety, victim and community accountability, and competency development).

These services have been provided through a contract within JCS District 2 for the last 5 years.

#### **2.13.1 Mandatory Requirements.**

Bidders must meet these mandatory requirements or will be disqualified and not considered for award of a contract:

- The Issuing Officer must receive the Bid Proposal, and any amendments thereof, prior to or on the due date and time (See RFP Sections 2.8 and 2.9). [Bid Proposals must be submitted electronically, via email to the Issuing Officer: angi.hillers@iowacourts.gov.](mailto:angi.hillers@iowacourts.gov)
- The bidder is not presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from receiving federal funding by any federal department or agency (See RFP Additional Certifications Attachment).
- The bidder's Cost Proposal adheres to any pricing restrictions regarding the project budget or administrative costs (See RFP Section 3.3).

#### **2.13.2 Reasons Proposals May be Disqualified.**

Bidders are expected to follow the specifications set forth in this RFP. However, it is not the Agency's intent to disqualify Bid Proposals that suffer from correctible flaws. At the same time, it is important to maintain fairness to all bidders in the procurement process. Therefore, the Agency reserves the discretion to permit cure of variances, waive variances, or disqualify Bid Proposals for reasons that include, but may not be limited to, the following:

- Bidder initiates unauthorized contact regarding this RFP with employees other than the Issuing Officer (See RFP Section 2.2);
- Bidder fails to comply with the RFP's formatting specifications so that the Bid Proposal cannot be fairly compared to other bids (See RFP Section 3.1);
- Bidder fails, in the Agency's opinion, to include the content required for the RFP;
- Bidder fails to be fully responsive in the Bidder's Approach to Meeting Deliverables Section, states an element of the Scope of Work cannot or will not be met, or does not include information necessary to substantiate that it will be able to meet the Scope of Work specifications (See RFP Section 3.2.4);
- Bidder's response materially changes Scope of Work specifications;
- Bidder fails to submit the RFP attachments containing all signatures (See RFP Section 3.2.3);
- Bidder marks entire Bid Proposal confidential, makes excessive claims for confidential treatment, or identifies pricing information in the Cost Proposal as confidential (See RFP Section 3.1);

- Bidder includes assumptions in its Bid Proposal (See RFP Section 2.7); or
- Bidder fails to respond to the Agency's request for clarifications, information, documents, or references that the Agency may make at any point in the RFP process.

The determination of whether or not to disqualify a proposal and not consider it for award of a contract for any of these reasons, or to waive or permit cure of variances in Bid Proposals, is at the sole discretion of the Agency. No bidder shall obtain any right by virtue of the Agency's election to not exercise that discretion. In the event the Agency waives or permits cure of variances, such waiver or cure will not modify the RFP specifications or excuse the bidder from full compliance with RFP specifications or other contract requirements if the bidder enters into a contract.

#### ***2.14 Bid Proposal Clarification Process.***

The Agency may request clarifications from bidders for the purpose of resolving ambiguities or questioning information presented in the Bid Proposals. Clarifications may occur throughout the Bid Proposal evaluation process. Clarification responses shall be in writing and shall address only the information requested. Responses shall be submitted to the Agency within the time stipulated at the occasion of the request.

#### ***2.15 Verification of Bid Proposal Contents.***

The contents of a Bid Proposal submitted by a bidder are subject to verification.

#### ***2.16 Reference Checks.***

The Agency reserves the right to contact any reference to assist in the evaluation of the Bid Proposal, to verify information contained in the Bid Proposal, to discuss the bidder's qualifications, and/or to discuss the qualifications of any subcontractor identified in the Bid Proposal.

#### ***2.17 Information from Other Sources.***

The Agency reserves the right to obtain and consider information from other sources concerning a bidder, such as the bidder's capability and performance under other contracts, and the bidder's authority and ability to conduct business in the State of Iowa. Such other sources may include subject matter experts.

#### ***2.18 Criminal History and Background Investigation.***

The Agency reserves the right to conduct criminal history and other background investigations of the bidder, its officers, directors, shareholders, or partners and managerial and supervisory personnel retained by the bidder for the performance of the resulting contract. The Agency reserves the right to conduct criminal history and other background investigations of the bidder's staff and subcontractors providing services under the resulting contract.

#### ***2.19 Disposition of Bid Proposals.***

Opened Bid Proposals become the property of the Agency and will not be returned to the bidder. Upon issuance of the Notice of Intent to Award, the contents of all Bid Proposals will be in the public domain and be open to inspection by interested parties subject to exceptions provided in Iowa Code chapter 22 or other applicable law.

#### ***2.20 Public Records and Request for Confidential Treatment.***

Original information submitted by a bidder may be treated as public information by the Agency following the conclusion of the selection process unless the bidder properly requests that information be treated as confidential at the time of submitting the Bid Proposal. See the Bid Proposal Formatting Section for the proper method for making such requests. The Agency's release of information is governed by Iowa Code chapter 22. Bidders are encouraged to familiarize themselves with Chapter 22 before submitting a Bid Proposal. The Agency will copy public records as required to comply with public records laws.

The Agency will treat the information marked confidential as confidential information to the extent such information is determined confidential under Iowa Code chapter 22 or other applicable law by a court of competent jurisdiction.

In the event the Agency receives a request for information marked confidential, written notice shall be given to the bidder seventy-two (72) hours prior to the release of the information to allow the bidder to seek injunctive relief pursuant to Iowa Code § 22.8.

The bidder's failure to request confidential treatment of material pursuant to this section and the relevant law will be deemed, by the Agency, as a waiver of any right to confidentiality that the bidder may have had.

### ***2.21 Copyrights.***

By submitting a Bid Proposal, the bidder agrees that the Agency may copy the Bid Proposal for purposes of facilitating the evaluation of the Bid Proposal or to respond to requests for public records. By submitting a Bid Proposal, the bidder acknowledges that additional copies may be produced and distributed, and represents and warrants that such copying does not violate the rights of any third party. The Agency shall have the right to use ideas or adaptations of ideas that are presented in the Bid Proposals.

### ***2.22 Release of Claims.***

By submitting a Bid Proposal, the bidder agrees that it shall not bring any claim or cause of action against the Agency based on any misunderstanding concerning the information provided herein or concerning the Agency's failure, negligent or otherwise, to provide the bidder with pertinent information as intended by this RFP.

### ***2.23 Reserved. (Presentations)***

### ***2.24 Notice of Intent to Award.***

Notice of Intent to Award will be sent to all bidders that submitted a Bid Proposal by the due date and time. The Notice of Intent to Award does not constitute the formation of a contract between the Agency and the apparent successful bidder.

### ***2.25 Acceptance Period.***

The Agency shall make a good faith effort to negotiate and execute the contract. If the apparent successful bidder fails to negotiate and execute a contract, the Agency may, in its sole discretion, revoke the Notice of Intent to Award and negotiate a contract with another bidder or withdraw the RFP. The Agency further reserves the right to cancel the Notice of Intent to Award at any time prior to the execution of a written contract.

### ***2.26 Review of Notice of Disqualification or Notice of Intent to Award Decision.***

Bidders may request reconsideration of either a notice of disqualification or notice of intent to award decision by submitting a written request to the Agency:

Bureau Chief  
c/o Bureau of Service Contract Support  
Department of Human Services  
Hoover State Office Building, 1<sup>st</sup> Floor  
1305 E. Walnut Street  
Des Moines, Iowa 50319-0114  
email: [reconsiderationrequest@dhs.state.ia.us](mailto:reconsiderationrequest@dhs.state.ia.us)

The Agency must receive the written request for reconsideration within five days from the date of the notice of disqualification or notice of intent to award decision, whichever is earlier. The written request may be mailed, emailed, or delivered. It is the bidder's responsibility to assure timely delivery of the request for reconsideration. The request for reconsideration shall clearly and fully identify all issues being contested by reference to the page and section number of the RFP. If a bidder submitted multiple Bid Proposals and requests that the Agency reconsider a notice of disqualification or notice of intent to award decision for more than one Bid Proposal, a separate written request shall be submitted for each. At the Agency's discretion, requests for reconsideration from the same bidder may be reviewed separately or combined into one response. The Agency will expeditiously

address the request for reconsideration and issue a decision. The bidder may choose to file an appeal with the Agency within five days of the date of the decision on reconsideration in accordance with 441 IAC 7.41 et seq.

**2.27 Definition of Contract.**

The full execution of a written contract shall constitute the making of a contract for services and no bidder shall acquire any legal or equitable rights relative to the contract services until the contract has been fully executed by the apparent successful bidder and the Agency.

**2.28 Choice of Law and Forum.**

This RFP and the resulting contract are to be governed by the laws of the State of Iowa without giving effect to the conflicts of law provisions thereof. Changes in applicable laws and rules may affect the negotiation and contracting process and the resulting contract. Bidders are responsible for ascertaining pertinent legal requirements and restrictions. Any and all litigation or actions commenced in connection with this RFP shall be brought and maintained in the appropriate Iowa forum.

**2.29 Restrictions on Gifts and Activities.**

Iowa Code chapter 68B restricts gifts that may be given or received by state employees and requires certain individuals to disclose information concerning their activities with state government. Bidders must determine the applicability of this Chapter to their activities and comply with the requirements. In addition, pursuant to Iowa Code § 722.1, it is a felony offense to bribe or attempt to bribe a public official.

**2.30 Exclusivity.**

Any contract resulting from this RFP shall not be an exclusive contract.

**2.31 No Minimum Guaranteed.**

The Agency anticipates that the selected bidder will provide services as requested by the Agency. The Agency does not guarantee that any minimum compensation will be paid to the bidder or any minimum usage of the bidder's services.

**2.32 Use of Subcontractors.**

The Agency acknowledges that the selected bidder may contract with third parties for the performance of any of the Contractor's obligations. The Agency reserves the right to provide prior approval for any subcontractor used to perform services under any contract that may result from this RFP.

**2.33 Bidder Continuing Disclosure Requirement.**

To the extent that bidders are required to report incidents when responding to this RFP related to damages, penalties, disincentives, administrative or regulatory proceedings, founded child or dependent adult abuse, or felony convictions, these matters are subject to continuing disclosure to the Agency. Incidents occurring after submission of a Bid Proposal, and with respect to the successful bidder after the execution of a contract, shall be disclosed in a timely manner in a written statement to the Agency. For purposes of this subsection, timely means within thirty (30) days from the date of conviction, regardless of appeal rights.

**Section 3 How to Submit A Bid Proposal: Format and Content Specifications**

These instructions provide the format and technical specifications of the Bid Proposal and are designed to facilitate the submission of a Bid Proposal that is easy to understand and evaluate.

**3.1 Bid Proposal Formatting.**

Due to the extraordinary pandemic caused by COVID-19, Bid Proposals for RFP JUV-21-CB-02-002 shall be submitted electronically, via email to the Issuing Officer, Angi Hillers [angi.hillers@iowacourts.gov](mailto:angi.hillers@iowacourts.gov). Bidders are given wide latitude in the degree of detail they offer or the extent to which they reveal plans, designs, examples, processes, and procedures. Bidders do not need to address any responsibilities that are specifically designated as Agency responsibilities.

**Note:**

- Responses to Deliverables shall be in the same sequence as presented in the RFP.

### **3.2.5.3 Reserved. (Financial Statements)**

### **3.3 Cost Proposal.**

#### **Pricing Restrictions.**

#### **Administrative Costs.**

The Agency is placing a cap on the amount of funds that may be spent for Administrative Costs in any contract(s) resulting from this RFP. Spending on Administrative Costs under each contract, for both the contractor and all their subcontractors, cannot exceed 8% of the total contract amount. For the purposes of this subsection, "Administrative Costs" means the costs that may include, but are not limited to, such categories as: [the administration of any contracts with sub-contractors, if required to provide services, data collection and data processing for any data not required by JCS \(internal data for provider\), any overhead costs not associated with](#)

Actual costs for incidentals, including costs for food and materials utilized during trainings and/or meetings covered by this contract may be billed separately from employee expenses, but all original receipts must be provided. State of Iowa reimbursement rules must be followed for all incidental costs.

**Section 4 Evaluation Of Bid Proposals**

**4.1 Introduction.**

This section describes the evaluation process that will be used to determine which Bid Proposal provides the greatest benefit to the Agency. When making this determination, the Agency will not necessarily award a contract to the bidder offering the lowest cost to the Agency or to the bidder with the highest point total. Rather, a contract will be awarded to the bidder that offers the greatest benefit to the Agency.

**4.2 Evaluation Committee.**

The Agency intends to conduct a comprehensive, fair and impartial evaluation of Bid Proposals received in response to this RFP. In making this determination, the Agency will be represented by an evaluation committee.

**4.3 Proposal Scoring and Evaluation Criteria.**

The evaluation committee will use the method described in this section to assist with initially determining the relative merits of each Bid Proposal.

**Scoring Guide.**

Points will be assigned to each evaluation component as follows, unless otherwise designated:

4	Bidder has agreed to comply with the requirements and provided a clear and compelling description of how each requirement would be met, with relevant supporting materials. Bidder’s proposed approach frequently goes above and beyond the minimum requirements and indicates superior ability to serve the needs of the Agency.
3	Bidder has agreed to comply with the requirements and provided a good and complete description of how the requirements would be met. Response clearly demonstrates a high degree of ability to serve the needs of the Agency.
2	Bidder has agreed to comply with the requirements and provided an adequate description of how the requirements would be met. Response indicates adequate ability to serve the needs of the Agency.
1	Bidder has agreed to comply with the requirements and provided some details on how the requirements would be met. Response does not clearly indicate if all the needs of the Agency will be met.
0	Bidder has not addressed any of the requirements or has provided a response that is limited in scope, vague, or incomplete. Response did not provide a description of how the Agency’s needs would be met.

**Technical Proposal Components.**

When Bid Proposals are evaluated, the total points for each component are comprised of the component’s assigned weight multiplied by the score the Bid Proposal earns. Points for all components will be added together. The evaluation components, including maximum points that may be awarded, are as follows:

<u>Technical Proposal Components</u>	<u>Weight</u>	<u>Score (0-4)</u>	<u>Potential Maximum Points</u>
100	200	-----	800

**Scoring of Cost Proposal Pricing.**

Cost Proposal pricing will be scored based on a ratio of the lowest Cost Proposal versus the cost of each higher priced Bid Proposal. Under this formula, the lowest Cost Proposal receives all of the points assigned to pricing. A Cost Proposal twice as expensive as the lowest Cost Proposal would earn half of the available points. The formula is:

**Weighted Cost Score = (price of lowest Cost Proposal/price of each higher priced Cost Proposal) X (points assigned to pricing)**

**Total Points Assigned to Pricing: 200.**

**Total Points Possible for Technical and Cost Proposals: 1,000**

***4.4 Recommendation of the Evaluation Committee.***

The evaluation committee shall present a final ranking and recommendation(s) to the Division Administrator for consideration. In making this recommendation, the committee is not bound by any scores or scoring system used to assist with initially determining the relative merits of each Bid Proposal. This recommendation may include, but is not limited to, the name of one or more bidders recommended for selection or a recommendation that no bidder be selected. The Division Administrator shall consider the committee’s recommendation when making the final decision, but is not bound by the recommendation.

By submission of a Bid Proposal, the bidder certifies (and in the case of a joint proposal, each party thereto certifies) that:

1. The Bid Proposal has been developed independently, without consultation, communication or agreement with any employee or consultant of the Agency who has worked on the development of this RFP, or with any person serving as a member of the evaluation committee;
2. The Bid Proposal has been developed independently, without consultation, communication or agreement with any other bidder or parties for the purpose of restricting competition;
3. Unless otherwise required by law, the information in the Bid Proposal has not been knowingly disclosed by the bidder and will not knowingly be disclosed prior to the award of the contract, directly or indirectly, to any other bidder;
4. No attempt has been made or will be made by the bidder to induce any other bidder to submit or not to submit a Bid Proposal for the purpose of restricting competition;
5. No relationship exists or will exist during the contract period between the bidder and the Agency that interferes with fair competition or is a conflict of interest.
6. The bidder and any of the bidder's proposed subcontractors have no other contractual relationships which would create an actual or perceived conflict of interest.

**CERTIFICATION REGARDING DEBARMENT, SUSPENSION, INELIGIBILITY AND VOLUNTARY EXCLUSION -- LOWER TIER COVERED TRANSACTIONS**

By signing and submitting this Bid Proposal, the bidder is providing the certification set out below:

1. The certification in this clause is a material representation of fact upon which reliance was placed when this transaction was entered into. If it is later determined that the bidder knowingly rendered an erroneous certification, in addition to other remedies available to the federal government the Agency or agency with which this transaction originated may pursue available remedies, including suspension and/or debarment.
2. The bidder shall provide immediate written notice to the person to whom this Bid Proposal is submitted if at any time the bidder learns that its certification was erroneous when submitted or had become erroneous by reason of changed circumstances.
3. The terms covered transaction, debarred, suspended, ineligible, lower tier covered transaction, participant, person, primary covered transaction, principle, proposal, and voluntarily excluded, as used in this clause, have the meaning set out in the Definitions and Coverage sections of rules implementing Executive Order 12549. You may contact the person to which this Proposal is submitted for assistance in obtaining a copy of those regulations.
4. The bidder agrees by submitting this Proposal that, should the proposed covered transaction be entered into, it shall not knowingly enter into any lower tier covered transaction with a person who is proposed for debarment under 48 CFR part 9, subpart 9.4, debarred, suspended, declared ineligible, or voluntarily excluded from participation in this covered transaction, unless authorized by the Agency or agency with which this transaction originated.
5. The bidder further agrees by submitting this Proposal that it will include this clause titled "Certification Regarding Debarment, Suspension, Ineligibility and Voluntary Exclusion--Lower Tier Covered Transaction," without modification, in all lower tier covered transactions and in all solicitations for lower tier covered transactions.

6. A participant in a covered transaction may rely upon a certification of a prospective participant in a lower tier covered transaction that it is not proposed for debarment under 48 CFR part 9, subpart 9.4, debarred, suspended, ineligible, or voluntarily excluded from covered transactions, unless it knows that the certification is erroneous. A participant may decide the method and frequency by which it determines the eligibility of its principals. A participant may, but is not required to, check the List of Parties Excluded from Federal Procurement and Nonprocurement Programs.
7. Nothing contained in the foregoing shall be construed to require establishment of a system of records in order to render in good faith the certification required by this clause. The knowledge and information of a participant is not required to exceed that which is normally possessed by a prudent person in the ordinary course of business dealings.
8. Except for transactions authorized under paragraph 4 of these instructions, if a participant in a covered transaction knowingly enters into a lower tier covered transaction with a person who is proposed for debarment under 48 CFR part 9, subpart 9.4, suspended, debarred, ineligible, or voluntarily excluded from participation in this transaction, in addition to other remedies available to the federal government, the Agency or agency with which this transaction originated may pursue available remedies, including suspension and/or debarment.

**2.8 Insurance.**

**2.8.1 Insurance Requirements.** The Contractor, and any subcontractor, shall maintain in full force and

effect, with insurance companies licensed by the State of Iowa, at the Contractor's expense, insurance covering its work during the entire term of this Contract, which includes any extensions or renewals thereof. The Contractor's insurance shall, among other things:

In addition, the Contractor shall ensure it has any necessary workers' compensation and employer liability insurance as required by Iowa law.

**2.8.3 Certificates of Coverage.** The Contractor shall submit certificates of the insurance, which indicate coverage and notice provisions as required by this Contract, to the Agency upon execution of this Contract. The Contractor shall maintain all insurance policies required by this Contract in full force and effect during the entire term of this Contract, which includes any extensions or renewals thereof, and shall not permit such policies to be canceled or amended except with the advance written approval of the Agency. The insurer shall state in the certificate that no cancellation of the insurance will be made without at least a thirty (30) day prior written notice to the Agency. The certificates shall be subject to approval by the Agency. Approval of the insurance

certificates by the Agency shall not relieve the Contractor of any obligation under this Contract.

**2.8.4 Notice of Claim.** Contractor shall provide prompt notice to the Agency of any claim related to the contracted services made by a third party. If the claim matures to litigation, the Contractor shall keep the Agency regularly informed of the status of the lawsuit, including any substantive rulings. The Contractor shall confer directly with the Agency about and before any substantive settlement negotiations.

**2.9 Ownership and Security of Agency Information.**

**2.9.1 Ownership and Disposition of Agency Information.** Any information either supplied by the Agency to the Contractor, or collected by the Contractor on the Agency's behalf in the course of the performance of this Contract, shall be considered the property of the Agency ("Agency Information"). The Contractor will not use the Agency Information for any purpose other than providing services under the Contract, nor will any part of the information and records be disclosed, sold, assigned, leased, or otherwise provided to third parties or commercially exploited by or on behalf of the Contractor. The Contractor's employees, agents, and subcontractors may have access to Agency Information that is Confidential Information to the extent necessary to carry out responsibilities under the Contract. Access to such Confidential Information shall comply with both the State's and the Agency's policies and procedures. In all instances, access to Agency Information from outside of the United States and its protectorates, either by the Contractor, including a foreign office or division of the Contractor or its affiliates or associates, or any subcontractor, is prohibited.

**2.9.4 No Use or Disclosure of Confidential**

**Information.** Confidential Information collected, maintained, or used in the course of performance of the Contract shall only be used or disclosed by the Contractor as expressly authorized by law and only with the prior written consent of the Agency, either

during the period of the Contract or thereafter. The Contractor shall immediately report to the Agency any unauthorized use or disclosure of Confidential Information. The Contractor may be held civilly or criminally liable for improper use or disclosure of Confidential Information.

**2.9.5 Contractor Breach Notification Obligations.**

The Contractor agrees to comply with all applicable laws that require the notification of individuals in the event of unauthorized use or disclosure of Confidential Information or other event(s) requiring notification in accordance with applicable law. In the event of a breach of the Contractor's security obligations or other event requiring notification under applicable law, the Contractor agrees to follow Agency directives, which may include assuming responsibility for informing all such individuals in accordance with applicable laws, and to indemnify, hold harmless, and defend the State of Iowa against any claims, damages, or other harm related to such breach.

**2.9.6 Compliance of Contractor Personnel.** The Contractor and the Contractor's personnel shall comply with the Agency's and the State's security and personnel policies, procedures, and rules, including any procedure which the Agency's personnel, contractors, and consultants are normally asked to follow. The Contractor agrees to cooperate fully and to provide any assistance necessary to the Agency in the investigation of any security breaches that may involve the Contractor or the Contractor's personnel. **2.9.7 Subpoena.** In the event that a subpoena or other legal process is served upon the Contractor for records containing Confidential Information, the Contractor shall promptly notify the Agency and cooperate with the Agency in any lawful effort to protect the Confidential Information.

**2.9.8 Return and/or Destruction of Information.** Upon expiration or termination of the Contract for any reason, the Contractor agrees to comply with all Agency directives regarding the return or destruction of all Agency Information and any derivative work. Delivery of returned Agency Information must be through a secured electronic transmission or by

parcel service that utilizes tracking numbers. Such information must be provided in a format useable by the Agency. Following the Agency's verified receipt of the Agency Information and any derivative work, the Contractor agrees to physically and/or electronically destroy or erase all residual Agency Information regardless of format from the entire Contractor's technology resources and any other storage media. This includes, but is not limited to, all production copies, test copies, backup copies and /or printed copies of information created on any other servers or media and at all other Contractor sites. Any permitted destruction of Agency Information must occur in such a manner as to render the information incapable of being reconstructed or recovered. The Contractor will provide a record of information destruction to the Agency for inspection and records retention no later than thirty (30) days after destruction.

**2.9.9 Contractor's Inability to Return and/or Destroy Information.** If for any reason the Agency Information cannot be returned and/or destroyed upon expiration or termination of the Contract, the Contractor agrees to notify the Agency with an explanation as to the conditions which make return and/or destruction not possible or feasible. Upon mutual agreement by both parties that the return and/or destruction of the information is not possible or feasible, the Contractor shall make the Agency Information inaccessible. The Contractor shall not use or disclose such retained Agency Information for any purposes other than those expressly permitted by the Agency. The Contractor shall provide to the Agency a detailed description as to the procedures and methods used to make the Agency Information inaccessible no later than thirty (30) days after making the information inaccessible. If the Agency provides written permission for the Contractor to retain the Agency Information in the Contractor's information systems, the Contractor will extend the protections of this Contract to such information and limit any further uses or disclosures of such information.

**2.9.10 Contractors that are Business Associates.** If the Contractor is the Agency's Business Associate, and there is a conflict between the Business Associate Agreement and this Section 2.9, the provisions in the Business Associate Agreement shall control.

**2.10 Intellectual Property.**

**2.10.1 Ownership and Assignment of Other Deliverables.** The Contractor agrees that the State and the Agency shall become the sole and exclusive owners of all Deliverables. The Contractor hereby irrevocably assigns, transfers and conveys to the State and the Agency all right, title and interest in and to all Deliverables and all intellectual property rights and proprietary rights arising out of, embodied in, or related to such Deliverables, including copyrights, patents, trademarks, trade secrets, trade dress, mask work, utility design, derivative works, and all other rights and interests therein or related thereto. The Contractor represents and warrants that the State and the Agency shall acquire good and clear title to all Deliverables, free from any claims, liens, security interests, encumbrances, intellectual property rights, proprietary rights, or other rights or interests of the Contractor or of any third party, including any employee, agent, contractor, subcontractor, subsidiary, or affiliate of the Contractor. The Contractor (and Contractor's employees, agents, contractors, subcontractors, subsidiaries and affiliates) shall not retain any property interests or other rights in and to the Deliverables and shall not use any Deliverables, in whole or in part, for any purpose, without the prior written consent of the Agency and the payment of such royalties or other compensation as the Agency deems appropriate. Unless otherwise requested by the Agency, upon completion or termination of this Contract, the Contractor will immediately turn over to the Agency all Deliverables not previously delivered to the Agency, and no copies thereof shall be retained by the Contractor or its employees, agents, subcontractors, or affiliates, without the prior written consent of the Agency.

**2.10.2 Waiver.** To the extent any of the Contractor's rights in any Deliverables are not subject to assignment or transfer hereunder, including any moral rights and any rights of attribution and of integrity, the Contractor hereby irrevocably and unconditionally waives all such rights and enforcement thereof and agrees not to challenge the State's rights in and to the Deliverables.

**2.10.3 Further Assurances.** At the Agency's request, the Contractor will execute and deliver such instruments and take such other action as may be requested by the Agency to establish, perfect, or protect the State's rights in and to the Deliverables and to carry out the assignments, transfers and

conveyances set forth in Section 2.10, *Intellectual Property*.

**2.10.4 Publications.** Prior to completion of all services required by this Contract, the Contractor shall not publish in any format any final or interim report, document, form, or other material developed as a result of this Contract without the express written consent of the Agency. Upon completion of all services required by this Contract, the Contractor may publish or use materials developed as a result of this Contract, subject to confidentiality restrictions, and only after the Agency has had an opportunity to review and comment upon the publication. Any such publication shall contain a statement that the work was done pursuant to a contract with the Agency and that it does not necessarily reflect the opinions, findings, and conclusions of the Agency.

### **2.11 Warranties.**

#### **2.11.1 Construction of Warranties Expressed in this Contract with Warranties Implied by Law.**

Warranties made by the Contractor in this Contract, whether: (1) this Contract specifically denominates the Contractor's promise as a warranty; or (2) the warranty is created by the Contractor's affirmation or promise, by a description of the Deliverables to be provided, or by provision of samples to the Agency, shall not be construed as limiting or negating any warranty provided by law, including without limitation, warranties that arise through the course of dealing or usage of trade. The warranties expressed in this Contract are intended to modify the warranties implied by law only to the extent that they expand the warranties applicable to the Deliverables provided by the Contractor. With the exception of Subsection 2.11.3, the provisions of this section apply during the Warranty Period as defined in the Contract Declarations and Execution Section.

#### **2.11.2 Contractor represents and warrants that:**

**2.11.2.1** All Deliverables shall be wholly original with and prepared solely by the Contractor; or it owns, possesses, holds, and has received or secured all rights, permits, permissions, licenses, and authority necessary to provide the Deliverables to the Agency hereunder and to assign, grant and convey the rights, benefits, licenses, and other rights assigned, granted, or conveyed to the Agency hereunder or under any license agreement related hereto without violating any rights of any third party;

**2.11.2.2** The Contractor has not previously and will not grant any rights in any Deliverables to any third

party that are inconsistent with the rights granted to the Agency herein; and

**2.11.2.3** The Agency shall peacefully and quietly have, hold, possess, use, and enjoy the Deliverables without suit, disruption, or interruption.

**2.11.3 The Contractor represents and warrants that:**

**2.11.3.1** The Deliverables (and all intellectual property rights and proprietary rights arising out of, embodied in, or related to such Deliverables); and

**2.11.3.2** The Agency's use of, and exercise of any rights with respect to, the Deliverables (and all intellectual property rights and proprietary rights arising out of, embodied in, or related to such Deliverables), do not and will not, under any circumstances, misappropriate a trade secret or infringe upon or violate any copyright, patent, trademark, trade dress or other intellectual property right, proprietary right or personal right of any third party. The Contractor further represents and warrants there is no pending or threatened claim, litigation, or action that is based on a claim of infringement or violation of an intellectual property right, proprietary right or personal right or misappropriation of a trade secret related to the Deliverables. The Contractor shall inform the Agency in writing immediately upon becoming aware of any actual, potential, or threatened claim of or cause of action for infringement or violation of an intellectual property right, proprietary right, or personal right or misappropriation of a trade secret. If such a claim or cause of action arises or is likely to arise, then the Contractor shall, at the Agency's request and at the Contractor's sole expense:

- Procure for the Agency the right or license to continue to use the Deliverable at issue;
- Replace such Deliverable with a functionally equivalent or superior Deliverable free of any such infringement, violation, or misappropriation;
- Modify or replace the affected portion of the Deliverable with a functionally equivalent or superior Deliverable free of any such infringement, violation, or misappropriation; or
- Accept the return of the Deliverable at issue and refund to the Agency all fees, charges, and any other amounts paid by the Agency with respect to such Deliverable. In addition, the Contractor agrees to indemnify, defend, protect, and hold harmless the State and its officers, directors, employees, officials, and agents as provided in the Indemnification Section

of this Contract, including for any breach of the representations and warranties made by the Contractor in this section.

The warranty provided in this Section 2.11.3 shall be perpetual, shall not be subject to the contractual Warranty Period, and shall survive termination of this Contract. The foregoing remedies provided in this subsection shall be in addition to and not exclusive of other remedies available to the Agency and shall survive termination of this Contract.

**2.11.4 The Contractor represents and warrants that the Deliverables shall:**

**2.11.4.1** Be free from material Deficiencies; and

**2.11.4.2** Meet, conform to, and operate in accordance with all Specifications and in accordance with this Contract during the Warranty Period, as defined in the Contract Declarations and Execution Section. During the Warranty Period the Contractor shall, at its expense, repair, correct or replace any Deliverable that contains or experiences material Deficiencies or fails to meet, conform to or operate in accordance with Specifications within five (5) Business Days of receiving notice of such Deficiencies or failures from the Agency or within such other period as the Agency specifies in the notice. In the event the Contractor is unable to repair, correct, or replace such Deliverable to the Agency's satisfaction, the Contractor shall refund the fees or other amounts paid for the Deliverables and for any services related thereto. The foregoing shall not constitute an exclusive remedy under this Contract, and the Agency shall be entitled to pursue any other available contractual, legal, or equitable remedies. The Contractor shall be available at all reasonable times to assist the Agency with questions, problems, and concerns about the Deliverables, to inform the Agency promptly of any known Deficiencies in any Deliverables, repair and correct any Deliverables not performing in accordance with the warranties contained in this Contract, notwithstanding that such Deliverables may have been accepted by the Agency, and provide the Agency with all necessary materials with respect to such repaired or corrected Deliverable.

**2.11.5** The Contractor represents, warrants and covenants that all services to be performed under this Contract shall be performed in a professional, competent, diligent, and workmanlike manner by knowledgeable, trained, and qualified personnel, all in accordance with the terms and Specifications of this Contract and the standards of performance considered generally acceptable in the industry for

similar tasks and projects. In the absence of a Specification for the performance of any portion of this Contract, the parties agree that the applicable Specification shall be the generally accepted industry standard. So long as the Agency notifies the Contractor of any services performed in violation of this standard, the Contractor shall re-perform the services at no cost to the Agency, such that the services are rendered in the above-specified manner, or if the Contractor is unable to perform the services as warranted, the Contractor shall reimburse the Agency any fees or compensation paid to the Contractor for the unsatisfactory services.

**2.11.6** The Contractor represents and warrants that the Deliverables will comply with all Applicable Law.

**2.11.7 Obligations Owed to Third Parties.** The Contractor represents and warrants that all obligations owed to third parties with respect to the activities contemplated to be undertaken by the Contractor pursuant to this Contract are or will be fully satisfied by the Contractor so that the Agency will not have any obligations with respect thereto.

### ***2.12 Acceptance of Deliverables.***

**2.12.1 Acceptance of Written Deliverables.** For the purposes of this section, written Deliverables means documents including, but not limited to project plans, planning documents, reports, or instructional materials (“Written Deliverables”). Although the Agency determines what Written Deliverables are subject to formal Acceptance, this section generally does not apply to routine progress or financial reports. Absent more specific Acceptance Criteria in the Special Terms, following delivery of any Written Deliverable pursuant to the Contract, the Agency will notify the Contractor whether or not the Deliverable meets contractual specifications and requirements. Written Deliverables shall not be considered accepted by the Agency, nor does the Agency have an obligation to pay for such Deliverables, unless and until the Agency has notified the Contractor of the Agency’s Final Acceptance of the Written Deliverables. In all cases, any statements included in such Written Deliverables that alter or conflict with any contractual requirements shall in no way be considered as changing the contractual requirements unless and until the parties formally amend the Contract.

**2.12.2. Reserved. (*Acceptance of Software Deliverables*)**

### **2.12.3 Notice of Acceptance and Future**

**Deficiencies.** The Contractor’s receipt of any notice of Acceptance, including Final Acceptance, with respect to any Deliverable shall not be construed as a waiver of any of the Agency’s rights to enforce the terms of this Contract or require performance in the event the Contractor breaches this Contract or any Deficiency is later discovered with respect to such Deliverable.

### ***2.13 Contract Administration.***

**2.13.1 Independent Contractor.** The status of the Contractor shall be that of an independent contractor. The Contractor, its employees, agents, and any subcontractors performing under this Contract are not employees or agents of the State or any agency, division, or department of the State simply by virtue of work performed pursuant to this Contract. Neither the Contractor nor its employees shall be considered employees of the Agency or the State for federal or state tax purposes simply by virtue of work performed pursuant to this Contract. The Agency will not withhold taxes on behalf of the Contractor (unless required by law).

**2.13.2 Incorporation of Documents.** To the extent this Contract arises out of a Solicitation, the parties acknowledge that the Contract consists of these contract terms and conditions as well as the Solicitation and the Bid Proposal. The Solicitation and the Bid Proposal are incorporated into the Contract by reference. If the Contractor proposed exceptions or modifications to the Sample Contract attached to the Solicitation or to the Solicitation itself, these proposed exceptions or modifications shall not be incorporated into this Contract unless expressly set forth herein. If there is a conflict between the Contract, the Solicitation, and the Bid Proposal, the conflict shall be resolved according to the following priority, ranked in descending order: (1) the Contract; (2) the Solicitation; (3) the Bid Proposal.

**2.13.3 Intent of References to Bid Documents.** To the extent this Contract arises out of a Solicitation, the references to the parties’ obligations, which are contained in this Contract, are intended to supplement or clarify the obligations as stated in the Solicitation and the Bid Proposal. The failure of the parties to make reference to the terms of the Solicitation or the Bid Proposal in this Contract shall not be construed as creating a conflict and will not relieve the Contractor of the contractual obligations

imposed by the terms of the Solicitation and the Contractor's Bid Proposal. Terms offered in the Bid Proposal, which exceed the requirements of the Solicitation, shall not be construed as creating an inconsistency or conflict with the Solicitation or the Contract. The contractual obligations of the Agency are expressly stated in this document. The Bid Proposal does not create any express or implied obligations of the Agency.

**2.13.4 Compliance with the Law.** The Contractor, its employees, agents, and subcontractors shall comply at all times with all Applicable Law. All such Applicable Law is incorporated into this Contract as of the effective date of the Applicable Law. The Contractor and Agency expressly reject any proposition that future changes to Applicable Law are inapplicable to this Contract and the Contractor's provision of Deliverables and/or performance in accordance with this Contract. When providing Deliverables pursuant to this Contract the Contractor, its employees, agents, and subcontractors shall comply with all Applicable Law.

**2.13.4.1** The Contractor, its employees, agents, and subcontractors shall not engage in discriminatory employment practices which are forbidden by Applicable Law. Upon the State's written request, the Contractor shall submit to the State a copy of its affirmative action plan, containing goals and time specifications, and non-discrimination and accessibility plans and policies regarding services to clients as required under 11 Iowa Admin. Code chapter 121.

**2.13.4.2** In the event the Contractor contracts with third parties for the performance of any of the Contractor obligations under this Contract as set forth in Section 2.13.9, the Contractor shall take such steps as necessary to ensure such third parties are bound by the terms and conditions contained in this Section 2.13.4.

**2.13.4.3** Notwithstanding anything in this Contract to the contrary, the Contractor's failure to fulfill any requirement set forth in this Section 2.13.4 shall be regarded as a material breach of this Contract and the State may cancel, terminate, or suspend in whole or in part this Contract. The State may further declare the Contractor ineligible for future state contracts in accordance with authorized procedures or the Contractor may be subject to other sanctions as provided by law or rule.

**2.13.4.4** The Contractor, its employees, agents, and subcontractors shall also comply with all Applicable

Law regarding business permits and licenses that may be required to carry out the work performed under this Contract.

**2.13.4.5** If all or a portion of the funding used to pay for the Deliverables is being provided through a grant from the Federal Government, the Contractor acknowledges and agrees that pursuant to applicable federal laws, regulations, circulars, and bulletins, the awarding agency of the Federal Government reserves certain rights including, without limitation, a royalty-free, non-exclusive and irrevocable license to reproduce, publish or otherwise use, and to authorize others to use, for Federal Government purposes, the Deliverables developed under this Contract and the copyright in and to such Deliverables.

**2.13.5 Procurement.** The Contractor shall use procurement procedures that comply with all applicable federal, state, and local laws and regulations.

**2.13.6 Non-Exclusive Rights.** This Contract is not exclusive. The Agency reserves the right to select other contractors to provide Deliverables similar or identical to those described in the Scope of Work during the entire term of this Contract, which includes any extensions or renewals thereof.

**2.13.7 Amendments.** This Contract may only be amended by mutual written consent of the parties, with the exception of (1) the Contract end date, which may be extended under the Agency's sole discretion, and (2) the Business Associate Agreement, which may be modified or replaced on notice pursuant to Section 1.5, *Business Associate Agreement*. Amendments shall be executed on a form approved by the Agency that expressly states the intent of the parties to amend this Contract. This Contract shall not be amended in any way by use of terms and conditions in an Invoice or other ancillary transactional document. To the extent that language in a transactional document conflicts with the terms of this Contract, the terms of this Contract shall control.

**2.13.8 No Third Party Beneficiaries.** There are no third party beneficiaries to this Contract. This Contract is intended only to benefit the State and the Contractor.

**2.13.9 Use of Third Parties.** The Agency acknowledges that the Contractor may contract with third parties for the performance of any of the Contractor's obligations under this Contract. The Contractor shall notify the Agency in writing of all subcontracts relating to Deliverables to be provided

under this Contract prior to the time the subcontract(s) become effective. The Agency reserves the right to review and approve all subcontracts. The Contractor may enter into these contracts to complete the project provided that the Contractor remains responsible for all Deliverables provided under this Contract. All restrictions, obligations, and responsibilities of the Contractor under this Contract shall also apply to the subcontractors and the Contractor shall include in all of its subcontracts a clause that so states. The Agency shall have the right to request the removal of a subcontractor from the Contract for good cause.

**2.13.10 Choice of Law and Forum.** The laws of the State of Iowa shall govern and determine all matters arising out of or in connection with this Contract without regard to the conflict of law provisions of Iowa law. Any and all litigation commenced in connection with this Contract shall be brought and maintained solely in Polk County District Court for the State of Iowa, Des Moines, Iowa, or in the United States District Court for the Southern District of Iowa, Central Division, Des Moines, Iowa, wherever jurisdiction is appropriate. This provision shall not be construed as waiving any immunity to suit or liability including without limitation sovereign immunity in State or Federal court, which may be available to the Agency or the State of Iowa.

**2.13.11 Assignment and Delegation.** The Contractor may not assign, transfer, or convey in whole or in part this Contract without the prior written consent of the Agency. For the purpose of construing this clause, a transfer of a controlling interest in the Contractor shall be considered an assignment. The Contractor may not delegate any of its obligations or duties under this Contract without the prior written consent of the Agency. The Contractor may not assign, pledge as collateral, grant a security interest in, create a lien against, or otherwise encumber any payments that may or will be made to the Contractor under this Contract.

**2.13.12 Integration.** This Contract represents the entire Contract between the parties. The parties shall not rely on any representation that may have been made which is not included in this Contract.

**2.13.13 No Drafter.** No party to this Contract shall be considered the drafter of this Contract for the purpose of any statute, case law, or rule of construction that would or might cause any provision to be construed against the drafter.

**2.13.14 Headings or Captions.** The paragraph headings or captions used in this Contract are for identification purposes only and do not limit or construe the contents of the paragraphs.

**2.13.15 Not a Joint Venture.** Nothing in this Contract shall be construed as creating or constituting the relationship of a partnership, joint venture, (or other association of any kind or agent and principal relationship) between the parties hereto. No party, unless otherwise specifically provided for herein, has the authority to enter into any contract or create an obligation or liability on behalf of, in the name of, or binding upon another party to this Contract.

**2.13.16 Joint and Several Liability.** If the Contractor is a joint entity, consisting of more than one individual, partnership, corporation, or other business organization, all such entities shall be jointly and severally liable for carrying out the activities and obligations of this Contract, for any default of activities and obligations, and for any fiscal liabilities.

**2.13.17 Supersedes Former Contracts or Agreements.** This Contract supersedes all prior contracts or agreements between the Agency and the Contractor for the Deliverables to be provided in connection with this Contract.

**2.13.18 Waiver.** Except as specifically provided for in a waiver signed by duly authorized representatives of the Agency and the Contractor, failure by either party at any time to require performance by the other party or to claim a breach of any provision of the Contract shall not be construed as affecting any subsequent right to require performance or to claim a breach.

**2.13.19 Notice.** With the exception of the Business Associate Agreement, as set forth in Section 1.5, *Business Associate Agreement*, any notices required by the Contract shall be given in writing by registered or certified mail, return receipt requested, by receipted hand delivery, by Federal Express, courier or other similar and reliable carrier which shall be addressed to each party's Contract Manager as set forth in the Contract Declarations and Execution Section. From time to time, the parties may change the name and address of a party designated to receive notice. Such change of the designated person shall be in writing to the other party. Each such notice shall be deemed to have been provided:

- At the time it is actually received in the case of hand delivery;

- Within one (1) day in the case of overnight delivery, courier or services such as Federal Express with guaranteed next-day delivery; or
- Within five (5) days after it is deposited in the U.S. Mail.

**2.13.20 Cumulative Rights.** The various rights, powers, options, elections, and remedies of any party provided in this Contract, shall be construed as cumulative and not one of them is exclusive of the others or exclusive of any rights, remedies or priorities allowed either party by law, and shall in no way affect or impair the right of any party to pursue any other equitable or legal remedy to which any party may be entitled.

**2.13.21 Severability.** If any provision of this Contract is determined by a court of competent jurisdiction to be invalid or unenforceable, such determination shall not affect the validity or enforceability of any other part or provision of this Contract.

**2.13.22 Time is of the Essence.** Time is of the essence with respect to the Contractor's performance of the terms of this Contract. The Contractor shall ensure that all personnel providing Deliverables to the Agency are responsive to the Agency's requirements and requests in all respects.

**2.13.23 Authorization.** The Contractor represents and warrants that:

**2.13.23.1** It has the right, power, and authority to enter into and perform its obligations under this Contract.

**2.13.23.2** It has taken all requisite action (corporate, statutory, or otherwise) to approve execution, delivery, and performance of this Contract and this Contract constitutes a legal, valid, and binding obligation upon itself in accordance with its terms.

**2.13.24 Successors in Interest.** All the terms, provisions, and conditions of the Contract shall be binding upon and inure to the benefit of the parties hereto and their respective successors, assigns, and legal representatives.

**2.13.25 Records Retention and Access.**

**2.13.25.1 Financial Records.** The Contractor shall maintain accurate, current, and complete records of the financial activity of this Contract which sufficiently and properly document and calculate all charges billed to the Agency during the entire term of this Contract, which includes any extensions or renewals thereof, and for a period of at least seven (7) years following the date of final payment or completion of any required audit (whichever is later).

If any litigation, claim, negotiation, audit, or other action involving the records has been started before the expiration of the seven (7) year period, the records must be retained until completion of the action and resolution of all issues which arise from it, or until the end of the regular seven (7) year period, whichever is later. The Contractor shall permit the Agency, the Auditor of the State of Iowa or any other authorized representative of the State and where federal funds are involved, the Comptroller General of the United States or any other authorized representative of the United States government, to access and examine, audit, excerpt and transcribe any directly pertinent books, documents, papers, electronic or optically stored and created records, or other records of the Contractor relating to orders, Invoices or payments, or any other Documentation or materials pertaining to this Contract, wherever such records may be located. The Contractor shall not impose a charge for audit or examination of the Contractor's books and records. Based on the audit findings, the Agency reserves the right to address the Contractor's board or other managing entity regarding performance and expenditures. When state or federal law or the terms of this Contract require compliance with the OMNI Circular, or other similar provision addressing proper use of government funds, the Contractor shall comply with these additional records retention and access requirements:

**2.13.25.1.1** Records of financial activity shall include records that adequately identify the source and application of funds. When the terms of this Contract require matching funds, cash contributions made by the Contractor and third-party in-kind (property or service) contributions, these funds must be verifiable from the Contractor's records. These records must contain information pertaining to contract amount, obligations, unobligated balances, assets, liabilities, expenditures, income, and third-party reimbursements.

**2.13.25.1.2** The Contractor shall maintain accounting records supported by source documentation that may include but are not limited to cancelled checks, paid bills, payroll, time and attendance records, and contract award documents.

**2.13.25.1.3** The Contractor, in maintaining project expenditure accounts, records and reports, shall make any necessary adjustments to reflect refunds, credits, underpayments or overpayments, as well as any adjustments resulting from administrative or compliance reviews and audits. Such adjustments

shall be set forth in the financial reports filed with the Agency.

**2.13.25.1.4** The Contractor shall maintain a sufficient record keeping system to provide the necessary data for the purposes of planning, monitoring, and evaluating its program.

**2.13.25.2** The Contractor shall retain all non-medical and medical client records for a period of seven (7) years from the last date of service for each patient; or in the case of a minor patient or client, for a period consistent with that established by Iowa Code § 614.1(9), whichever is greater.

**2.13.26 Audits.** Local governments and non-profit subrecipient entities that expend \$750,000 or more in a year in federal awards (from all sources) shall have a single audit conducted for that year in accordance with the provisions of the OMNI Circular, OMB Uniform Guidance: Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards at 2 C.F.R. 200. A copy of the final audit report shall be submitted to the Agency if either the schedule of findings and questioned costs or the summary schedule of prior audit findings includes any audit findings related to federal awards provided by the Agency. If an audit report is not required to be submitted per the criteria above, the subrecipient must provide written notification to the Agency that the audit was conducted in accordance with Government Auditing Standards and that neither the schedule of findings and questioned costs nor the summary schedule of prior audit findings includes any audit findings related to federal awards provided by the Agency. See the OMNI Circular, Section 200.330, Subrecipient and Contractor Determinations for a discussion of subrecipient versus contractor (vendor) relationships. The Contractor shall provide the Agency with a copy of any written audit findings or reports, whether in draft or final form, within two (2) Business Days following receipt by the Contractor. The requirements of this paragraph shall apply to the Contractor as well as any subcontractors.

**2.13.27 Reimbursement of Audit Costs.** If the Auditor of the State of Iowa notifies the Agency of an issue or finding involving the Contractor's noncompliance with laws, rules, regulations, and/or contractual agreements governing the funds distributed under this Contract, the Contractor shall bear the cost of the Auditor's review and any subsequent assistance provided by the Auditor to determine compliance. The Contractor shall

reimburse the Agency for any costs the Agency pays to the Auditor for such review or audit.

**2.13.28 Staff Qualifications and Background Checks.** The Contractor shall be responsible for assuring that all persons, whether they are employees, agents, subcontractors, or anyone acting for or on behalf of the Contractor, are properly licensed, certified, or accredited as required under applicable state law and the Iowa Administrative Code. The Contractor shall provide standards for service providers who are not otherwise licensed, certified, or accredited under state law or the Iowa Administrative Code.

The Agency reserves the right to conduct and/or request the disclosure of criminal history and other background investigation of the Contractor, its officers, directors, shareholders, and the Contractor's staff, agents, or subcontractors retained by the Contractor for the performance of Contract services.

**2.13.29 Solicitation.** The Contractor represents and warrants that no person or selling agency has been employed or retained to solicit and secure this Contract upon an agreement or understanding for commission, percentage, brokerage, or contingency excepting bona fide employees or selling agents maintained for the purpose of securing business.

**2.13.30 Obligations Beyond Contract Term.** All obligations of the Agency and the Contractor incurred or existing under this Contract as of the date of expiration or termination will survive the expiration or termination of this Contract. Contract sections that survive include, but are not necessarily limited to, the following: (1) Section 2.4.2, *Erroneous Payments and Credits*; (2) Section 2.5.5, *Limitation of the State's Payment Obligations*; (3) Section 2.5.6, *Contractor's Contract Close-Out Duties*; (4) Section 2.7, *Indemnification*, and all subparts thereof; (5) Section 2.9, *Ownership and Security of Agency Information*, and all subparts thereof; (6) Section 2.10, *Intellectual Property*, and all subparts thereof; (7) Section 2.13.10, *Choice of Law and Forum*; (8) Section 2.13.16, *Joint and Several Liability*; (9) Section 2.13.20, *Cumulative Rights*; (10) Section 2.13.24 *Successors In Interest*; (11) Section 2.13.25, *Records Retention and Access*, and all subparts thereof; (12) Section 2.13.26, *Audits*; (13) Section 2.13.27, *Reimbursement of Audit Costs*; (14) Section 2.13.35, *Repayment Obligation*; and (15) Section 2.13.39, *Use of Name or Intellectual Property*.

**2.13.31 Counterparts.** The parties agree that this Contract has been or may be executed in several counterparts, each of which shall be deemed an original and all such counterparts shall together constitute one and the same instrument.

**2.13.32 Delays or Potential Delays of Performance.**

Whenever the Contractor encounters any difficulty which is delaying or threatens to delay the timely performance of this Contract, including but not limited to potential labor disputes, the Contractor shall immediately give notice thereof in writing to the Agency with all relevant information with respect thereto. Such notice shall not in any way constitute a basis for an extension of the delivery schedule or be construed as a waiver by the Agency or the State of any rights or remedies to which either is entitled by law or pursuant to provisions of this Contract. Failure to give such notice, however, may be grounds for denial of any request for an extension of the delivery schedule because of such delay. Furthermore, the Contractor will not be excused from failure to perform that is due to a Force Majeure unless and until the Contractor provides notice pursuant to this provision.

**2.13.33 Delays or Impossibility of Performance Based on a Force Majeure.** Neither party shall be in default under the Contract if performance is prevented, delayed, or made impossible to the extent that such prevention, delay, or impossibility is caused by a Force Majeure. If a delay results from a subcontractor's conduct, negligence or failure to perform, the Contractor shall not be excused from compliance with the terms and obligations of the Contract unless the subcontractor or supplier is prevented from timely performance by a Force Majeure as defined in this Contract.

If a Force Majeure delays or prevents the Contractor's performance, the Contractor shall immediately use its best efforts to directly provide alternate, and to the extent possible, comparable performance. Comparability of performance and the possibility of comparable performance shall be determined solely by the Agency.

The party seeking to exercise this provision and not perform or delay performance pursuant to a Force Majeure shall immediately notify the other party of the occurrence and reason for the delay. The parties shall make every effort to minimize the time of nonperformance and the scope of work not being performed due to the unforeseen events. Dates by which performance obligations are scheduled to be

met will be extended only for a period of time equal to the time lost due to any delay so caused.

**2.13.34 Right to Address the Board of Directors or Other Managing Entity.** The Agency reserves the right to address the Contractor's board of directors or other managing entity of the Contractor regarding performance, expenditures, and any other issue the Agency deems appropriate.

**2.13.35 Repayment Obligation.** In the event that any State and/or federal funds are deferred and/or disallowed as a result of any audits or expended in violation of the laws applicable to the expenditure of such funds, the Contractor shall be liable to the Agency for the full amount of any claim disallowed and for all related penalties incurred. The requirements of this paragraph shall apply to the Contractor as well as any subcontractors.

**2.13.36 Reporting Requirements.** If this Contract permits other State agencies and political subdivisions to make purchases off of the Contract, the Contractor shall keep a record of the purchases made pursuant to the Contract and shall submit a report to the Agency on a quarterly basis. The report shall identify all of the State agencies and political subdivisions making purchases off of this Contract and the quantities purchased pursuant to the Contract during the reporting period.

**2.13.37 Immunity from Liability.** Every person who is a party to the Contract is hereby notified and agrees that the State, the Agency, and all of their employees, agents, successors, and assigns are immune from liability and suit for or from the Contractor's and/or subcontractors' activities involving third parties and arising from the Contract.

**2.13.38 Public Records.** The laws of the State require procurement and contract records to be made public unless otherwise provided by law.

**2.13.39 Use of Name or Intellectual Property.** The Contractor agrees it will not use the Agency and/or State's name or any of their intellectual property, including but not limited to, any State, state agency, board or commission trademarks or logos in any manner, including commercial advertising or as a business reference, without the expressed prior written consent of the Agency and/or the State.

**2.13.40 Taxes.** The State is exempt from Federal excise taxes, and no payment will be made for any taxes levied on the Contractor's employees' wages. The State is exempt from State and local sales and use taxes on the Deliverables.

**2.13.41 No Minimums Guaranteed.** The Contract does not guarantee any minimum level of purchases or any minimum amount of compensation.

**2.14 Contract Certifications.** The Contractor will fully comply with obligations herein. If any conditions within these certifications change, the Contractor will provide written notice to the Agency within twenty-four (24) hours from the date of discovery.

**2.14.1 Certification of Compliance with Pro-Children Act of 1994.** The Contractor must comply with Public Law 103-227, Part C Environmental Tobacco Smoke, also known as the Pro-Children Act of 1994 (Act). This Act requires that smoking not be permitted in any portion of any indoor facility owned or leased or contracted by an entity and used routinely or regularly for the provision of health, day care, education, or library services to children under the age of 18, if the Deliverables are funded by federal programs either directly or through State or local governments. Federal programs include grants, cooperative agreements, loans or loan guarantees, and contracts. The law also applies to children's services that are provided in indoor facilities that are constructed, operated, or maintained with such federal funds. The law does not apply to children's services provided in private residences; portions of facilities used for inpatient drug or alcohol treatment; service providers whose sole source of applicable federal funds is Medicare or Medicaid; or facilities (other than clinics) where Women, Infants, and Children (WIC) coupons are redeemed.

The Contractor further agrees that the above language will be included in any subawards that contain provisions for children's services and that all subgrantees shall certify compliance accordingly. Failure to comply with the provisions of this law may result in the imposition of a civil monetary penalty of up to \$1,000.00 per day.

**2.14.2 Certification Regarding Debarment, Suspension, Ineligibility and Voluntary Exclusion—Lower Tier Covered Transactions**

By signing this Contract, the Contractor is providing the certification set out below:

**2.14.2.1** The certification in this clause is a material representation of fact upon which reliance was placed when this transaction was entered into. If it is later determined that the Contractor knowingly rendered an erroneous certification, in addition to other remedies available to the federal government, the

Agency or agency with which this transaction originated may pursue available remedies, including suspension and/or debarment.

**2.14.2.2** The Contractor shall provide immediate written notice to the Agency if at any time the Contractor learns that its certification was erroneous when submitted or had become erroneous by reason of changed circumstances.

**2.14.2.3** The terms covered transaction, debarred, suspended, ineligible, lower tier covered transaction, participant, person, primary covered transaction, principle, proposal, and voluntarily excluded, as used in this clause, have the meaning set out in the Definitions and Coverage sections of rules implementing Executive Order 12549. Contact the Agency for assistance in obtaining a copy of those regulations.

**2.14.2.4** The Contractor agrees by signing this Contract that, should the proposed covered transaction be entered into, it shall not knowingly enter into any lower tier covered transaction with a person who is proposed for debarment under 48 CFR part 9, subpart 9.4, debarred, suspended, declared ineligible, or voluntarily excluded from participation in this covered transaction, unless authorized by the Agency or agency with which this transaction originated.

**2.14.2.5** The Contractor further agrees by signing this Contract that it will include this clause titled "Certification Regarding Debarment, Suspension, Ineligibility and Voluntary Exclusion—Lower Tier Covered Transaction," without modification, in all lower tier covered transactions and in all solicitations for lower tier covered transactions.

**2.14.2.6** A participant in a covered transaction may rely upon a certification of a prospective participant in a lower tier covered transaction that it is not proposed for debarment under 48 CFR part 9, subpart 9.4, debarred, suspended, ineligible, or voluntarily excluded from covered transactions, unless it knows that the certification is erroneous. A participant may decide the method and frequency by which it determines the eligibility of its principals. A participant may, but is not required to, check the List of Parties Excluded from Federal Procurement and Nonprocurement Programs.

**2.14.2.7** Nothing contained in the foregoing shall be construed to require establishment of a system of records in order to render in good faith the certification required by this clause. The knowledge and information of a participant is not required to

exceed that which is normally possessed by a prudent person in the ordinary course of business dealings.

**2.14.2.8** Except for transactions authorized under Section 2.14.2.4 of these instructions, if a participant in a covered transaction knowingly enters into a lower tier covered transaction with a person who is proposed for debarment under 48 CFR part 9, subpart 9.4, suspended, debarred, ineligible, or voluntarily excluded from participation in this transaction, in addition to other remedies available to the federal government, the Agency or agency with which this transaction originated may pursue available remedies, including suspension and/or debarment.

**2.14.2.9** The Contractor certifies, by signing this Contract, that neither it nor its principals is presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from participation in this transaction by any federal department or agency.

Where the Contractor is unable to certify to any of the statements in this certification, such Contractor shall attach an explanation to this Contract.

### **2.14.3 Restriction on Lobbying.**

This section is applicable to all federally-funded contracts.

Title 45 of the Code of Federal Regulations, Part 93 sets conditions on the use of Federal funds supporting this Contract. The Contractor shall comply with all requirements of CFR Part 93 which is incorporated herein as if fully set forth. No appropriated funds supporting this Contract may be expended by the Contractor for payment of any person for influencing or attempting to influence an employee of the agency (as defined in 5 U.S.C.552(f)), a member of Congress in connection with the award of this Contract, the making of any federal funding grant award connected to this Contract, the making of any Federal loan connected to this Contract, the entering into any cooperative agreement connected to this Contract, and the extension, continuation, or modification of this Contract.

**2.14.3.1** The Contractor shall file with the Agency a certification form, set forth in Appendix A of 45 CFR Part 93, certifying the Contractor, including any subcontractor(s) at all tiers (including subcontracts, sub-grants, and contracts under grants, loans, and cooperative agreements) have not made, and will not make, any payment prohibited under 45 CFR § 93.100.

**2.14.3.2** The Contractor shall file with the Agency a disclosure form, set forth in Appendix B of 45 CFR Part 93, in the event the Contractor or subcontractor(s) at any tier (including subcontracts, sub-grants, and contracts under grants, loans, and cooperative agreements) has made or has agreed to make any payment using non-appropriated funds, including profits from any covered Federal action, which would be prohibited under 45 CFR §93.100 if paid for with appropriated funds. All disclosure forms shall be forwarded from tier to tier until received by the Contractor and shall be treated as a material representation of fact upon which all receiving tiers shall rely.

**2.14.3.3** The Contractor shall file with the Agency subsequent disclosure forms at the end of each calendar quarter in which there occurs any event that requires disclosure or materially affects the accuracy of the information contained in any disclosure form previously filed. Such events include:

**2.14.3.3.1** A cumulative increase of \$25,000 or more in the amount paid or expected to be paid to influence a covered Federal action;

**2.14.3.3.2** A change in the person(s) or individual(s) influencing or attempting to influence a covered Federal action; and

**2.14.3.3.3** A change in the officer(s), employee(s), or Member(s) contacted to influence or attempt to influence a covered Federal action.

**2.14.3.4** The Contractor may be subject to civil penalties if the Contractor fails to comply with the requirements of 45 CFR Part 93. An imposition of a civil penalty does not prevent the Agency from taking appropriate enforcement actions which may include, but not necessarily be limited to, termination of the Contract.

### **2.14.4 Certification Regarding Drug Free Workplace**

**2.14.4.1 Requirements for Contractors Who are Not Individuals.** If the Contractor is not an individual, the Contractor agrees to provide a drug-free workplace by:
