Chapter 4 – Evaluation Criteria section of the RFP

4.1 Award Process.

Section 4.1.2 The evaluation committee reserves the right to request oral presentations and conduct a Best and Final Offer (BAFO) process with not more than four (4) RFP finalists whose RFP response packages scored the highest. The determination of whether to request an oral presentation and/or BAFO is entirely at the discretion of the evaluation committee. The identity of all finalists shall remain confidential until the ICN issues a notice of intent to award the contract. Oral presentations and/or submission of BAFOs shall be scheduled at a due date and time determined by the ICN. Any BAFO requested by the ICN shall be submitted in sealed envelopes to the Issuing Officer on or before the time and date determined by the ICN. Evaluation of BAFOs and/or oral presentations shall be conducted and scored in exactly the same manner as the original proposals. The evaluation committee shall consider the Technical Proposal and ICN Organization information available in the original response to the RFP as well as information presented in the oral presentation in determining the final score for the Technical Proposal and ICN Organization. Scores from the four (4) finalists on any BAFO and/or oral presentation shall replace the score achieved in the original evaluation.

Per RFP Section 1.2.2: Changes and Amendments. In the event it becomes necessary for ICN to amend, add to or delete any part of this RFP, the amendment will be provided to all Vendors to whom the RFP has been sent. Vendor's Bid Proposal must include acknowledgment of all addenda issued by ICN.
