

## ADDENDUM #1

**Project Name:**

**HHS IMHI Reynolds Bldg North Annex Roof Replacement**

**DAS#9368.00**

**RFP936800-01**

**Addendum #1**

**Dated: February 29, 2024**

This Addendum forms a part of the Request For Proposal documents. This Addendum supersedes and supplements all portions of the original Request For Proposal for which it conflicts.

ACKNOWLEDGE RECEIPT OF THIS ADDENDUM IN THE REQUEST FOR PROPOSAL. FAILURE TO DO SO MAY SUBJECT TO DISQUALIFICATION.

1. **Proposal Schedule** – Proposal due date does not change.
2. **Questions:**
  - a. Q. Assume a hazardous materials survey will be performed by an environmental consultant. Can the hazardous materials survey be coordinated with the consultant's kickoff meeting/initial field evaluation so consultant can verify roof assembly composition during the same time? *A. Yes, we can work with the environmental consultant and the design team awarded the project to verify the roof assembly composition.*
  - b. Q. Assume DAS/Construction Manager will also employ a roofing contractor to do core cuts and patch the cuts to be watertight after the hazardous materials survey? *A. Yes, a roofing contractor will be contracted to patch any core cuts or patch cuts at the time of the survey.*
  - c. Does the facility staff have a ladder that consultant can use to access the lower north roof area? *A. Yes, the facility does have a ladder that the design consultant can use to access the lower roof area.*
